Trading indirectly with the Enemy.

Prime Minister's Office,
Wellington, 18th November, 1914.

IT is hereby notified for general information that the Government is satisfied that certain business companies and firms trading or professing to trade at Rotterdam and other ports of Holland are, in fact, either actually enemy-traders or agents for enemies of His Majesty. The custom of New Zealand merchants and traders is being solicited with the object, not of advancing trade between His Majesty's Empire and the neutral State of Holland, but of enabling the enemy to carry on trade with His Majesty's subjects through the medium of Dutch ports. The Government requests all persons in New Zealand receiving directly or indirectly proposals for such trade to forthwith communicate with the Minister of Industries and Commerce at Wellington, and to abstain from any such trade without the authority of the Minister. The Department of Industries and Commerce will, at the request of any New Zealand trader or merchant, cause inquiries to be instituted as to the character and antecedents of any company or firm soliciting such business from New Zealand.

Correspondence in Foreign Languages.

Postmaster-General's Office,
Wellington, 18th November, 1914.

THE Imperial authorities have found so much difficulty in censorship of letters and documents written in

Croatian and other uncommon languages sent from New Zealand to England for ultimate despatch to Austria-Hungary and elsewhere in Europe that it has been found necessary to direct that in future no letters or documents written or printed in languages other than English, French, Italian, or German shall be allowed to pass through the Post. All persons of any nationality must therefore write in one of those four languages. All letters and documents written or printed in other languages will be stopped by the New Zealand censor, and will not be permitted to pass from New Zealand.

THE NEW ZEALAND NAUTICAL ALMANAC AND TIDE-TABLES FOR 1915, AND SUPPLEMENT TO THE "NEW ZEALAND PILOT," EIGHTH EDITION, 1908.

Marine Department,
Wellington, N.Z., 18th November, 1914.

NOTICE is hereby given that the Marine Department has now published the "New Zealand Nautical Almanac and Tide-tables for 1915," with supplementary information to date relating to the "New Zealand Pilot," eighth edition, 1908.

The work contains over 500 pages, and over 30 folded maps and plans of harbours, wharves, &c., with latest alterations, and much information relating to the principal ports and harbours of New Zealand, and of value to mariners.

Courses and distances between all the principal ports in New Zealand, also between New Zealand, Australia, Fiji, South Africa, San Francisco, Vancouver, Panama, New York, and to England via Cape Horn and Panama, with the return via Cape Town, are given in the work.

Some very valuable nautical tables and examples of problems worked by their aid are published in the Almanac, which it is hoped will greatly encourage masters and officers generally to make a practice of determining the ship's position from two stars at twilight, as these tables make the problems very easy, and also enable the observer to make sure that he is taking the right star by the easy calculation of the approximate altitude; and the bearing of the stars is given at sight.

The publication may be obtained at the Government Shipping Offices at Wellington, Auckland, Lyttelton, and Dunedin; at the Customhouses at other ports, and from the booksellers who stock it. Price, 3s.

Notice to Persons in whom is vested Ecclesiastical Authority over Religious Bodies.

Registrar-General's Office,
Wellington, 18th November, 1914.

THE attention of the persons or person within the Dominion of New Zealand in whom is vested ecclesiastical authority over any of the religious bodies enumerated in the Third Schedule annexed to an Act of the General Assembly of New Zealand intitled the Marriage Act, 1908, and of all other persons concerned, is directed to the 11th section of the above-mentioned Act, requiring the several ecclesiastical authorities as aforesaid to send in to the Registrar-General, in the month of December in every year, a correct list of their Officiating Ministers within the meaning of the Marriage Act, 1908, of each of the said religious bodies.

The following are the religious bodies above referred to:—

- The Church of the Province of New Zealand, commonly called the Church of England.
- The Presbyterian Church of New Zealand.
- The Roman Catholic Church.
- The Methodist Church of New Zealand.
- All Congregational Independents.
- Baptists.
- The Lutheran Church.
- All Hebrew Congregations.
- The Society of Friends.

In default of any person having ecclesiastical authority over any of the religious bodies named above, the name of the Officiating Minister of any congregation of such religious body may be certified to by two recognized office-bearers thereof.

A minister of religion not connected with any of the aforesaid bodies must send to the Registrar-General in the month of December in each year a certificate signed—

- (a.) By the recognized head in New Zealand of the religious body to which he belongs; or
- (b.) By two duly recognized ministers of such religious body; or
- (c.) By ten adult members thereof, who append to their signatures their description as being such members, declaring that such minister is their Officiating Minister, the said signatures and descriptions being attested by some person who shall verify the signatures to the certificate as the genuine signatures of the persons whose they purport to be, by a statutory declaration signed by such person and appended to the certificate.

Neglect in sending the certificate will deprive the minister of his status as an Officiating Minister under the Marriage Act.

N.B.—It is requested that the *Christian names* and the *addresses* of the several ministers may be specified in the lists sent in to the Registrar-General.

In order to obviate the necessity for further inquiry, it is also requested that the reason for omitting the name of any minister be stated (such as on account of death, absence from New Zealand, or as the case may be).

F. W. MANSFIELD,
Registrar-General.

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,
Wellington.
