And whereas the provisions of the above-mentioned Act were not complied with, inasmuch as the poll of ratepayers on the proposal was taken on the twenty-fifth day instead of on a day not more than three weeks from the date of the last publication of the notice of intention to raise the loan as required by section eleven of the said Act and the amendments thereto :

And whereas it appears that the ratepayers have not been misled by such irregularity, and it is expedient to validate the same :

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the powers conferred on him by section one hundred and eleven of the Local Bodies' Loans Act, 1913, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth validate the said proceedings ; and doth hereby order and declare that the said public notifications of the special order authorizing the loan shall be valid to all intents and purposes, as though the same had been published in the proper manner, and that the proceedings in connection with the said loan shall not be called into question by reason only of the irregularity aforesaid.

WHEREAS the Masterton Borough Council did on the fifth day of March, one thousand nine hundred and fourteen, take a poll of the ratepayers on each of the following proposals, namely :—

(a.) To raise a loan of sixteen thousand five hundred pounds for the purpose of augmenting and extending the existing water-supply of the Borough of Masterton ; and, in pursuance thereof and in connection therewith, to lay down and construct an eighteen-inch main from the lower intake to the existing reservoir ; to lay down and construct a twelve-inch carrying main from the said reservoir to the junction of Pownall Street and Renall Street within the said borough ; to lay down and construct or extend water-mains in or to such roads or streets within the said borough as are not now served by the existing water-supply ; and generally to carry out and construct all such works as may be deemed necessary to complete the reticulation of the said borough for the purposes of water-supply : and

(b.) To raise a loan of ten thousand pounds for the purpose of erecting municipal buildings :

And whereas such proposals were duly declared to be carried, and the steps required to be taken by sections eight to twelve (both inclusive) of the Local Bodies' Loans Act, 1913, have been duly taken, and the provisions of such sections duly complied with, but the public notices and voting-papers referred to the Local Bodies' Loans Act, 1908, and its amendments and sections, instead of to the Local Bodies' Loans Act, 1913 : And whereas it appears that the ratepayers entitled to vote at such poll were not misled by such irregularity, and it is expedient to validate the same :

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the powers conferred by section one hundred and eleven of the Local Bodies' Loans Act, 1913, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby declare that the said poll and the proceedings in connection therewith are validated, and shall be valid to all intents and purposes ; and that the proceedings in connection with the said loan shall not be called in question by reason only of the fact that the said public notices and voting-papers referred to the raising of the said loan under the Local Bodies' Loans Act, 1908, and its amendments, instead of under the Local Bodies' Loans Act, 1913.

Clerk of the Executive Council.

6. The regulations made under the said Act by the Governor in Council on the 24th day of February, 1910, and gazetted on the 3rd day of March, 1910, are hereby modified in so far as they are in conflict with these regulations.

SCHEDULE.

MEMORANDUM of agreement, made this day of , 19 , between the several persons whose names, residences, and occupations are set out in the First Schedule hereto (hereinafter called "the purchasers"), of the one part, and [Name in full of owner of land proposed to be purchased, his occupation and residence] (hereinafter called "the vendor"), of the other part.

Whereas, in accordance with the provisions of the Land Settlement Finance Act, 1909 (hereinafter called "the said Act"), the purchasers desire to form themselves into a land-settlement association, and to purchase from the vendor the land described in the Second Schedule hereto at the price and subject to the provisions hereinafter contained: And whereas the vendor is willing to sell the land to the purchasers: Now, this agreement witnesseth,—

1. The purchasers hereby agree as between themselves to become incorporated under the said Act as the members of a land-settlement association under the name of "The Land Settlement Association" (hereinafter called "the said association").

2. As between the said association of the one part and the vendor of the other part it is hereby agreed as follows :—

(a.) The vendor agrees to sell and the said association agrees to purchase all that land described in the Second Schedule hereto for a legal estate in fee-simple in possession, free from all encumbrances, liens, or other interests vested in any person, other than rights-of-way or other easements or servitudes, at or for the price of per acre.

