Warrant authorizing the Karaka Road Board to construct Bridges over Hingaitia and Whangamaire Rivers, and apportioning the Cost.

LIVERPOOL, Governor.

By his Deputy,
ROBERT STOUT.

WHEREAS by section one hundred and nineteen of the Public Works Act, 1908 (hereinafter termed "the said Act"), it is, *inter alia*, enacted that in any case where the local authority of any district desires to construct a bridge, or to establish a ferry or ford, in any position that will in its opinion be of advantage or benefit to the whole or any considerable portion of the inhabitants of an adjacent district, as well as to the inhabitants of its own district, and where it is, in the opinion of such local authority, reasonable that the local authority of such adjacent district should contribute to the cost of constructing or establishing the said bridge, ferry, or ford, the provisions of the said section shall have effect:

And whereas the Karaka Road Board has given notice and taken the steps required by the said Act, and has made application to the Governor to authorize the construction of the bridges described in the Schedule hereto, and hereinafter referred to as "the said work," and to apportion the cost of constructing and establishing the said work between the said Road Board and certain other local authorities:

And whereas it is also provided in the said Act that the Governor (with the view of determining whether or not the work should be done, or what proportion, if any, of the cost of same should fairly be borne by any local authority, or what local authority should do the work) may direct any Magistrate or other person to be a Commissioner to inquire into and report to him on the matter:

And whereas a Commissioner was appointed, and an inquiry was duly held in the manner provided by the said Act in respect to the said work, and in respect also to the apportionment of the cost of constructing the said work:

And whereas such Commissioner did report to the Governor, after due inquiry, his opinion as to the matters respecting which he was appointed to report :

And whereas I am of opinion that the work should be done, and it is expedient to make provision under the said Act for the purposes and in the manner hereinafter set forth :

Now, therefore, I, Arthur William de Brito Saville, Earl of Liverpool, the Governor of the Dominion of New Zealand, in pursuance and in exercise of the powers vested in me by the said Act, and of all other powers and authorities in anywise enabling me in this behalf, do hereby authorize the Karaka Road Board to execute the said work; and, subject to the direction hereinafter mentioned, I do hereby declare that the cost thereof, less such contribution as may be made thereto by the Government of New Zealand, and less the contribution of one thousand pounds to be made by the Karaka Land Company (Limited), shall be borne by the Karaka Road Board, the Papakura Town Board, and the Franklin County Council in the following proportions—viz., the Karaka Road Board to bear sixty per centum, the Papakura Town Board to bear thirty per centum, and the Franklin County Council to bear ten per centum of such cost respectively, provided that the Papakura Town Board shall not be required to pay as its proportion of the cost of the work any sum which when raised as a loan will require a greater payment than fifty pounds per annum in connection therewith, and if the proportion so payable by the Papakura Town Board does not amount to thirty per centum of the cost of the work as hereinbefore provided, then the balance thereof shall be paid by the Karaka Road Board.

And I do hereby further direct that, subject to the next succeeding paragraph hereof, any contribution hereby required to be made as aforesaid by the Papakura Town Board and the Franklin County Council shall be paid from time to time respectively as the work proceeds, in the proportions hereinbefore prescribed, out of the funds of the said Board or Council, within a period of one month after demand in writing made by or on behalf of the Karaka Road Board, and all such payments for and on account of such Board and Council shall be made to the Clerk of the Karaka Road Board.

And I do also hereby further direct that the proportion of cost payable by the Franklin County Council and the Papakura Town Board respectively shall not be recoverable by the Karaka Road Board until such Road Board has obtained a clear title in the name of His Majesty to the whole of the road on the line of which the said work is to be constructed between the sites of the said Hingaia and Whangamaire Bridges, and has formed such road for vehicular traffic to the satisfaction of the District Engineer of the Public Works Department at Auckland.

SCHEDULE.

LIVERPOOL, Governor.

By his Deputy,
ROBERT STOUT.

