

SUPPLEMENT

TO THE

NEW ZEALAND GAZETTE

OF

THURSDAY, AUGUST 14, 1913.

Published by Authority.

WELLINGTON, WEDNESDAY, AUGUST 20, 1913.

*Provisional Classification of the Public Service under the Public Service Act, 1912.*

THIS provisional classification of officers of the Public Service (except the Post and Telegraph Department) is published for general information. The classification is effective as from the 1st April, 1913, with the exception that cadets and a small number of junior clerks, whose salaries have been adjusted to enable them to fall in with the regular step on the 1st April, 1914, will not be regarded as finally classified until that date. The list is not a seniority list; the numbers shown on each page are for facility of reference only. A seniority list will be issued later.

The column "Maximum for Position" is intended to show the maximum value the position will attain before any future reclassification of the Service. In cases where the maximum for the position is in a higher class than the salary allotted for the current year it is to be understood that the position is classified in two classes. The maximum for the position of General Division officers will be found under the heading "Scale for General Division," at end of list.

The salaries of officers in the Administrative Division are not shown herein, as under section 19 of the Act they are subject to parliamentary authority only.

Where any salary higher than £700 is shown in the Professional Division, this is to be regarded as subject to the provisions of section 20, subsection (3), of the Act.

Any officer dissatisfied with his classification as shown herein may forward to the Commissioner, within thirty days of the 20th August, 1913, a notice of appeal setting forth the grounds of his dissatisfaction, for consideration by the Board of Appeal. The attention of officers is directed to section 31 of the Act.