(b.) The purchase-money shall be paid either in cash or at the election of the association by debentures issued under the said Act by the said association, and bearing interest at £ per centum per annum, and the vendor will accept such debentures at their par value.

- (c.) Subject to the provisions of the next succeeding clause numbered 3, completion of the purchase shall be made, and possession of the said land shall be given and taken, on the day of 19 , being not earlier than three months after the date of this agreement: Provided that the date of completion may be extended for such period as is agreed on in writing by the association and the vendor.
3. As between all parties hereto it is hereby agreed as follows:—
- (a.) Notwithstanding anything in the last preceding clause contained regarding the time of completion of the purchase between the vendor and the said association, completion of such purchase shall not be made until the survey plan referred to in the next succeeding paragraph marked (b) is approved by the Chief Surveyor.
- (b.) Upon the application for confirmation of this agreement being made pursuant to section 7 of the said Act, if it appears to the Chairman of the Board of Land Purchase Commissioners subsequent to the preliminary investigations made by him that it is reasonably certain that the Board will ultimately report to the Minister of Finance that the agreement is fit and proper to be confirmed (with or without modifications as the case may be), then and in such case the vendor will, on receipt of notification from the said Chairman to that effect, and prior to such confirmation as aforesaid, cause a survey to be made showing the various allotments into which the land is to be subdivided in accordance with the provisions hereinafter contained, and with regard to such survey the following conditions shall apply:—
- (i.) The survey shall conform to the requirements of the Survey Office and the Land Transfer Draughtsman, and a proper plan shall be prepared to meet such requirements. The plan shall show such new roads (if any) as are necessary in order to provide for every allotment access to an existing public road, such new road to be not less than 66 ft. in width.
- (ii.) Upon the completion of the survey, the plan or a detailed tracing thereof shall be submitted to the Chairman of the said Board, who, if satisfied that the various subdivisions are correctly shown, shall procure to be endorsed thereon the written approval of each of the purchasers.
- (iii.) The vendor shall thereupon take steps to ensure that the original plan is lodged with the Survey Office for checking and approval.
- (iv.) The total area disclosed by the said plan as finally approved by the Chief Surveyor (including the area of any new roads laid out for the purpose of the subdivision of the land among the purchasers) shall be the area on which the purchase-money payable by the association to the vendor is calculated.
- (v.) Nothing in this clause contained shall be deemed in any manner whatsoever to prevent the said Board from reporting adversely on this agreement to the Minister of Finance.
- (vi.) Whether this agreement is or is not confirmed by Order in Council, the expenses incurred in or about such survey, and the preparation and approval of the said plan shall be paid and borne solely by the vendor.
4. As between the said association and the purchasers it is hereby agreed as follows:—
- (a.) The said land shall be subdivided into the several allotments described in the Third Schedule hereto, and delineated on the plan annexed hereto and marked "A."
- (b.) The distribution of the several allotments amongst the several purchasers shall be as follows:—
- | Allotment No. | To be allocated to  |
|---------------|---|
|               | [Or, The distribution of the several allotments amongst the several purchasers shall be decided by lot on or before the day of 19 ] |
|               | [Or, The method of distribution of the several allotments amongst the several purchasers shall be as follows (Set out).]            |
- (c.) The roads shown on the aforesaid plan (all of which are not less than 66 ft. in width) shall be dedicated as public roads, such dedicated roads, together with the existing roads on the land hereby agreed to be purchased, being sufficient to provide road access for every allotment as aforesaid.
- (d.) The said association will expend on the formation and metalling of the said dedicated roads, and the construction of bridges, culverts, and other requisite appurtenances to those roads, such sums of money (hereinafter referred to as "roading-money") as may be directed to be so expended in the Order in Council confirming this agreement.

