*Altering Boundaries of Masterton and Eketahuna Counties.*

[L.S.] LIVERPOOL, Governor.  
A PROCLAMATION.

WHEREAS it is provided by subsection two of section three of the Counties Amendment Act, 1913, that the boundaries of any one or more counties may be altered in accordance with a resolution proposing the alteration passed by the Council of each of such counties in which the principal Act is in force:

And whereas a resolution was passed by the Masterton County Council on the ninth day of February, one thousand nine hundred and fifteen, and sealed with the seal of the Council of the said county on the ninth day of February, one thousand nine hundred and fifteen: And whereas a similar resolution was passed by the Eketahuna County Council on the thirteenth day of February, one thousand nine hundred and fifteen, and sealed with the seal of the said county on the fifteenth day of February, one thousand nine hundred and fifteen, praying for the inclusion in the Eketahuna County of that part of the Masterton County described in the said resolutions and in the First Schedule hereto: And whereas it is expedient to make such alteration in accordance with the said resolutions:

Now, therefore, in pursuance and exercise of the power and authority conferred on me by the said Act, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, do hereby proclaim and declare that the area described in the First Schedule hereto, being now part of the Masterton County, shall, as from the date of the publication hereof in the *New Zealand Gazette*, be deemed to be added to and form part of the Eketahuna County; and, with the like power and authority, do proclaim and declare that the boundaries of the Counties of Masterton and Eketahuna respectively shall as from the aforesaid date be those set forth under their respective headings in the Second Schedule hereto.

FIRST SCHEDULE.

*Declaring a Portion of Railway Reserve at Ohakune to be Crown Land.*

[L.S.] LIVERPOOL, Governor.

A PROCLAMATION.

WHEREAS by section five of the Public Works Amendment Act, 1909, it is provided that in the case of any land taken, purchased, or acquired for a Government work, and not required for that purpose, the Governor may, on recommendation by the Minister, by Proclamation declare such land to be Crown land subject to the Land Act, 1908, and thereupon the land may be administered and disposed of under that Act accordingly:

And whereas the parcel of land described in the Schedule hereto has been, *inter alia*, acquired for the purposes of the North Island Main Trunk Railway by a Proclamation dated the thirty-first day of December, one thousand nine hundred and nine, and published in the *New Zealand Gazette* No. 1, of the thirteenth day of January, one thousand nine hundred and ten: And whereas the said parcel of land is not now required for the purposes of the North Island Main Trunk Railway, and the Minister has recommended that this Proclamation should be issued declaring such parcel of land to be Crown land:

Now, therefore, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred on me by section five of the Public Works Amendment Act, 1909, and of every other power and authority in anywise enabling me in this behalf, do hereby proclaim and declare the land described in the Schedule hereto to be Crown land subject to the Land Act, 1908.

*Declaring Land taken for a Public Work, and not required for such Public Work, to be Crown Land.*

[L.S.] LIVERPOOL, Governor  
A PROCLAMATION.

WHEREAS it is provided by section thirty of the Public Works Act, 1908, that if it is found that any land held, taken, purchased, or acquired at any time under this or any other Act or Provincial Ordinance, or otherwise howsoever, for any public work is not required for such public work the Governor may, by an Order in Council publicly notified and gazetted, cause the same to be sold under the conditions therein mentioned:

And whereas it is further provided by section five of the Public Works Amendment Act, 1909, that in the case of any land so taken, purchased, or acquired for a Government work and not required for that purpose the Governor may, on the recommendation of the Minister, and without complying with any other requirements of the aforesaid section thirty, by Proclamation declare such land to be Crown land subject to the Land Act, 1908, and thereupon the land may be administered and disposed of under that Act accordingly:

And whereas the land described in the Schedule hereto was taken for the purposes of a road: And whereas such road has been stopped, and it is desirable to declare the land contained therein to be Crown land: And whereas a plan has been prepared, and the Minister has recommended the Governor to declare such land to be Crown land:

Now, therefore, in pursuance and exercise of the powers and authorities conferred upon me by the above-in-part-recited Acts, and of all other powers in anywise enabling me in this behalf, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, do hereby declare the land described in the Schedule hereto to be Crown land subject to the Land Act, 1908, and that such land may be administered and disposed of under that Act accordingly.

*Authorizing the Otago Harbour Board to reclaim Land in Otago Harbour.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-ninth day of March, 1915.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS it is provided by the one-hundred-and-fifty-eighth section of the Harbours Act, 1908 (hereinafter called "the said Act"), that where a Harbour Board is desirous of executing or constructing upon lands vested in such Board or upon lands of the Crown any harbour-works of such a nature that the same could, but for this section, only be carried out and executed under the authority of a special Act, the Board may apply to the Governor in Council for a special order, and, if the Governor in Council thinks fit, such order may be made and granted:

And whereas the Otago Harbour Board (hereinafter called "the Board") is desirous of reclaiming from the sea certain land in Otago Harbour, and the said harbour-works are of such a nature as aforesaid, and the Board has applied to the Governor in Council for a special order authorizing the execution of the said harbour-works:

And whereas the conditions precedent to the granting of a special order prescribed by the said Act have been duly performed and observed, and it appears expedient that such order should be made:

And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby authorize and empower the Board to reclaim from the sea in Otago Harbour all the lands shown coloured red on sheet 1 of plan marked M.D. 4044, and deposited in the office of the Marine Department at Wellington, and the construction of rubble retaining-wall in connection therewith, such reclamation to be carried out and constructed in accordance with sheet 1 of plan marked M.D. 4044, subject to the provisions of the said Act; and the said harbour-works shall be completed within the period of ten years computed from the date of this Order in Council.

J. F. ANDREWS,  
Clerk of the Executive Council.

*Authorizing the Laying-off of a Street in the City of Christchurch of a Width less than 66 ft., but not less than 40 ft.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section twenty-five of the Municipal Corporations Amendment Act, 1913, it is, *inter alia*, provided that the Governor may by Order in Council authorize the Council to lay out streets and private streets of a width less than sixty-six feet, but not less than forty feet, for the purpose of connecting blind streets with other streets, but no such connecting street of a greater length than five chains shall be authorized:

And whereas Fiddes Lane in the City of Christchurch is a blind street, and the Christchurch City Council has applied for permission to lay out a street less than sixty-six feet, but not less than forty feet, for the purpose of connecting Fiddes Lane with Cornwall Street in the said city:

And whereas the connecting street is not of a greater length than five chains, and it is expedient to authorize the laying-out of the connecting street described in the Schedule hereto (hereinafter referred to as "the said connecting street"):

Now, therefore, in pursuance and exercise of the powers vested in him by the Municipal Corporations Amendment Act, 1913, and of all other powers in anywise enabling him in this behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby authorize the Christchurch City Council to lay off the said connecting street between Fiddes Lane and Cornwall Street in the City of Christchurch.