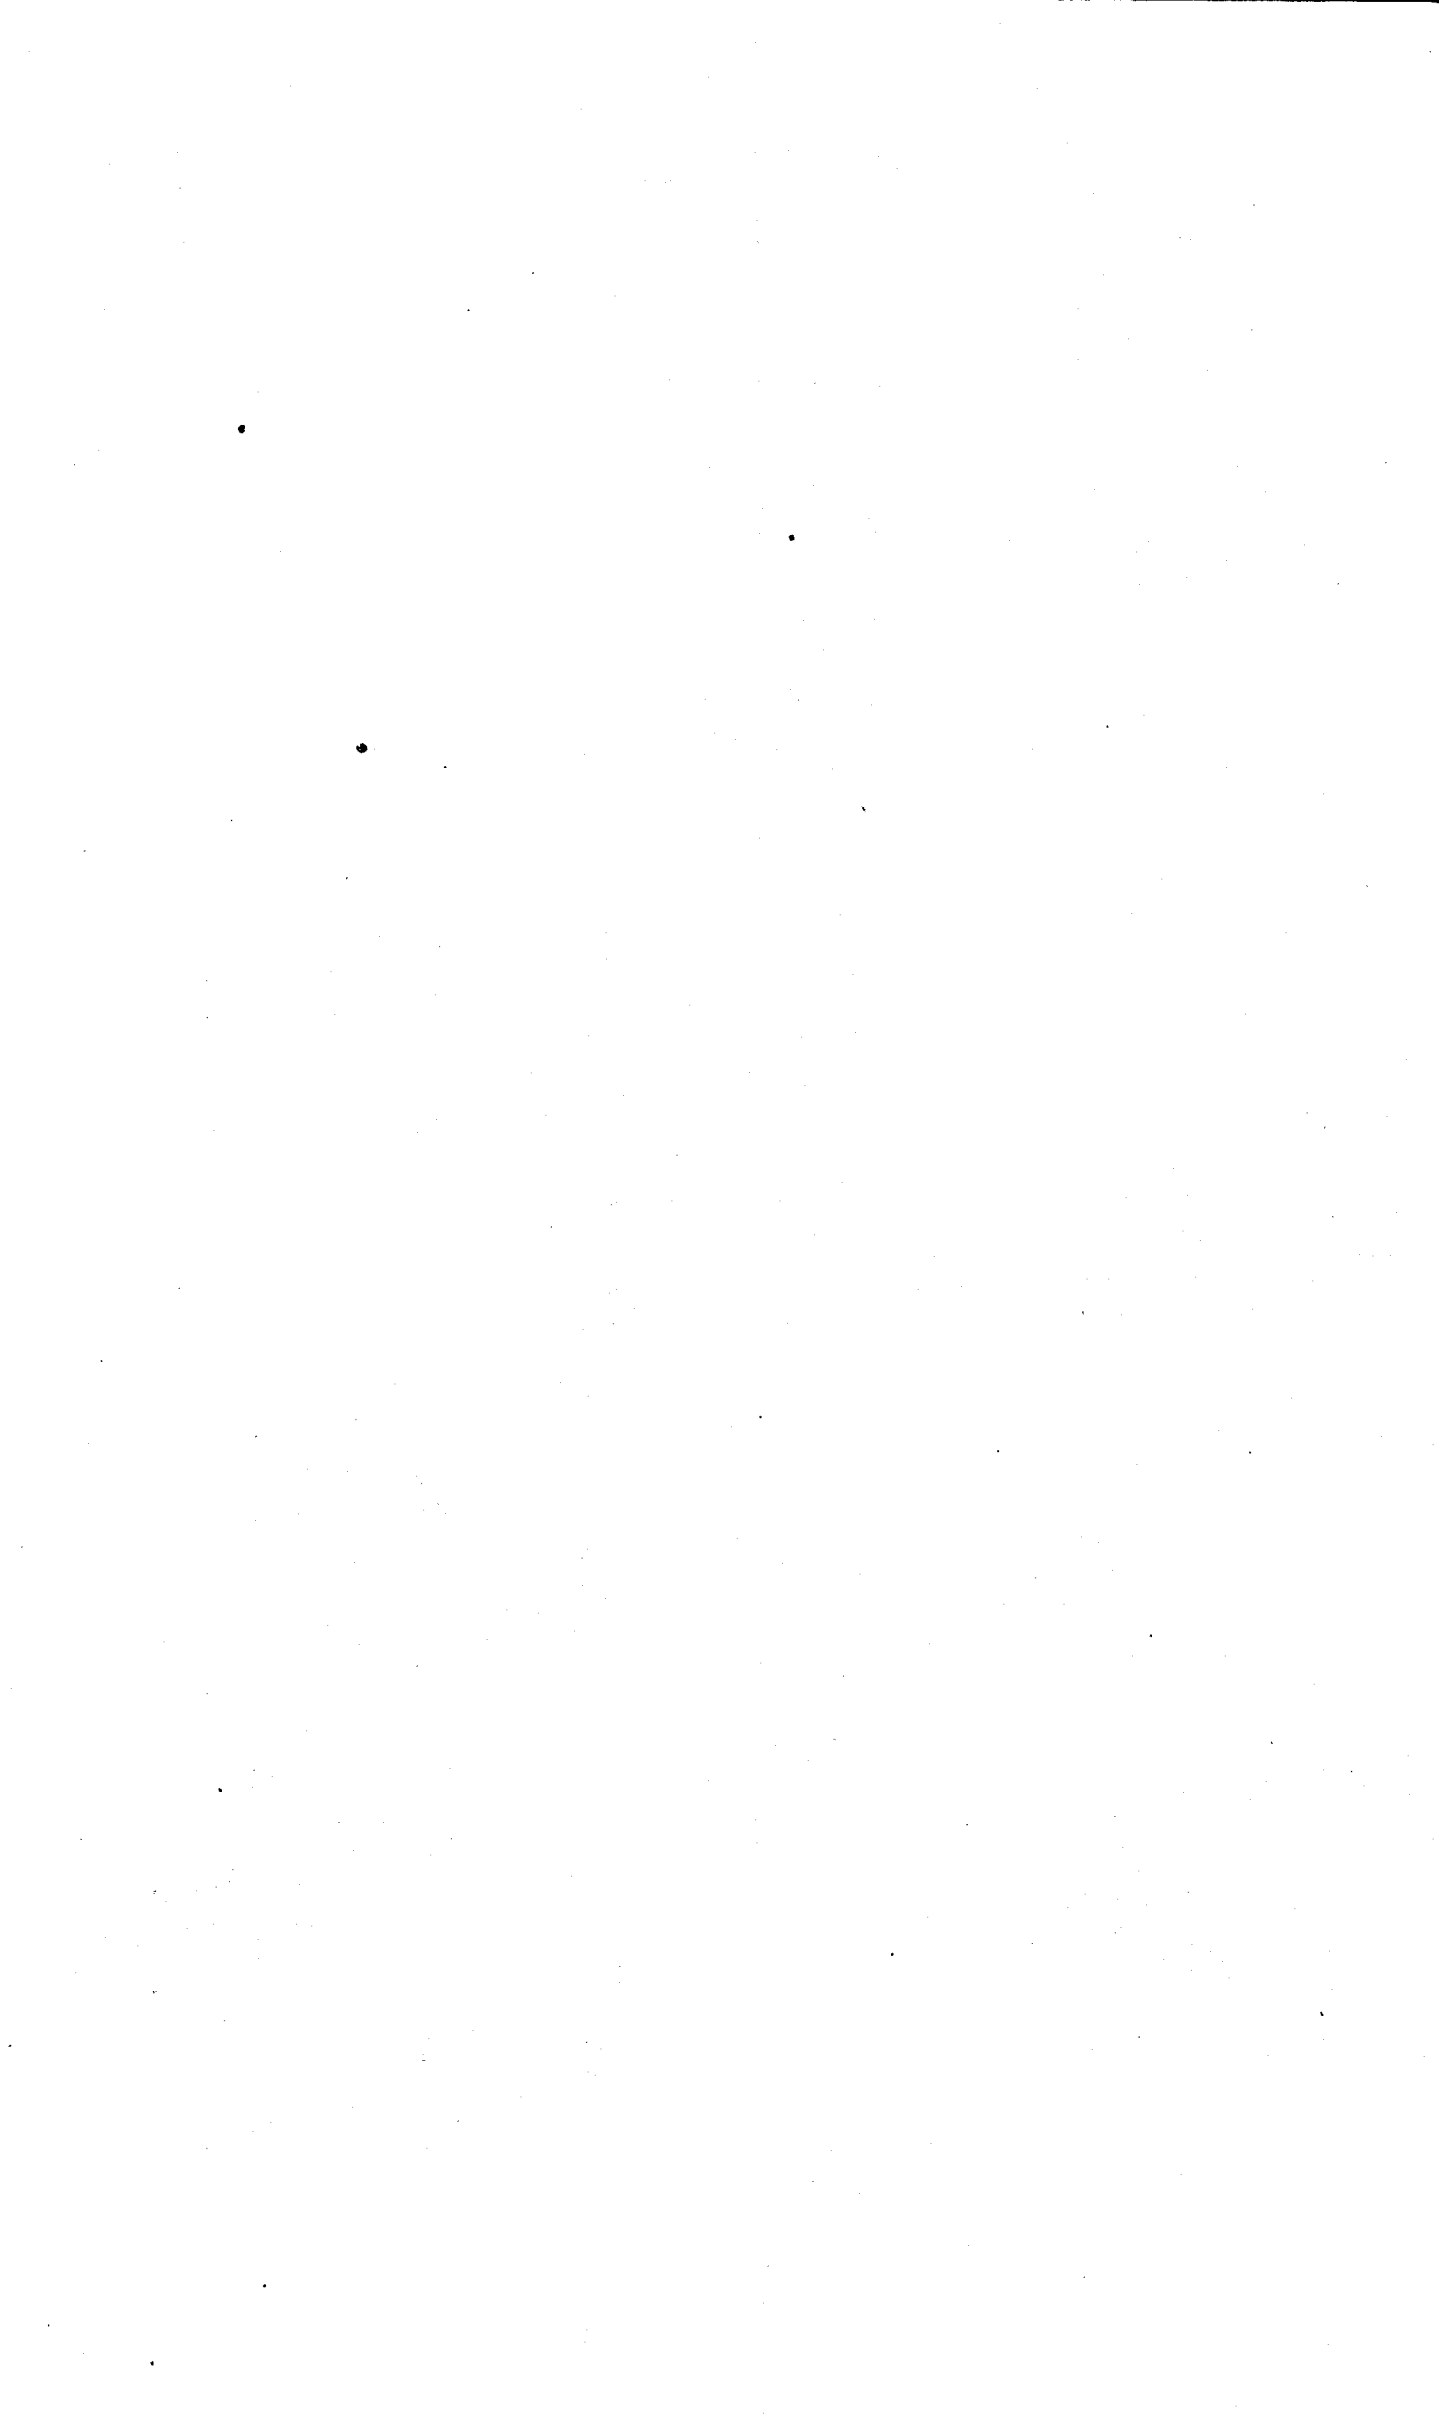

As it is desired that there may be as little delay as possible in the publication of the final classification, it is requested that officers desiring to appeal shall forward the appeals as early as possible. The Board of Appeal will commence its sittings about the 29th instant.

Officers are desired to call immediate attention to any error, however slight, in name, length of service, or other particulars.

Wellington, 20th August, 1913.

D. ROBERTSON,  
Public Service Commissioner.

(a.) In every school of Grade X there shall be added for each succeeding subgrade above Subgrade Xa an assistant with a salary of Subgrade 1A, but in all other respects the staff and salaries in every such school shall be the same as in a school of Subgrade Xa.

(b.) The number of male assistants in any school shall not exceed the number of female assistants.

(c.) At least one of the first three assistants in any school shall be a woman.

(d.) At least three of the first six assistants in any school must be women.

(e.) In the case of a school of Grade 0 the Board shall pay for or on account of the salary of the teacher the sum of £6 per annum for every pupil in average attendance.

(f.) The number of assistants and pupil-teachers in a school shall be determined by the average attendance shown in Column A hereof in the manner prescribed by regulations; such average attendance shall be the average attendance for a period immediately preceding not greater than one year.

\* Education Amendment Act, 1910.

The salaries for teachers are fixed in accordance with the above scale, with the following exceptions:—

(1.) The salaries are not to be lowered on account of a fall in the grade of the day-school, although in such a case increments would cease.

(2.) For extra duties imposed outside ordinary school duties, board and residence for the teacher himself (or an additional £24 a year if not resident) is given.

(3.) The minimum annual salary for a male assistant teacher with full certificate is Grade  $\frac{2B}{3A}$  (£135, rising to £165 by annual increases of £5).

(4.) The additional assistants prescribed in column 6 of Schedule II, Part I, of the Education Amendment Act, 1908 (with salaries as in column 7 thereof) are substituted for the pupil-teachers prescribed in column 5 thereof—e.g., in Grade VIa an assistant teacher  $\frac{2B}{3A}$  is substituted for two pupil-teachers.
