W. FRASER.
Minister of Public Works

GOD SAVE THE KING!

Revoking Part of a Proclamation taking Land for the Purpose of Widening Willis Street in the City of Wellington.

[L.S.] LIVERPOOL, Governor.
A PROCLAMATION.

WHEREAS by the Public Works Amendment Act, 1909, it is enacted that if at any time after the issue or making of any Proclamation taking land under the Public Works Act, 1908, and before the payment or award of any compensation in respect of the taking thereof, it is found that the land or any part thereof is not required for the purpose for which it was taken, or that any error in form or substance exists in or in relation to that Proclamation and the making thereof, the Governor may, by a subsequent Proclamation gazetted, revoke the former Proclamation either wholly or so far as he thinks necessary:

And whereas by a Proclamation made under the Public Works Act, 1908, dated the eighth day of May, one thousand nine hundred and thirteen (hereinafter termed "the said Proclamation"), and published in the *New Zealand Gazette* No. 41, page 1597, of the fifteenth day of May, one thousand nine hundred and thirteen, the land described therein being part of Lot 7 on deposited plan 1886, part of Section 205 on the map of the City of Wellington, was taken and vested in the Mayor, Councillors, and Citizens of the City of Wellington, for the purpose of widening Willis Street, on and after the twenty-seventh day of May, one thousand nine hundred and thirteen:

And whereas the notice of intention to take the said land stated that the Council proposed to take the land subject to various leases and tenancies—namely, lease, Heath to Kate Isaacs, registered No. 72902; sublease, Kate Isaacs to Robert Hunt, registered No. 90487; memorandum of lease, Kate Isaacs to Hyman Radutsky, registered No. 10146; and to all other existing leases and tenancies:

And whereas the Wellington City Council, by memorial to His Excellency the Governor, prayed that the land above described should be taken and vested in the Mayor, Councillors, and Citizens of the City of Wellington, and inadvertently

no reference was made to the leases and tenancies before mentioned:

And whereas the estates and interests of the lessees under the above-mentioned leases are not required for the purpose for which the said land was taken, and an error in substance exists in the said Proclamation in that the said land is vested in the Corporation in fee-simple and not subject to the leases and interests above mentioned:

And whereas compensation in respect of the said land taken by the said Proclamation has not been paid or awarded:

Now, therefore, I, Arthur William de Brito Savile, Earl of Liverpool, Governor of the Dominion of New Zealand, in pursuance and exercise of the powers vested in me by the Public Works Amendment Act, 1909, and of all other powers enabling me in that behalf do hereby revoke the said Proclamation in so far as the same affects the estates and interests created by the following leases—namely, lease, Heath to Kate Isaacs, registered No. 72902; sublease, Kate Isaacs to Robert Hunt, registered No. 90487; memorandum of lease, Kate Isaacs to Hyman Radutsky, registered No. 10146; and to all other leases and tenancies existing on the twenty-seventh day of May, one thousand nine hundred and thirteen, to the intent that the estates and interests created by such leases and tenancies shall not be affected by the said Proclamation, and that the said land shall vest in the Mayor, Councillors, and Citizens of the City of Wellington subject to the leases and tenancies before mentioned.

Given under the hand of His Excellency the Right Honourable Arthur William de Brito Savile, Earl of Liverpool, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Member of the Royal Victorian Order, Governor and Commander-in-Chief in and over His Majesty's Dominion of New Zealand and its Dependencies; and issued under the Seal of the said Dominion, at the Government House at Wellington, this twenty-second day of September, in the year of our Lord one thousand nine hundred and fourteen.

EDUCATION RESERVE.—WALLACE COUNTY.—TAKITIMO
SURVEY DISTRICT.

LOTS 5, 6, and 7 of Run 166A: Area, 7,905 acres; upset annual rent, £300; term, 10 years.
Weighted with £1,321, valuation for improvements.

Description.

The country lies at an elevation of between 600 ft. and 1,200 ft. above sea-level, and alternates from flat and undulating land to downs and hills.

Much of it can be improved by cultivation and surface sowing, while the flats along Grassy Stream are good agricultural land. With the exception of some 100 acres around the homestead, which have been cultivated, the whole of the area is in its natural state, being mostly silver tussock and flax country, interspersed with areas of fern and manuka; and along the bank of the Waiau River there are some 130 acres of tawai and totara bush suitable for fencing-material.

The whole of the improvements are in good order, all the buildings having been erected within the last two years and a half.

The whole of the country is well watered, and is very suitable for both sheep and cattle farming. The homestead is distant from Tuatapere Railway-station twenty miles, and from Otautau Railway-station twenty-nine miles, both by good gravelled roads, with the exception of the last eight miles and a half, which are at present only formed. It is proposed to bridge the Wairaki River within the next twelve months.

Abstract of Conditions.

1. Rent from 1st April to 30th June, 1915, at rate offered, and lease and registration fees, to be paid on the fall of the hammer. Valuation for improvements to be paid before purchaser gets possession.

2. The term of the lease is ten years from 1st March, 1915, without right of renewal.

3. The tenant to pay all rates and taxes.

4. The Land Board reserves the right to lay off roads through the run where required.

5. The lessee to be allowed (with the consent of the Land Board) to cultivate for station purposes only, but not for sale, a reasonable area; provided that not more than one white crop and one green crop be taken off the land. Such land then to be laid down with good and sound grass and clover seeds of the descriptions and proportions usually sown in the district and most suitable for the land, and to remain in grass for a period of three years, after which period the same process of cultivation may be repeated. All such cultivation to be subject to inspection by the lessor or his agent.

6. Lessee to have the right to the bush for fencing and firewood, but not for sale.

7. Three months before the expiration of the lease a valuation to be made by arbitration of all improvements consisting of necessary buildings and fencing, the amount of such valuation to be payable by the incoming to the outgoing tenant. In the event of the lessee desiring to effect improvements (fencing and buildings) in addition to those already on the ground, it will be necessary to obtain the Land Board's permission, otherwise such improvements will not be made a subject of valuation.

8. Lease to be liable to forfeiture if conditions violated.

9. Possession will be given on 1st April, 1915.

Commissioner of Crown Lands.