#### SCHEDULE.

THAT street in the City of Christchurch through portion of R.S. 311, Canterbury Land District, connecting Cornwall Street with Fiddes Lane, both in the said city, having a length of 406 links, more or less; as the said street is more

particularly delineated on the plan marked P.W.D. 37316, deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District, and thereon coloured purple.

*Amending Regulations for the Elections of Members of Harbour Boards.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-ninth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by Orders in Council dated the twenty-second day of February and the twenty-third day of March, one thousand nine hundred and eleven, and published in the *New Zealand Gazette* of the second day of March the thirtieth day of March, one thousand nine hundred

and eleven, respectively, certain regulations were made under sections seven and thirteen of the Harbours Amendment Act, 1910 (hereinafter referred to as "the said Act"), for the purposes therein set forth:

And whereas it is expedient to amend the said regulations in the manner hereinafter described:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by section seven of the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke regulation two of the said regulations of the twenty-third day of March, one thousand nine hundred and eleven, and doth hereby make the following regulation in lieu thereof.

#### REGULATION.

PROVIDED that such revocation shall not affect any matter or thing already done under the said regulations, but such matter or thing shall be deemed to have been done under the said regulations as amended by these regulations:—

#### ELECTIONS BY THE ELECTORS OF COMBINED DISTRICTS.

Subject to the express provisions of the hereinbefore-recited regulations, where one or more members of a Harbour Board are to be elected by the electors of a combined district under section 7 of the said Act, the provisions of sections 5 to 16 inclusive, 18 to 26 inclusive, 30 to 32 inclusive, 35 (except paragraph (d)), 36 to 39 inclusive, and 45 to 54 inclusive, of the Local Elections and Polls Act, 1908, and of section 2 of the Local Elections and Polls Amendment Act, 1911, and of sections 2 to 12 inclusive, 13 (subsection (2)), and 16 to 24 inclusive, of the Local Elections and Polls Amendment Act, 1913, shall apply to the elections of those members.

J. F. ANDREWS,  
Clerk of the Executive Council.

*Appointing a Person to hold Inquiry into an Application for Avoidance or Suspension of a Trade-mark.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the Patents, Designs, and Trade-marks Amendment Act, 1914, and the regulations thereunder, the Governor in Council may, on the application of any person, and subject to such terms and conditions (if any) as he may think fit, order the avoidance or suspension, in whole or in part, of any patent or license granted to a subject of any State at war with His Majesty, or of the registration of any trade-mark the proprietor whereof is a subject of any such State as aforesaid:

And whereas for the purpose of exercising in any case the powers of avoiding or suspending any such patent or license or the registration of any such trade-mark the Governor in Council may appoint such person or persons as he shall think fit to hold an inquiry:

And whereas an application, dated the twenty-sixth day of February, one thousand nine hundred and fifteen, and signed by Herbert Albert Reeves, of 15 Elm Street, London W.C., England, on behalf of Pearson's Antiseptic Company (Limited), of the same address, has been received for the avoidance or suspension of the registration of Trade-mark No. 6182, registered as of the fifteenth day of September, one thousand nine hundred and six, in the name of Schülke and Mayr, of Hamburg 21, in the German Empire, and consisting of the word "Lysol":

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the powers conferred upon him as aforesaid, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby appoint you,

JAMES CLARK LEWIS,

the Registrar of Patents, Designs, and Trade-marks, to forthwith hear the said application and to inquire into the matter of the same, and to report thereon to the Governor in Council on or before the thirtieth day of June, one thousand nine hundred and fifteen.

*License authorizing Edward Parker, Flax-miller, Blenheim, to use Water from Murphy's Creek, Blenheim, Marlborough Provincial District, for the Purpose of generating Electricity.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section five of the Public Works Amendment Act, 1908, it is enacted that the Governor may from time to time by Order in Council grant to any person or body corporate a license to use water from any fall, river, stream, or other source for the purpose of generating electricity for electric light, mechanical power, or other uses, and to exercise in respect of that purpose any of the powers and authorities specified in that behalf in the said section: And

whereas it is further provided by the said section that any such license may confer upon the licensee a right at any time or times during the continuance of the license (but subject to such conditions and restrictions as are expressed in the license) to enter upon any road, railway, or other land, whether vested in or occupied by the Crown, or any other person or body corporate, and there to construct, erect, lay down, maintain, renew, or repair all such cables, wires, and other things as are required for the transmission of electricity between the fall, river, stream, or other source aforesaid and any place to which the licensee is authorized to transmit electricity in pursuance of the license :

And whereas Edward Parker, of Blenheim, Flax-miller (who, with his successors and assigns, is hereinafter referred to as "the licensee"), has applied for a license under the said section to take and use water from Murphy's Creek, Blenheim, in the Provincial District of Marlborough (hereinafter referred to as "the said stream"), for the purpose of generating electricity as aforesaid, and it is expedient to issue such license accordingly :

Now, therefore, in pursuance and exercise of the powers conferred upon him as aforesaid, and of all other powers in anywise enabling him in that behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby grant to the licensee (subject to the terms and conditions set forth in the Schedule hereto) a license to take and use from the said stream, for the purposes hereinafter set forth, a stream of water (hereinafter referred to as "the said water") not exceeding one hundred cubic feet per second at any one time.

SCHEDULE.

1. UTILIZATION OF THE WATER.

The said water shall be used for the purpose of generating electricity, and shall be returned to the Omaka River at or near the power-house. Nothing in this license shall affect the liability of the licensee in respect to the riparian rights of the owner of any property affected by the diversion of the said water from the said stream to the Omaka River.

2. LOCATION OF HEADWORKS.

The said water shall be taken from the said stream at the headworks, situated near the junction of the said stream with the Omaka River in Section 5, Block XVI, Cloudy Bay Survey District, at a point indicated on the plan marked P.W.D. 36932, deposited in the office of the Minister of Public Works at Wellington, in the Provincial District of Wellington.