IN pursuance and exercise of the powers and authority conferred upon me by section eleven of the Nurses Registration Act, 1908, I, Arthur William de Brito Saville, Earl of Liverpool, the Governor of the Dominion of New Zealand, do hereby revoke all regulations heretofore made under the said Act, and in lieu thereof do hereby make the following regulations in respect of hospitals acting as training-schools for nurses:—

A general hospital shall be eligible for recognition as a training-school under the following conditions:—

1. The Matron or Superintendent of Nurses shall be a certificated and registered nurse of the Dominion of New Zealand.

2. The curriculum of study shall be of not less than three years' duration.

3. The nurse shall receive practical instruction in the wards of the hospital by the Matron, or her deputy, who must also be a certificated and registered nurse.

4. Institutions such as consumptive sanatoria, chronic wards, fever wards, cottage hospitals, or other subsidiary hospitals under the control and administration of a Hospital and Charitable Aid Board and its officers may be regarded as wards in which practical instruction may be given, provided—

- (a.) That such wards or institutions are managed by a trained or registered nurse;
- (b.) That the time spent by a pupil nurse away from the main hospital does not exceed six months.

5. Under special conditions, to be approved by the Registrar of Nurses, pupils unable to complete course of training in one hospital or under one Hospital and Charitable Aid Board may be allowed to make up the full period in another hospital or under another Board.

6. Nurses shall attend a course of lectures on the subjects laid down in the syllabus for examination, delivered by duly qualified and registered medical practitioners and trained and registered nurses.

7. The course of lectures shall as nearly as possible be given at regular intervals during the three years of study, and the minimum number in each year shall be twelve for the first year, eighteen for the second year, and twenty-four for the third year.

8. An examination in elementary anatomy and elementary physiology, to be held during the term of training after the end of the first year, shall be arranged by the hospital authorities, and certificates of having passed that examination must be produced with the application to sit for the final State examination at the end of the third year. The Registrar of Nurses reserves the right of approving the standard of this examination at any time, or of holding the examination in the smaller hospitals if he deems it advisable.

9. For State registration, candidates will be examined in general nursing, medical nursing, surgical nursing, and hygiene according to the syllabus issued. The examination will be written, oral, and practical.

10. A course of instruction in invalid cookery by a qualified teacher approved by the Registrar of Nurses must be arranged for the pupil-nurses during their term of training, and a certificate of having passed a satisfactory examination in this course must also be produced with application to sit for the final State examination in nursing.

11. Candidates to be examined shall have completed two years and eleven months of the full course of three years' training, from the date of entry to hospital to the date of examination, provided that on special recommendation from the hospital authorities the full period may be reduced by two months. Annual holiday leave shall not count as reduced time.

After passing examinations nurses will not be registered until the full term of three years has been made up, less the annual holiday allowed by the Hospital Board and one month of sick leave.

12. Applications to sit for examination shall be sent to the Registrar by 1st May and 1st November of each year, with necessary certificates and fees.

13. The centres where examinations will be held shall be decided by the Registrar, and notified to intending candidates at least one week before date of examinations.

14. The hospital authorities shall report by the 31st March in each year to the Registrar of Nurses, on forms supplied by him for the purpose,—

- (d.) (1.) The names of the nurses attending lectures;
- (2.) The date each nurse entered upon her studies; and
- (3.) A certificate that she has attended at least three-fourths of the lectures delivered in each subject.

15. Notice must be given to the Registrar by the authorities of any hospital not previously recognized as a training school, which intends to institute training of nurses, and the names of probationer nurses must be submitted within three months of commencement of such training, together with names of proposed teaching staff.

16. Hospital training schools must provide for the instruction of the nurses such equipment as is considered necessary by the Registrar, viz:—

Nurses trained outside New Zealand applying for registration shall afford proof of having undergone a course of training for three years and of having passed a final examination.

