Subsidies to Public Libraries.

Education Department,  
Wellington, 18th November, 1913.

**N**OTICE is hereby given that the sum of £4,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 9th February, 1914, and no claim will be entitled to consideration that shall not have been sent in due form and received by the Secretary for Education, Wellington, on or before the 26th January, 1914.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the library.

4. It is particularly enjoined upon the authorities in charge of the public libraries concerned that a due proportion of the books purchased shall be books having a permanent value; that is on books of more than merely passing interest.

5. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the year ending on the 31st day of December, 1913; and such declaration must be on the form provided for the purpose, which form shall be as follows:—

DECLARATION.

I, [Name], of [Place of abode], [Occupation], do solemnly and sincerely declare that I am Chairman [or Secretary, or Treasurer] of the [Name of institution]; that during the year ending on the 31st day of December, 1913, the receipts of the aforesaid institution for the maintenance of the library only were as follows: From rates levied by a local governing body under Part I of the Libraries and

Mechanics' Institutes Act, 1908, or the Municipal Corporations Act, 1908, pounds shillings and pence; from the subscriptions of members, pounds shillings and pence; and from voluntary contributions other than members' subscriptions, pounds shillings and pence; that the library is public in the sense of belonging to the public, and is not under the control of an association, society, or club whose membership is composed of a section of the community only; that the information hereinafter furnished by me in the appendix hereto is correct in every particular; that the abstract of accounts is a true statement of the receipts and expenditure of the institution for the year herein specified; that the whole of the subsidy received during the year was expended in the purchase of books for the library; [and that by the rules of the library it is open to the public free of charge].

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the Justices of the Peace Act, 1908.

Declared at \_\_\_\_\_, this \_\_\_\_\_ day of \_\_\_\_\_, 191\_\_\_\_, before me— \_\_\_\_\_, Justice of the Peace [or Solicitor, or Notary Public].

[Here affix and cancel a stamp at 2s. 6d.]

[NOTE.—The words relating to last year's subsidy and to free admission may be struck out if they are not applicable. The words in brackets are not part of the form, but indicate matter to be inserted or substituted.]

6. Copies of the form of application may be obtained from the Secretary for Education, Wellington, and from the Secretary of any Education Board.

J. ALLEN,  
Minister of Education.

*Payment of Wages.*

4. Subject to special arrangements as herein provided, all wages shall be paid weekly on Fridays, either at the work or at the employer's place of business, within a reasonable time after closing-hour. Men working at distant country places may make special arrangements with employers for payment to their families or otherwise on their written order, but the employer must produce a written agreement or permit to justify a departure from the provisions of the first paragraph of this clause.

*Apprentices.*

5. (a.) Any employer taking an apprentice to learn the trade shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this award, and shall pay such apprentice not less than the undermentioned rate of wages—namely, for the first year, 10s. per week; for the second year, 15s. per week; for the third year, £1 per week; for the fourth year, £1 5s. per week; and for the fifth year, £1 10s. per week.

(b.) The period of apprenticeship shall be five years, but three months' probation shall be allowed the first employer of any apprentice to determine his fitness, such three months to be included in the period of apprenticeship; and the obligation of an apprentice to serve his employer shall be deemed to be a duty enforceable under this award.

(c.) At the end of the period of apprenticeship the employer shall give the apprentice a certificate to show that he has served his

apprenticeship. Should the employer at any time before the termination of the apprenticeship wish for any reason to dispense with the services of the apprentice, he shall give him a certificate for the time served, and procure him another employer carrying on business within a reasonable distance of the original employer's place of business, who will continue to teach the apprentice, to pay him the wages prescribed by this award according to the total length of time he has served, and generally to perform the obligation of the original employer: Provided that it shall not be obligatory upon an employer to find the apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him, but he shall give him a certificate for the time actually served.

(f.) When an apprentice is discharged for cause the employer shall send notice of the discharge and of the cause thereof to the Inspector of Factories.

(g.) The proportion of apprentices to journeymen employed by any employer shall not exceed one apprentice to every three journeymen or fraction of three. (b.) Whenever occasion arises for so fixing a worker's wage it shall be fixed for such period, not exceeding six months, as such Inspector or other person shall determine, and after the expiration of the said period until fourteen days' notice shall have been given to him by the secretary of the union requiring him to have his wage again fixed in manner prescribed by this clause: Provided that in the case of any person whose wage is so fixed by reason of old age or permanent disability it may be fixed for such longer period as such Inspector or other person shall think fit.