3. GENERAL DESCRIPTION OF WORKS.

The licensee is hereby authorized to construct, maintain, and use the following works for the purposes of this license; the position of the said works being indicated on the plan marked P.W.D. 36932 hereinbefore referred to.

- (a.) Headworks consisting of a dam and necessary intake.
- (b.) Race leading from such dam to the power-house hereinafter referred to.
- (c.) A power-house with all necessary equipment, including water-turbines, generators, lightning-arresters, switchboards, switches, and other appliances for generating electricity.

4. MAINTENANCE OF WORKS.

After the said works have been completed the licensee shall maintain the same in proper working-order during the continuance of this license.

5. POWER TO TAKE LAND.

The licensee is hereby empowered to take, under the Public Works Act, 1908, as for a public work such land as may, in the opinion of the Governor, be necessary to enable the licensee to construct and maintain the various works authorized by this license.

6. DURATION OF LICENSE.

This license shall, unless sooner determined in accordance with the provisions hereinafter expressed, continue in force for a period of forty-two years, commencing on the 1st January, 1915. Upon the expiry of the said term, or upon the sooner determination of this license by revocation or otherwise, all rights hereby granted to the licensee shall thereupon cease and determine; but such expiration or determination shall not relieve the licensee of any liability theretofore incurred under this license.

7. RENTAL.

The licensee shall, in respect of this license, pay to the Public Works Engineer at present stationed at Blenheim,

or otherwise as the Minister may from time to time require, a yearly rental of one-twentieth of a penny per unit for each unit generated and as recorded by a wattmeter to be installed by the licensee.

#### 8. GRANTING OF OTHER WATER-RIGHTS.

Nothing herein shall prevent the Governor in Council from granting to any person or body corporate other than the licensee a license to take water from any portion of the said stream, except at the place where the licensee is by this license empowered to take it; provided that no such license shall so operate as to reduce the natural fall between the headworks and tail-water, or the volume of the water which the licensee is by this license authorized to take from the said stream.

#### 9. FINES.

If the licensee fails or neglects—

- (a.) To use or maintain the said works, after completion, so as to secure the full benefit of the undertaking; or
- (b.) To observe any of the conditions or obligations herein imposed,—

then and in any such case the Governor may by Order in Council revoke this license.

#### 10. SERVICE OF NOTICE.

Notwithstanding anything in the last preceding clause, this license shall not be revoked, and no proceedings shall be taken for the recovery of a fine in respect of the breach thereof unless and until notice in writing of the intention so to revoke the license or to take such proceedings has been served upon the licensee, or placed upon some principal or conspicuous part of the works, and default has been made by the licensee in repairing or remedying the breach or breaches specified in the said notice for the following periods:—

- (a.) For any breach which in the opinion of the Governor can be met by a fine, for thirty days after the service of such notice.
- (b.) For any breach which in the opinion of the Governor is of such a nature as to require the revocation of this license, for ninety days after the service of such notice.

#### 11. VARIATION IN CONDITIONS OF LICENSE.

The terms and conditions of this license may at any time, or from time to time, at the request or with the consent in writing of the licensee, be altered by the Governor by Order in Council.

#### 12. SYSTEM OF SUPPLY.

The system of supply shall be two-wire direct current, with a pressure not exceeding 100 volts between the two conductors or between either conductor and the earth.

#### 13. NOTICES *re* EXTENSIONS, ETC.

Notices *re* any extensions or alterations should be sent to the Public Works Engineer at present stationed at Blenheim, and to the Telegraph Engineer, or his Deputy, at present stationed at Blenheim.

J. F. ANDREWS,  
Clerk of the Executive Council.

*License authorizing the Tokomaru Sheep-farmers Freezing Company (Limited) to erect Electric Lines at Tokomaru Bay, Waikato County.*

LIVERPOOL, Governor.

#### ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section two of the Public Works Amendment Act, 1911, it is provided that no person shall lay, construct, put up, place, or use any electric line except under the authority of a license issued to him by the Governor in Council under that Act:

And whereas the Tokomaru Sheep-farmers Freezing Company (Limited), (hereinafter referred to as "the said licensee"), desires to erect electric lines in Tawhiti 1B, 1F, and 1A, Blocks IV and IVA, Tokomaru Survey District, Hawke's Bay Land District (hereinafter referred to as "the said electric lines"), and it is expedient accordingly to issue a license in respect thereof under the said section:

Now, therefore, in pursuance and in exercise of the powers conferred on him by the said section, and of all other powers in anywise enabling him in this behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and

with the advice and consent of the Executive Council of the said Dominion, doth, subject to the conditions set forth in the Schedule hereto, hereby authorize the said licensee to erect and maintain the said electric lines for the purpose of supplying electricity to the premises marked on the plan P.W.D. 36148, deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District, such electric lines being indicated by red lines on the said plan.

#### SCHEDULE.

##### CONDITIONS.

#### 1. IN this license—

"Minister" means Minister of Public Works.

"Inspecting Engineer" means the Engineer or other officer appointed by the Minister for the purpose of inspecting the work to be constructed or maintained by the said licensee hereunder.

"Telegraph" includes telephone.

2. The conductors shall be at a minimum height of 20 ft. above the surface of the ground, and may be uninsulated.

3. The conductors shall be composed of stranded copper or aluminium. The size of the strand shall be not less than No. 20 standard wire gauge, and the number of strands shall not be less than seven.

4. The potential difference between the two wires or between either wire and the earth shall not exceed 220 volts direct current.

5. The main switchboard shall be made of and be mounted on material that is non-inflammable.

6. All outgoing feeders and distributors from the generating station shall be provided with automatic circuit-breakers or fuses, set to open circuit at 50 per cent. excess current over the rated full load of such feeder or distributor with a time-limit not exceeding ten seconds.

7. Every support for an aerial line shall be of durable material, and properly strengthened against forces due to wind-pressure, change of direction of the line, and unequal length of span. The factor of safety of such supports shall be at least four, taking into consideration all possible stresses, including wind-pressure at 30 lb. per square foot on plane surfaces and 18 lb. per square foot on cylindrical surfaces. The stress in the aerial conductors shall not exceed 25,000 lb. per square inch for copper and 12,500 lb. per square inch for aluminium in the extreme case of a temperature of 12° F. and a wind-pressure of 18 lb. per square foot of diametrical plane occurring simultaneously.

