"Maranoa" is stated to have struck in 1903, is reported to lie 7 cables S. 73° W. from Scott Rock, with the north-east extreme of King Point bearing S. 54° E. one mile distant and the south-east extreme of Wednesday Island N. 43° E. The depth of water on the obstruction is not stated. As the s.s. "Suva," with a draught of 15 ft. 10 in., is reported to have recently struck what is considered the same obstruction, and in view of the existence of two dangers south-west of Scott Rock, it is advisable that ships using Flinders Passage should not pass to the southward of Scott Rock, but the following directions should be followed:—

Approaching from the south-eastward a course should be steered N. 56° W. for the west extreme of Wednesday Island, until No. IV Tuesday Islet is in line with Strait Rock bearing N. 86° E. This mark should be kept on astern until Double Hill bears S. 14° W., then proceed as before directed.

GENERAL DESCRIPTION.

Otanomomo Settlement is situated near the coast, between the Molyneux and Puerua Rivers. The land is flat, and is only a few feet above sea-level. It is rich swamp land, suitable for dairying. Originally a flax swamp, it has now, by cutting and burning off the flax, by draining and by surface sowing, been brought to a state fit for cultivation. Parts have already been broken up, and good crops and grass grown. A large amount of draining has been done, and there are some good fences on the ground, both of which have been utilized as far as possible for allotment boundaries. The soil is first class, but will be at first somewhat difficult to work owing to the amount of timber in the ground.

The settlement is about six miles from Balclutha by formed road partly metalled, and the nearest railway-station is Otanomomo, on the Balclutha-Catlins River line, a mile and a half away. At the south-east corner of the settlement the Puerua River is bridged, giving access to Port Molyneux, just across the river. At this township there is a school and post and telegraph office. There is a creamery close to the settlement.

Full particulars may be ascertained and plans obtained at this office.

#### GENERAL DESCRIPTION.

The Ohauti Settlement, formerly the property of Messrs. Revell and Rowe, is situated near the Town of Tauranga, in the Bay of Plenty, the nearest portion of the property being seven miles from Tauranga Post-office. Tauranga may be reached either by steamer from Auckland direct or by rail and road via Rotorua or Waihi. A branch road from the main Rotorua-Tauranga Road runs through the estate, and is known as the Ohauti-Tauranga Road.

The land on the settlement lends itself to close cultivation, as a rule, and is of fair to good quality, comprising terraces, easy slopes, and flats, the latter being very suitable for such crops as turnips, oats, and maize. The climate being mild, cattle do well, and there are large and regular stock sales both at Tauranga and Te Puke. Each of the sections has a considerable area of grass fit for immediate stocking. The settlement is throughout well watered by streams running into the Waimapu River, and also by springs.

The sections at the southern end of the estate are within two miles of the Oropi sawmill, and ample areas of bush are at hand for fencing and other purposes.

They comprise undulating and flat old bush land, the soil being of a good character resting on a sandstone formation. Suitable for small dairy-farms.

The soil is good, resting on a sandstone formation. Some of the sections are still partly in bush.

GENERAL DESCRIPTION.

Heatherlea Settlement is situated to the north of the Town of Levin, on the railway between Wellington and Palmerston North. The distance from Levin Post-office ranges from a mile and a half to three miles and a half. There are dairy factories within from half a mile to two miles and a half of the settlement. The land is of good quality, resting upon a sandstone formation, and is generally flat, with undulations in places. Most of the sections are watered by streams; water may also probably be obtained on the sections at depths of from 12 ft. to 25 ft. The whole of the land, with the exception of the clumps of bush, was originally covered with tawa, pukatea, rimu, matai, and mahoe bush; but it has been cleared and laid down in English grass for many years, and much of the timber now remaining is in an advanced state of decay. Existing fences and other improvements are shown on the sale plan. The altitude varies from 130 ft. to 160 ft. above sea-level.

Section 52, Block II, Waiopahu Survey District, is offered subject to the right on the part of the Government of ingress, egress, and regress, for the purpose of removing gravel from the hillock thereon.

Full particulars may be ascertained and plans obtained at this office.

SCHOOL FOR THE DEAF, NEAR SUMNER,  
CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION  
DEPARTMENT.

Director: MR. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director or from

THE SECRETARY FOR EDUCATION,  
Wellington.