- (e.) The purchase-money payable by the said association to the vendor and the aforesaid roading-money shall be allocated to the several aforesaid allotments in the proportions following, that is to say,—

Allotment No.	Proportion of Purchase-money.	Proportion of Roading-money.
---------------	-------------------------------	------------------------------

- (f.) The amounts named in the last preceding paragraph as the proportions of purchase-money (apart from roading-money) allocated to the several allotments are based on the amount of purchase-money that would be payable to the vendor assuming the area named in the Second Schedule to be the correct area of the land and the respective areas named in the Third Schedule to be the correct areas of the respective allotments, and all necessary adjustments shall be made so that the purchase-money payable to the vendor and the respective amounts allocated to the respective purchasers may be properly based on the correct areas: Provided that as between the purchasers the areas allotted and the purchase-money allocated may be varied as is agreed on between the purchasers concerned, the association, and the Chairman of the said Board.
- (g.) The said association will sell and each of the purchasers will purchase for an estate in fee-simple the allotment allocated to him under the scheme of distribution aforesaid, at a price equal to the proportion of the total purchase-money and roading-money which has been allocated to that allotment in the aforesaid scheme for the subdivision of those moneys specified in clause 3 (e) of this agreement, and subject to all provisions contained in the said Act, and regulations thereunder, with respect to such purchases.
5. The purchasers agree between themselves that each of them will respectively pay all costs and expenses duly incurred by them or any of them in the preparation, execution, or confirmation of this agreement, in such proportion as the price of the allotment allocated to each of them bears to the total purchase-money of the land, together with the total roading-money, as specified in clause 3 (e) of this agreement.

[Supplementary clauses, if any.]

Provided always, and it is hereby declared, that unless this agreement is confirmed by an Order in Council under the provisions of the said Act within six months after the date of this agreement it shall, on the expiration of the said period of six months (except as regards the matters referred to in clause 5 hereof), become null and void.

\* These remaining suburbs do not lie within borough boundaries, and particulars respecting them have not been obtained for the Vital Statistics. Closely correct annual statements of population outside boroughs are not obtainable.

In the above table are given the deaths and death-rates for each of the four cities, for the suburban boroughs severally, and for each city with its suburban towns.

Deaths occurring at hospitals, of persons not residents of the borough wherein the hospital is situated, have been allotted in each case to the borough where the disease was contracted, and not to that in which the death actually took place.

The inclusion of the suburban boroughs tends to lower the rate at each of the four centres.

								Death-rates per 1,000 of Population.	
Auckland City .. .. .	..	..	..	..	..	..	..	0.78	
and seven suburban boroughs	..	..	..	..	..	..	..		0.69
Wellington City .. .. .	..	..	..	..	..	..	..	0.80	
and four suburban boroughs	..	..	..	..	..	..	..		0.78
Christchurch City .. .. .	..	..	..	..	..	..	..	0.73	
and five suburban boroughs	..	..	..	..	..	..	..		0.68
Dunedin City .. .. .	..	..	..	..	..	..	..	0.89	
and five suburban boroughs	..	..	..	..	..	..	..		0.86

Including the suburbs, the rate at Dunedin is the highest and at Christchurch the lowest.

Compared with November, 1913, the results are,—

Auckland and suburbs .. .. .	..	..	..	..	..	..	..	1913.	1914.
Wellington and suburbs .. .. .	..	..	..	..	..	..	..	0.87	0.69

Dunedin and suburbs .. .. .	..	..	..	..	..	..	..	0.62	0.68
								0.78	0.86

The total births in the four chief cities and their suburban boroughs amounted to 600, against 678 in October, —a decrease of 78. The deaths in November were 228—a decrease of 40 as compared with the previous month. Of the total deaths males contributed 122, females 106. Forty-four of the deaths were of children under five years of age, being 19.30 per cent. of the whole number; 31 of these were under one year of age.