8. The said electric-light lines shall occupy the other side of the road to that taken by the existing telegraph and telephone lines, and all future extensions shall be run on one side only of roads or streets.

9. No work of any nature shall be erected or constructed upon, over, or under any part of the New Zealand Government Railways until the said licensee has obtained the consent of the Minister of Railways thereto as required by section 4 of the Government Railways Amendment Act, 1910 (No. 2).

10. Where lead-covered telephone cables or any open telegraph or other aerial wires are crossed above or beneath by the said electric-light lines, the latter wires shall be insulated with not less than 300-megohms-per-mile grade of vulcanized rubber, throughout the crossing-span, and over every such span they shall be suitably suspended from effectively earthed steel bearer-wires, if the Minister of Telegraphs shall so require. If required by the Minister of Telegraphs, efficient guard-wires or other protective devices shall be erected at crossings and places where electric-light wires intersect telegraph wires, or wherever such protection is deemed necessary. The licensee shall bear the cost of carrying out such protection.

Earth-wires, where led down poles, shall be protected by casing for a distance of 8 ft. from the ground.

11. All aerial wires shall be attached to suitable insulators, carried on cross-arms of suitable material and cross-section, and they shall be so attached to the insulator, or guarded, that they cannot fall away from the support. Conductors covered with insulating material shall be so attached that their insulation will not be impaired where they are secured to the insulator.

12. An aerial line shall be removed so soon as it has ceased to be used for the transmission of electricity, unless the said licensee intends within a reasonable time again to take it into use.

13. Where an aerial line crosses or is in proximity to any metallic substance, precautions shall be taken against the possibility of the line coming into contact with the metallic substance or of the metallic substance coming into contact with the line by breakage or otherwise.

14. Every aerial line, including its supports, its conductors, and their insulating covering, and all the structural parts

and electrical appliances and devices belonging to or connected with the said electric line, shall be duly and efficiently maintained as regards both electrical and mechanical conditions.

15. Service lines from aerial lines shall be taken from insulators, and shall not be tapped off between insulators. They shall be led as directly as possible to insulators firmly attached to some portion of the consumer's premises which is not accessible to any person without the use of a ladder or other special appliance. Every portion of any service line which is outside a building and within 7 ft. of any part of the building shall be rubber insulated.

16. Service wires shall not be less than No. 12 S.W.G. if solid, or 7/20 S.W.G. if stranded.

17. All metal pipes or coverings containing any electric line or wires shall be efficiently connected with earth, and shall be so jointed as to make good electrical connection throughout their whole length.

18. The said licensee shall be responsible for all electric lines, fittings, and apparatus belonging to him, or under his control, which may be upon a consumer's premises, being maintained in a safe condition and in all respect fit for supplying energy.

19. In delivering the energy to a consumer's terminals the said licensee shall exercise all due precautions so as to avoid risk of causing fire on the premises.

20. All electric lines and apparatus on a consumer's premises, excepting such parts as are required to be connected to earth, shall be highly insulated and be suitable for the voltage at which supply is being given. They shall be thoroughly protected against injury to the insulation and against the access of moisture, and any metal forming part of the electric circuit shall not, unless efficiently connected with earth, be exposed so that it can be touched. All electric lines shall be so fixed and protected as to prevent the possibility of electrical discharge to any adjacent metallic substance.

21. A suitable safety-fuse or other automatic circuit-breaker shall be inserted in each service line within a consumer's premises as close as possible to the point of entry, and contained within a suitable locked or sealed receptacle of fireproof construction.

22. The wiring shall be done from distributing-boards which shall be of incombustible material. Suitable fuses at each pole, fitted to engage in spring clips, shall be placed on these boards so that it shall be possible to disconnect any or all circuits from the supply. If double-pole switches are used on the distributing-board circuits, fuses need not then be of the type to engage in spring clips.

23. There must be an approved porcelain bridge or other efficient insulation between the terminals of lamp-holders, and where lamp-holders are liable to be handled by persons making good earth contact they shall be provided with non-conducting covers.

24. Insulation of conductors used for interior wiring shall be of vulcanized rubber of not less than 600-megohms-per-mile grade.

25. The said licensee shall not connect the wires and fittings on a consumer's premises with its mains, or, in the case of premises already connected, continue the supply from its mains, unless it is reasonably satisfied that the requirements of this license, as far as applicable, are being complied with, that the wiring and fittings are suitable to the voltage at which supply is being given, and that the connection or continuance of supply would not cause a leakage from those wires and fittings exceeding one ten-thousandth part of the maximum supply current to the premises; and where the said licensee declines to make such connection or to continue the supply it shall serve upon the consumer a notice stating the reasons of so declining.

26. If the said licensee is reasonably satisfied, after making all proper examinations by testing or otherwise, that the wiring and fittings are not suitable for the voltage being employed, that a leakage exists at some part of the circuit of such extent as to be a source of danger, and that such a leakage does not exist at any part of the circuit belonging to the said licensee, or that any other requirements of this license, so far as they apply to the consumer's premises, are not being complied with, then and in such case any officer of the said licensee duly authorized in writing may, for the purpose of discovering whether the leakage exists at any part of the circuit within or upon any consumer's premises, or whether the wiring is suitable, and the general requirements of this license are complied with, by notice require the consumer at some reasonable time after the service of the notice to permit inspection of the wires and fittings belonging to the consumer and forming part of the circuit.

27. If on such testing and inspection the officer discovers a leakage from the consumer's wires exceeding one ten-thousandth part of the maximum supply current to the premises, or that the requirements of this license are not properly conformed to, or if the consumer does not give all due facilities

for inspection and testing, the said licensee shall forthwith discontinue the supply of energy to the premises in question, giving immediate notice of the discontinuance to the consumer, and shall not recommence the supply until it is reasonably satisfied that the cause of leakage has been remedied, and that the installation is in conformity with these conditions.

28. If any consumer is dissatisfied with the action of the said licensee in refusing to give, or in discontinuing, or in not recommencing the supply of energy to his premises, the wires and fittings of that consumer may, on his application to the Minister and on payment of the cost of such inspection, be inspected and be tested for the existence of leakage by the Inspecting Engineer.

This provision shall be endorsed on every notice given under the provisions of either of the two last preceding clauses hereof.

