Now, therefore, in pursuance and exercise of the powers and authorities conferred on me by the said Act, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby confirm the said agreement dated the first day of December, one thousand nine hundred and thirteen.

LOANS TO LOCAL AUTHORITIES BY ADVANCES OFFICE.

12. The term of any loan granted to a local authority under the said Act shall be thirty-six years and a half.

13. The principal and interest of every such loan shall be payable by half-yearly instalments in accordance with the table contained in the First Schedule hereto (or any table hereafter prescribed by any regulations made in that behalf).

14. Any local authority shall, before applying for a loan in manner hereinafter provided, make a preliminary application to the Advances Board in the form No. 1 in the Second Schedule hereto, or to the like effect, accompanied by a copy of the last balance-sheet of the local authority:

15. The Board may either refuse to entertain the preliminary application or may agree to entertain it on such terms and with such modifications (if any) as it thinks fit.

16. If the Board decides to entertain the preliminary application, the local authority may take such steps under the said Act, or otherwise, as may be necessary for the purpose of obtaining sufficient authority to raise the loan, and for the making of a special rate required as security for the loan.

17. Should the Board decide to entertain the preliminary application such decision shall not be construed so as to constitute any agreement between the Board or Superintendent and the local authority, nor shall it affect the right of the local authority to withdraw its application or the right of the Board to refuse to grant the loan or to impose any conditions on the grant thereof.

18. Any decision of the Board to entertain a preliminary application shall lapse unless the local authority applies for the loan in manner hereinafter provided within six months after the date of such decision.

19. The application for the loan shall be in such one of the forms Nos. 2, 3, or 4 in the Second Schedule hereto as is applicable, or to the like effect, and shall be verified by a statutory declaration in the form No. 5 in the said Schedule.

20. No such application shall be made until the local authority has taken all necessary steps under the said Act, or otherwise, for obtaining sufficient authority to raise the loan, and has duly made the special rate required as security for the loan.

21. The Superintendent shall, after the Board has considered the application, notify the local authority of the decision of the Board.

22. Any loan may be made payable to the local authority by instalments covering a period not exceeding one year from the date of granting of the loan, unless the Superintendent otherwise decides, and in any such case each instalment shall for the purpose of calculating the term of the loan and the payments of principal and interest in respect thereof be deemed to constitute a separate loan: Provided that the Superintendent may with the consent of the local authority fix a suitable date or dates on which the payments of principal and interest due in respect of the several instalments may be made. No instalment shall be less than £100, and no loan shall be divided into more than four instalments.

23. The term of any loan shall commence on the date on which the money leaves the Advances Office, notwithstanding any default by the local authority in accepting the amount of the loan or in fulfilling the conditions of the receipt thereof; and the dates of the payment of principal and interest by the local authority shall be computed and determined accordingly.

24. The debentures issued by the local authority in respect of the loan shall be in the form No. 6 in the Second Schedule hereto, or to the like effect.

25. Every such debenture shall be executed in pursuance of a resolution of the local authority, and shall be signed by the Mayor or Chairman of the local authority, and countersigned by an officer appointed by the local authority for that purpose. The due execution of every such debenture shall be verified by statutory declaration in the form No. 7 in the Second Schedule hereto, or to the like effect.

26. The resolution to be passed by a local authority as provided by subsection (1) of section 69 of the said Act shall be in the following form, or as near thereto as the circumstances will permit:—

MERGER OF RATING-AREA.

29. (1.) Where the whole of any area over which a special rate has been made as security for a loan is merged within the district of a local authority other than the local authority that made the rate, such last-mentioned authority shall immediately give notice in the form No. A in the Third Schedule hereto to the local authority in whose district such area has been so merged, and also to the Minister of Finance.

(2.) Where special rates have been made as aforesaid in respect of two or more loans separate notices shall be given in respect of each such loan.

30. (1.) Where part only of any such special-rating area is merged as aforesaid the local authority that raised the loan may forward to the Minister of Finance an application in writing for an apportionment of the interest and other charges payable in respect of that loan, and may set forth in its application the apportionment which it suggests should be made.

(2.) Where special rates have been made over the said area in respect of two or more loans separate applications shall be made in respect of each such loan.

(3.) The local authority that raised the loan shall immediately serve on the local authority in whose district part of the special-rating area has been merged a copy of every such application.

(4.) Every application for an apportionment of interest and other charges as aforesaid shall be in the form No. B in the Third Schedule hereto.

(5.) There shall be annexed to every application under this regulation and to the copy thereof a plan of the whole area over which a special rate has been levied, and such plan shall distinguish between the merged area and the area not so merged.

31. (1.) If the local authority in whose district part of the special-rating area has been merged objects to the proposed apportionment it shall, within two months after the receipt by it of the copy aforesaid, forward written notice setting forth the grounds of its objection to the Minister of Finance, and shall, within the said period, serve on the local authority applying for an apportionment a copy of its objection.

(2.) On the expiration of the said period of two months the Chairman of the local authority applying for the apportionment shall make and sign a statutory declaration in the form No. C or the form No. D (as the case may require) in the Third Schedule hereto, and shall forward the same to the Minister of Finance.

32. (1.) Upon the receipt of such declaration the Minister shall cause to be transmitted to the Governor the application for apportionment, the objections (if any) made to the suggested apportionment, and the statutory declaration made under the last preceding regulation.

(2.) The Governor may thereupon make such apportionment as he thinks fit, pursuant to the provisions of subsection (4) of section 73 of the said Act.

33. The foregoing clauses of these regulations relating to the merger of rating-areas apply only to loans granted under Part II of the Local Bodies' Loans Act, 1908, or the corresponding provisions of any former Act, or under the New Zealand State-guaranteed Advances Act, 1909, or under Part III of the Local Bodies' Loans Act, 1913.

The common seal of the Mayor, Councillors, and Burgesses of the Borough of Wanganui was hereto affixed to the above-written resolution by order of the Council of the said borough this twenty-first day of April, 1914, in the presence of—