There were 89 deaths of persons of 65 years and upwards in the four chief cities and their suburban boroughs, as against 116 in October. The following table shows the classification:—

#### GENERAL DESCRIPTION.

Parahi Settlement, formerly the property of Messrs. Burch and Son, is situated in the Northern Wairoa District, from nine to thirteen miles from Ruawai on the Northern Wairoa River, and a similar distance from Matakoho. The proposed Waikiekie Railway-station will be from six to seven miles away, but the road of access thereto is not yet laid off.

Practically the whole of the estate is easy undulating country, nearly all in grass, and over half of it is suitable for dairying purposes. There is an abundance of good feed, and the drought-resisting qualities of the land are good.

The soil throughout is of a heavy nature, with a clay sub-soil on a sandstone and limestone formation. The clay is of a grayish nature, similar to that in the swamp country in the same locality. The estate is splendidly watered by never-failing streams and springs. On most of the sections a certain amount of bush has been left for shelter and other purposes, the principal trees being taraire, rimu, and puriri, the undergrowth being mostly nikau.

The fences and buildings are generally of good material, both the houses on the estate being built of heart of kauri. The roads where formed are 16 ft. wagon and cart roads. The only unformed roads are two or three short access roads, and provision is being made for their formation.

Commissioner of Crown Lands.

4. Deposits with tenders which are not accepted will be returned to the respective tenderers.

5. If the rental tendered by two or more tenderers is equal, and is higher than that offered by any other tenderer, the Board shall decide by lot which tender (if any) shall be accepted.

6. If from any cause whatever the Board shall be unable to grant a lease of any lot tendered for, the successful tenderer shall be entitled to a refund of his deposit, but shall have no claim for damages, compensation, or interest on the deposit.

7. Each successful tenderer shall be required, within fourteen days from the date on which the lease shall be tendered to him, to sign same in triplicate. In the event of his failure to do so, the Board may forfeit the rent paid by him, and again offer the land for lease, freed from any obligations to the defaulting tenderer.

8. Each successful tenderer, on being advised that his tender is accepted, must lodge a declaration to the effect that he is not prohibited under Part XII of the Native Land Act, 1909 (relating to limitation of area), from acquiring the area tendered for.

9. The leases will be issued subject to the provisions of the Native Land Acts and the regulations thereunder, and will contain, *inter alia*, the following provisions:—

- (a.) The term of the leases will be twenty-one years from 1st March, 1915, at the rental tendered, with right of renewal for one further term of twenty-one years at a rental assessed at 5 per cent. of the unimproved value of the land at the time of renewal, such valuation, in the event of dispute, to be determined by arbitration. Compensation for substantial improvement will be allowed to the lessee, as provided in section 263 of the Native Land Act, 1909.
- (b.) Lessee will have no right to minerals without special license, but he may use on the land any minerals for any agricultural, pastoral, household, road-making, or building purposes.
- (c.) Rent shall be payable half-yearly in advance. Lessee shall not assign the lease without the Board's consent. Lessee shall cultivate in a husbandlike manner and keep land free of noxious weeds. Lessee shall keep fences and buildings in repair.
- (d.) Lessee will not be permitted to assign his lease until after two years' occupation of the land.
- (e.) Lessee will fence without any right of resort to the Board for contribution on account of the Board owning adjacent land; but the provision shall not deprive the lessee of any rights he may have against any subsequent occupier, other than the Board, of such adjacent land.

10. The leases will be prepared by the Board at the cost of the lessee. The cost is £3 3s., together with the cost of stamping the same.

11. Forms of tender and declaration forms can be obtained at the post-offices at Napier, Taupo, and Rangitaiki, and at the Native Department Offices, Wellington and Wanganui.

Tenders must be sent to the office of the Aotea District Maori Land Board, Wanganui, and must be made on proper forms, to be obtained at the office of the Board and at the post-offices in the locality of the land to be offered.

CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION  
DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,