29. From the time when the said licensee commences to supply energy through any distributing-main, and during the continuance of this license, it shall maintain continuously sufficient power for the use of all the consumers for the time being entitled to be supplied from such main; provided that for any purposes connected with the efficient working of the undertaking the Minister may give permission to the said licensee to discontinue the supply at such intervals and at such periods as he thinks expedient. When the supply is so discontinued, public notice shall be given when practicable of such discontinuance and of the probable duration thereof.

30. The variation of pressure at any consumer's terminals shall not under any conditions exceed 4 per cent. above or below the normal pressure at which he is being supplied.

31. The said licensee shall not use the said electric lines, or permit the same to be used, for any purpose until the Minister has given notice in writing to the said licensee that he has received from the Inspecting Engineer a certificate that the work hereby authorized has been satisfactorily carried out.

32. The Minister may at any time order an inspection to be made of the lines and wires of the said licensee. If any defect is found to exist it must be remedied forthwith, and if serious in the opinion of the Inspecting Engineer the Minister may, on the receipt of the report, direct the said licensee to at once cease transmitting energy either over the whole of the said electric lines and wires, or any part thereof, as to him may seem fit, until such defect is repaired or remedied. The cost of such inspections shall be borne by the said licensee.

33. After the supply of energy has begun, not less than fourteen days' notice in writing shall be given to the Resident Engineer of Public Works at Gisborne, and to the Telegraph Engineer for the district, his deputy, or such other officer as the Minister from time to time directs, of each alteration or further extension that the said licensee is about to make.

34. The said licensee shall, upon the receipt of an application from an occupier of any premises, within 60 ft. of any of the said licensee's public-supply lines, furnish such premises with electric energy upon the same terms and conditions on which any other consumer is entitled under similar circumstances to a corresponding supply.

35. The said licensee shall, before erection or construction of any part of the work hereby authorized is begun, submit for the approval of the Minister such plans and other information showing and describing such work as he may require.

36. The construction of the works hereby authorized shall be substantially commenced on or before the 1st day of April, 1915, and shall be completed on or before the 1st day of July, 1915.

37. The said licensee shall, prior to the completion of the said works, give to the Minister at least one month's notice in writing of the estimated date of such completion.

38. This license, and the benefits and obligations hereunder, shall not be assigned by the said licensee without the express consent in writing of the Minister first had and obtained; but such consent shall not be withheld if it is proved to the satisfaction of the Minister that the transferee is financially and otherwise able to carry out the obligations specified in this license.

39. If the said licensee fails to comply with any of the conditions of this license, the Minister may, by notice in writing, require the licensee within thirty days to remedy the default specified in that notice, and if the said licensee fails to comply with the terms of the notice within the said period, he shall be liable to a penalty of £10, to be recoverable by or on behalf of the Minister as a debt due to the Crown.

40. Notwithstanding anything in the last preceding clause of these conditions, if the said licensee fails to comply with the terms of any such notice for ninety days after the receipt thereof, the Governor in Council may thereupon revoke this license without further notice.

41. For the purpose of ascertaining whether the conditions of this license are being faithfully complied with by the said licensee, the Minister, or any person appointed by him in that behalf, may at all reasonable times enter on the lands and works and inspect the same.

42. Nothing in this license shall be deemed in any way to interfere with, affect, or abridge any rights or powers vested in His Majesty the King, or in the Governor on his behalf, authorizing the construction, management, or working of any public works, nor shall any compensation be payable to or on behalf of the said licensee for injury done to the works herein authorized by the construction, management, or working of any such public work as aforesaid, or for the loss occasioned thereby, or for the exercise of any such right or power as aforesaid.

43. Notwithstanding anything hereinbefore contained, the said licensee shall not be entitled to erect, maintain, or use the said electric lines except subject to such conditions, not inconsistent with the provisions of this license, as may from time to time be agreed on between the said licensee and the Waikato County Council.

44. This license shall come into force on and after the date of publication thereof in the *New Zealand Gazette*.

Clerk of the Executive Council.

*License authorizing the Christchurch Tramway Board to erect Electric Lines from the Trolley-wire in Lincoln Road to Messrs. Nairn and Son's Nurseries.*

LIVERPOOL, Governor.

#### ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-ninth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section two of the Public Works Amendment Act, 1911, it is provided that no person shall lay, construct, put up, place, or use any electric line except under the authority of a license issued to him by the Governor in Council under that Act :

And whereas the Christchurch Tramway Board (hereinafter referred to as "the licensee") desires to erect electric lines from the trolley-wire in Lincoln Road to connect with a three-horse-power motor situated on the premises at Messrs. Nairn and Son's Nurseries, Lincoln Road, in the Borough of Spreydon (hereinafter referred to as "the said electric lines"), and it is expedient accordingly to issue a license in respect thereof under the said section :

Now, therefore, in pursuance and in exercise of the powers conferred on him by the said section, and of all other powers in anywise enabling him in this behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth, subject to the conditions set forth in the Schedule hereto, hereby authorize the said licensee to erect and maintain the said electric lines for the purpose of supplying electrical energy to the aforesaid motor, such electric lines and the position of the premises being indicated on the plan marked P.W.D. 36685, deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District.

#### SCHEDULE.

##### CONDITIONS.

1. In this license the following words and phrases shall have the meanings hereby attached to them respectively :—

"Earthed" means connected to the general mass of earth in such a manner as to ensure at all times an immediate and safe discharge to earth of electric energy.

"Electric line" means any wire, wires, conductor, or other means used for conveying, transmitting, or distributing electricity for power, lighting, or heating purposes; and includes any instrument, insulator, casing, tubing, pipe-covering, or post enclosing or supporting an electric line, or anything connected therewith.

"Inspecting Engineer" means and includes any Inspecting Engineer appointed by the Minister to inspect the works to be constructed or maintained by virtue of electric-line licenses issued under the Public Works Act, 1908, and any or all of its amendments, or under any one or more of such amendments only, or any Act or Acts passed in amendment thereof or substitution therefor.

"Minister" means Minister of Public Works.

"Telegraph" includes telephone.

"Telegraph line" has the same meaning as "electric line" in the Post and Telegraph Act, 1908, and also includes all telegraph, telephone, and electric signaling wires belonging to the Government Railways Department.

