THE following is a complete list, arranged in alphabetical order, in two parts, of candidates who in the Public Service Entrance and Intermediate Examinations of November, 1914, satisfied or completed the pass requirements of one or other examination. The numbers given are those on the Public Service list.

Included in the list are the names of candidates sitting for examination for the following purposes:—

(a.) For entrance to the Public Service (order-of-merit list preceding);

(b.) In competition for Education Board Senior Scholarships (subject to the regulations of the Education Boards concerned);

(c.) In qualification for Senior Free Places in secondary schools and district high schools; and

(d.) In qualification for the first examination of pupil-teachers (subject to the regulations of the several Education Boards).