Nurses trained outside New Zealand whose course of training satisfies the Registrar, but who have not passed a final examination, or whose certificate does not so state, may be allowed to sit for the State examination on payment of the prescribed fee.

1. TENDERS must be written in the form provided for the purpose, and be forwarded in a sealed envelope, so as to be received at the Board's office, Wanganui, not later than 2 p.m. on Wednesday, 24th June, 1914.
2. Each lot must be tendered for separately, and each tender must be accompanied by a deposit equal to six months' rent at the rate tendered.
3. Any tender not in conformity with these Conditions is liable to rejection. The Board may, if it thinks fit, decline all tenders for any lot.
4. The successful tenderer will be entitled to possession on receipt of a notification of the acceptance of his tender.
5. Deposits with tenders which are not accepted will be returned to the respective tenderers.
6. If the rental tendered by two or more tenderers is equal, and is higher than that offered by any other tenderer, the Board shall decide by lot which tender (if any) shall be accepted.
7. If from any cause whatever the Board shall be unable to grant a lease of any lot tendered for, the successful tenderer shall be entitled to a refund of his deposit, but shall have no claim for damages, compensation, or interest on the deposit.
8. Each successful tenderer shall be required, within fourteen days from the date on which the lease shall be tendered to him, to sign same in triplicate. In the event of his failure to do so, the Board may forfeit the rent paid by

him, and again offer the land for lease, freed from any obligations to the defaulting tenderer.

9. Each successful tenderer on being advised that his tender is accepted must lodge a declaration to the effect that he is not prohibited under Part XII of the Native Land Act, 1909, (relating to limitation of area) from acquiring the area tendered for.

10. The leases will be issued subject to the provisions of the Native Land Acts and the regulations thereunder, and will contain, *inter alia*, the following provisions:—

- (a.) The term of the leases will be twenty-one years from 1st July, 1914, at the rental tendered, with right of renewal for one further term of twenty-one years at a rental assessed at 5 per cent. of the unimproved value of the land at the time of renewal, such valuation, in the event of dispute, to be determined by arbitration. Compensation for substantial improvement will be allowed to the lessee, as provided in section 263 of the Native Land Act, 1909.
- (b.) Lessee will have no right to minerals without special license, but he may use on the land any minerals for any agricultural, pastoral, household, road-making, or building purposes.
- (c.) Rent shall be payable half-yearly in advance. Lessee shall not assign the lease without the Board's consent. Lessee shall cultivate in a husbandlike manner and keep land free of noxious weeds. Lessee shall keep fences and buildings in repair.
- (d.) Lessee will not be permitted to assign his lease until after two years' occupation of the land.
- (e.) Lessee will fence without any right of resort to the Board for contribution on account of the Board owning adjacent land; but the provision shall not deprive the lessee of any rights he may have against any subsequent occupier, other than the Board, of such adjacent land.

11. The leases of sections in Raetihi Block (Lots 1 to 11) shall be subject to the right of the Board, or its assignee or grantee, to lay tram-lines or use any existing tram-lines thereon, and to all rights appurtenant to the use of such tram-lines.

The lessee shall not be entitled to remove any timber from the areas coloured green on Sections 5, 6, 8, and 10, of Block II, Raetihi 4B, nor from the area outside the swamp area in Sections 8, 9, and 10, Block I, Raetihi 3B. Such timber is reserved to the Board and its grantee until and unless the Board shall notify the lessee that he may take possession of any such area. Until the lessee shall be notified to take possession of such area, no rental shall be charged thereon.

12. The lease of Lot 23 is offered on the understanding that the present lessee will surrender his lease thereof immediately. The lease will expire in November next. The Board cannot guarantee possession before November next. The successful tenderer will be required either to pay cash for the amount of the valuation of improvements on the land, or to give security for payment thereof to the satisfaction of the Board, as provided in section 265 of the Native Land Act, 1909.

13. The leases will be prepared by the Board at the cost of the lessee. The cost is £3 3s., together with the cost of stamping the same.