2. The conductors shall not be less than 7/20 S.W.G. hard-drawn copper wires, firmly attached to porcelain insulators, and erected on supports placed not more than 150 ft. apart. The positive conductor shall be covered throughout, and the covering may consist of vulcanized indiarubber or of triple braiding thoroughly impregnated with weatherproof compound. The negative conductor may be bare.

3. The conductors shall be carried on substantial and durable supports, which shall be designed to have a factor of safety of four in the case of steel, iron, or ferro-concrete, and five in the case of wood, calculated upon the ultimate strength of the material, assuming the wind-pressure to be 20 lb. per square foot upon a plane surface, and 12 lb. per square foot upon a diametral plane upon a cylindrical surface.

4. The conductors shall not in any part thereof be at a less height than 18 ft. from the surface of the ground.

5. A single-pole fuse cut-out shall be inserted in the positive conductor, and arranged to operate with an overload of 100 per cent. above the rated full load of the circuit. Such fuse cut-out shall be placed in a suitable locked or sealed receptacle of fireproof construction fixed at a convenient height on the pole nearest the point where the positive conductor leaves the trolley-wire or feeder. At the distributing-point of a lighting circuit there shall be inserted in the positive conductor a single-pole switch, together with a fuse arranged to operate with an overload of 50 per cent. above the rated full load of such circuit. In a motor circuit there shall be provided, in the immediate vicinity of each motor connected thereto, a double-pole switch and fuse cut-out or circuit-breaker arranged to operate with an overload of 50 per cent. above the rated full load of the motor so controlled. Each motor shall be fitted with a no-volt release and a series resistance.

6. The negative conductor shall, in a lighting circuit, be continuous throughout its length from the lamps to the tramway-rail, to which it shall be effectively bonded, and in a motor circuit from the switch terminal to the tramway-rail, to which it shall be effectively bonded.

7. At telegraph-line crossings the conductors shall pass over or under, as may be decided by the Minister of Telegraphs. In every crossing-span the maximum tension in any conductor shall not exceed one-half the elastic limit of the conductor under the conditions of a minimum temperature of 12° F. and wind-pressure as specified in clause 3 occurring simultaneously. Efficiently earthed guard-wires, to the satisfaction of the Minister of Telegraphs, shall be erected where such protection may be considered necessary by the Minister of Telegraphs, and earth-wires where led down poles shall be protected by a casing for a distance of 8 ft. from the ground. Guard-wires shall be carried on substantial supports at a height of 2 ft. above the said electric lines if the telegraph lines pass over the said electric lines, or 2 ft. above the telegraph lines if they pass under the said electric lines. In addition to the above precautions, telegraph lines shall be suitably insulated if deemed necessary by the Minister of Telegraphs. The cost of all necessary guard-wires and special provisions required to comply with this clause, or deemed to be necessary as a protection to telegraph lines generally, shall be borne by the licensee when the telegraph lines are erected before the said electric lines. In cases where the said electric lines are erected before the telegraph lines, the licensee, on receipt of notice from the district Telegraph Engineer of the Post and Telegraph Department or his deputy that it is proposed to run a telegraph line along the route, shall forthwith make the necessary changes required to comply with this clause at any points at which the said electric lines already cross such routes, the cost of such changes being borne by the Post and Telegraph Department.

8. No work of any nature shall be erected or constructed upon, over, or under any part of the New Zealand Government Railways until the licensee has obtained the consent of the Minister of Railways thereto, as required by section 4 of the Government Railways Amendment Act, 1910 (No. 2).

9. The construction of the works hereby authorized shall be substantially commenced on or before the 1st day of May, 1915, and shall be completed on or before the 1st day of June, 1915.

10. The licensee shall, prior to the completion of the said works, give to the Minister at least seven days' notice in writing of the estimated date of such completion.

11. The licensee shall not use the said electric lines, or permit the same to be used, until the Minister has given notice in writing to the licensee that he has received from

Inspecting Engineer a certificate that the work hereby authorized has been satisfactorily carried out.

12. The said electric lines shall be duly and efficiently supervised and maintained by the licensee as regards both electrical and mechanical conditions, and shall not be permitted by the licensee to remain erected after they have ceased to be used for the supply of electricity.

13. This license, and the benefits and obligations hereunder, shall not be assigned by the licensee without the expressed consent in writing of the Minister first had and obtained; but such consent shall not be withheld if it is proved to the satisfaction of the Minister that the transferee is financially and otherwise able to carry out the obligations specified in this license.

14. The Minister may at any time order an inspection to be made of the said electric lines. If any defect is found to exist it must be remedied forthwith; and if, in the opinion of the officer or person inspecting, such defect is serious the Minister may, on receipt of the report, direct the licensee to at once cease transmitting energy either over the whole of the said electric lines or over any specified part thereof until such defect is repaired or remedied. In default of the licensee remedying the defect or ceasing to transmit energy the licensee shall be liable to a penalty of £20 for each day during which the defect remains if energy is transmitted, such penalty to be recoverable by or on behalf of the Minister as a debt due to the Crown. The cost of such inspection shall be borne by the licensee.

15. If the licensee fails to comply with any of the conditions of this license the Minister may, by notice in writing, require the licensee within thirty days to remedy the default specified in that notice; and if the licensee fails to comply with the terms of the notice within the said period, the licensee shall be liable to a penalty not exceeding £20, to be recoverable by or on behalf of the Minister as a debt due to the Crown.

16. Notwithstanding anything in the last preceding clause of these conditions, if the licensee fails to comply with the terms of any such notice for ninety days after the receipt thereof, the Governor in Council may thereupon revoke this license without further notice.

17. For the purpose of ascertaining whether the conditions of this license are being faithfully complied with by the licensee, the Minister, or any person appointed by him in that behalf, may at all reasonable times enter on the lands and works and inspect the said works.

18. Nothing in this license shall be deemed in any way to interfere with, affect, or abridge any rights or powers vested in His Majesty the King, or in the Governor on his behalf, authorizing the construction, management, or working of any public works; nor shall any compensation be payable to or on behalf of the licensee for injury done to the works herein authorized by the construction, management, or working of any such public works as aforesaid, or for the loss occasioned thereby, or for the exercise of any such right or power as aforesaid.

19. This license shall come into force on and after the publication thereof in the *New Zealand Gazette*.

J. F. ANDREWS,  
Clerk of the Executive Council

*License authorizing the Wellington City Council to erect Electric Lines from the Trolley-wire in Revans Street to the Wellington Public Hospital.*

LIVERPOOL, Governor.

ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-ninth day of March, 1915.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section two of the Public Works Amendment Act, 1911, it is provided that no person shall lay, construct, put up, place, or use any electric line except under the authority of a license issued to him by the Governor in Council under that Act:

And whereas the Wellington City Council (hereinafter referred to as "the licensee") desires to erect electric lines from the trolley-wire in Revans Street to connect with motors situated on the premises at the Wellington Public Hospital, Revans Street, Newtown, in the City of Wellington (hereinafter referred to as "the said electric lines"), and it is expedient accordingly to issue a license in respect thereof under the said section:

Now, therefore, in pursuance and in exercise of the powers conferred on him by the said section, and of all other powers in anywise enabling him in this behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth, subject to the conditions set forth in

the Schedule hereto, hereby authorize the said licensee to erect and maintain the said electric lines for the purpose of supplying electrical energy not exceeding 50 horse-power to the aforesaid motors, such electric lines and the position of the premises being indicated on the plan marked P.W.D. 37205, deposited in the office of the Minister of Public Works at Wellington, in the Wellington Provincial District.

## SCHEDULE.

### CONDITIONS.

1. In this license the following words and phrases shall have the meanings hereby attached to them respectively:—

"Earthed" means connected to the general mass of earth in such a manner as to ensure at all times an immediate and safe discharge to earth of electric energy.

"Electric line" means any wire, wires, conductor, or other means used for conveying, transmitting, or distributing electricity for power, lighting, or heating purposes; and includes any instrument, insulator, casing, tubing, pipe-covering, or post enclosing or supporting an electric line, or anything connected therewith.

"Inspecting Engineer" means and includes any Inspecting Engineer appointed by the Minister to inspect the works to be constructed or maintained by virtue of electric-line licenses issued under the Public Works Act, 1908, and any or all of its amendments, or under any one or more of such amendments only, or any Act or Acts passed in amendment thereof or substitution therefor.

"Minister" means Minister of Public Works.

"Telegraph" includes telephone.

"Telegraph line" has the same meaning as "electric line" in the Post and Telegraph Act, 1908, and also includes all telegraph, telephone, and electric signaling wires belonging to the Government Railways Department.

2. The conductors shall not be less than 7/14 S.W.G. hard-drawn copper wires, firmly attached to porcelain insulators, and erected on supports placed not more than 150 ft. apart. The positive conductor shall be covered throughout, and the covering may consist of vulcanized indiarubber or of triple braiding thoroughly impregnated with weatherproof compound. The negative conductor may be bare.

3. The conductors shall be carried on substantial and durable supports, which shall be designed to have a factor of safety of four in the case of steel, iron, or ferro-concrete, and five in the case of wood, calculated upon the ultimate strength of the material, assuming the wind-pressure to be 20 lb. per square foot upon a plane surface, and 12 lb. per square foot upon a diametral plane upon a cylindrical surface.

4. The conductors shall not in any part thereof be at a less height than 18 ft. from the surface of the ground.

5. A single-pole fuse cut-out shall be inserted in the positive conductor, and arranged to operate with an overload of 100 per cent. above the rated full load of the circuit. Such fuse cut-out shall be placed in a suitable locked or sealed receptacle of fireproof construction fixed at a convenient height on the pole nearest the point where the positive conductor leaves the trolley-wire or feeder. At the distributing-point of a lighting circuit there shall be inserted in the positive conductor a single-pole switch, together with a fuse arranged to operate with an overload of 50 per cent. above the rated full load of such circuit. In a motor circuit there shall be provided, in the immediate vicinity of each motor connected thereto, a double-pole switch and fuse cut-out or circuit-breaker arranged to operate with an overload of 50 per cent. above the rated full load of the motor so controlled. Each motor shall be fitted with a no-volt release and a series resistance.

6. The negative conductor shall, in a lighting circuit, be continuous throughout its length from the lamps to the tramway-rail, to which it shall be effectively bonded, and in a motor circuit from the switch terminal to the tramway-rail, to which it shall be effectively bonded.

7. At the telegraph-line crossings the conductors shall pass over or under, as may be decided by the Minister of Telegraphs. In every crossing-span the maximum tension in any conductor shall not exceed one-half the elastic limit of the conductor under the conditions of a minimum temperature of 32° F. and wind-pressure as specified in clause 3 occurring simultaneously. Efficiently earthed guard-wires, to the satisfaction of the Minister of Telegraphs, shall be erected where such protection may be considered necessary by the Minister of Telegraphs, and earth-wires where led down poles shall be protected by a casing for a distance of 8 ft. from the ground. Guard-wires shall be carried on substantial supports at a height of 2 ft. above the said electric lines if the telegraph lines pass over the said electric lines, or 2 ft. above the telegraph

lines if they pass under the said electric lines. In addition to the above precautions, telegraph lines shall be suitably insulated if deemed necessary by the Minister of Telegraphs. The cost of all necessary guard-wires and special provisions required to comply with this clause, or deemed to be necessary as a protection to telegraph lines generally, shall be borne by the licensee when the telegraph lines are erected before the said electric lines. In cases where the said electric lines are erected before the telegraph lines, the licensee, on receipt of notice from the District Telegraph Engineer of the Post and Telegraph Department or his Deputy, that it is proposed to run a telegraph line along the route, shall forthwith make the necessary changes required to comply with this clause at any points at which the said electric lines already cross such routes; the cost of such changes being borne by the Post and Telegraph Department.

8. No work of any nature shall be erected or constructed upon, over, or under any part of the New Zealand Government Railways until the licensee has obtained the consent of the Minister of Railways thereto, as required by section 4 of the Government Railways Amendment Act, 1910 (No. 2).

9. The construction of the works hereby authorized shall be substantially commenced on or before the 1st day of May, 1915, and shall be completed on or before the 1st day of August, 1915.

10. The licensee shall, prior to the completion of the said works, give to the Minister at least seven days' notice in writing of the estimated date of such completion.

11. The licensee shall not use the said electric lines, or permit the same to be used, until the Minister has given notice in writing to the licensee that he has received from the Inspecting Engineer a certificate that the work hereby authorized has been satisfactorily carried out.

12. The said electric lines shall be duly and efficiently supervised and maintained by the licensee as regards both electrical and mechanical conditions, and shall not be permitted by the licensee to remain erected after they have ceased to be used for the supply of electricity.

