5. The timber shall be cut in a face, and the Crown reserves the right of following up the mill-workings by felling and grassing such areas as from time to time will have been cleared of milling-timber or of disposing of the land. Sufficient timber shall be left for fencing and general farming purposes.

7. In the event of the above not being disposed of, applications may be received and dealt with at any time within six months from the above date of sale (unless previously formally withdrawn), provided, however, that the amount offered is not less than the upset price stated herein.
