\* These remaining suburbs do not lie within borough boundaries, and particulars respecting them have not been obtained for the Vital Statistics. Closely correct annual statements of population outside boroughs are not obtainable.

In the above table are given the deaths and death-rates for each of the four cities, for the suburban boroughs severally, and for each city with its suburban towns.

Deaths occurring at hospitals, of persons not residents of the borough wherein the hospital is situated, have been allotted in each case to the borough where the disease was contracted, and not to that in which the death actually took place.

The inclusion of the suburban boroughs tends to lower the rate at each of the four centres.

		Death-rates per 1,000 of Population.	
Auckland City .. .. .	0.95	70.9	
and seven suburban boroughs .. .. .			
Wellington City .. .. .	0.70	0.68	
and four suburban boroughs .. .. .			
Christchurch City .. .. .	1.18	1.12	
and five suburban boroughs .. .. .			
Dunedin City .. .. .	0.72	.65	
and five suburban boroughs .. .. .			

Including the suburbs, the rate at Christchurch is the highest, and at Dunedin the lowest.

Compared with August, 1912, the results are,—

		1912	1913.
Auckland and suburbs .. .. .	0.89	0.79	
Wellington and suburbs .. .. .	1.02	0.68	
Christchurch and suburbs .. .. .	1.04	1.12	
Dunedin and suburbs .. .. .	0.76	0.65	

The total births in the four chief cities and their suburban boroughs amounted to 606, against 577 in July—an increase of 29. The deaths in August were 238—a decrease of 45 as compared with last month. Of the total deaths males contributed 140, females 98. Forty-one of the deaths were of children under five years of age, being 17.23 per cent. of the whole number; 32 of these were under one year of age.

There were 94 deaths of persons of 65 years and upwards in the four chief cities and their suburban boroughs, as against 124 in July. The following table shows the classification:—

## SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

## UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: MR. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,  
Wellington.