13. This license, and the benefits and obligations hereunder, shall not be assigned by the licensee without the expressed consent in writing of the Minister first had and obtained; but such consent shall not be withheld if it is proved to the satisfaction of the Minister that the transferee is financially and otherwise able to carry out the obligations specified in this license.

14. The Minister may at any time order an inspection to be made of the said electric lines. If any defect is found to exist it must be remedied forthwith; and if, in the opinion of the officer or person inspecting, such defect is serious the Minister may, on receipt of the report, direct the licensee to at once cease transmitting energy either over the whole of the said electric lines or over any specified part thereof until such defect is repaired or remedied. In default of the licensee remedying the defect or ceasing to transmit energy the licensee shall be liable to a penalty of £20 for each day during which the defect remains if energy is transmitted, such penalty to be recoverable by or on behalf of the Minister as a debt due to the Crown. The cost of such inspection shall be borne by the licensee.

15. If the licensee fails to comply with any of the conditions of this license the Minister may, by notice in writing, require the licensee within thirty days to remedy the default specified in that notice; and if the licensee fails to comply with the terms of the notice within the said period, the licensee shall be liable to a penalty not exceeding £20, to be recoverable by or on behalf of the Minister as a debt due to the Crown.

16. Notwithstanding anything in the last preceding clause of these conditions, if the licensee fails to comply with the terms of any such notice for ninety days after the receipt thereof, the Governor in Council may thereupon revoke this license without further notice.

17. For the purpose of ascertaining whether the conditions of this license are being faithfully complied with by the licensee, the Minister, or any person appointed by him in that behalf, may at all reasonable times enter on the lands and works and inspect the said works.

18. Nothing in this license shall be deemed in any way to interfere with, affect, or abridge any rights or powers vested in His Majesty the King, or in the Governor on his behalf, authorizing the construction, management, or working of any public works; nor shall any compensation be payable to or on behalf of the licensee for injury done to the works herein authorized by the construction, management, or working of any such public works as aforesaid, or for the loss occasioned thereby, or for the exercise of any such right or power as aforesaid.

19. This license shall come into force on and after the publication thereof in the *New Zealand Gazette*.

*Licensing the Hokianga Meat Supply Company (Limited) to use and occupy a Part of the Foreshore at Rawene, Hokianga Harbour, as a Site for a Store.*

LIVERPOOL, Governor.

ORDER IN COUNCIL

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned under the Harbours Act, 1908 (hereinafter called "the said Act"), the Hokianga Meat Supply Company (Limited), (hereinafter called "the company") has applied to the Governor in Council for a license under the said Act to occupy a part of the foreshore at Rawene, in Hokianga Harbour, in order to erect and maintain a store thereon; and, in accordance with the one-hundred-and-fiftieth section of the said Act, has deposited a plan in the office of the Marine Department at Wellington (marked M.D. 4402), showing the area of foreshore intended to be occupied, and the manner in which it is proposed to erect the said store on site marked No. 6 on the said plan:

And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation, and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council:

And whereas it is expedient that a license should be granted and issued to the company under the said Act for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the object for which the said license is required by the company as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore on which the said store is to be erected, as shown on the plan so deposited as aforesaid, for the purpose of erecting and maintaining the said store thereon, such license to be held and enjoyed by the company upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore necessary for the erection of the store as shown on site No. 6 on the plan marked M.D. 4402.

3. In consideration of the concessions and privileges granted by this Order in Council the company shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £5 payable in advance, dating from the date hereof, the first of such annual payments to be made on the company being supplied with a copy of this Order in Council.

4. His Majesty or the Governor, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said store without payment.

5. The company shall maintain the above-mentioned store in good order and repair.

6. Any person authorized by the Minister may, at all reasonable times, enter upon the said store and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the company a notice in writing of any defect or want of repair in such store, requiring it within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the company to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

8. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for fourteen

years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the previous written authority of the Minister first obtained.

9. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the company in New Zealand.

10. The company shall be liable for any injury which the said store may cause any vessel or boat to sustain through any default or neglect on its part.

11. In case the company shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said store for a period of thirty days;
- (3.) Be in any manner wound up or dissolved; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in either of the said cases this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the company or other proceedings whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

12. The erection of the said store shall be sufficient evidence of the acceptance by the company of the terms and conditions of this Order in Council.

Clerk of the Executive Council.

*Licensing Maurice Alfred Harding to occupy a Part of the Foreshore at Gumstore Creek, Kaipara Harbour, as a Site for a Wharf.*

LIVERPOOL, Governor

ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned, Maurice Alfred Harding (hereinafter called "the licensee") has applied to the Governor in Council for a license under the Harbours Act, 1908 (hereinafter called "the said Act"), to occupy a part of the foreshore and land below low-water mark at Gumstore Creek, Kaipara Harbour, in order to erect and maintain thereon a wharf, as shown on plan M.D. 3733, which was approved by His Excellency the Governor in Council on the fifth day of September, one thousand nine hundred and eleven; and, in accordance with the one-hundred-and-fiftieth section of the said Act, has deposited a plan in the office of the Marine Department at Wellington (marked M.D. 4393), showing the place where it is intended to erect such wharf, the area of foreshore and land below low-water mark to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council, without modification or addition: And whereas it is expedient that a license under the said Act, for the purpose aforesaid, should be granted and issued to the licensee, on the terms and conditions set forth in the Schedule hereto:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore and land below low-water mark which are particularly shown and delineated on the plan marked M.D. 4393 so deposited as aforesaid, for the purpose of constructing or

erecting thereon a wharf; such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

#### SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark necessary for the erection of such wharf, which are shown on the plans marked M.D. 4393, and deposited in the office of the Marine Department as aforesaid.

3. In consideration of the concessions and privileges granted by this Order in Council, the licensee shall pay to the Minister an annual sum of £1, in advance, the first of such annual payments to be made on the licensee being supplied with a copy of this Order in Council.

4. His Majesty, or the Governor, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, over, and out of the said wharf without payment.

5. All persons shall at all reasonable times, and upon payment of the proper dues, have free and full liberty to use the said wharf, and all rights of ingress and egress thereon and therefrom.

6. The licensee shall maintain the above-mentioned wharf in good order and repair, and shall at all times exhibit therefrom, and maintain at his own cost, suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

7. Any person authorized by the Minister may at all reasonable times enter upon the said wharf and view the state of repair thereof; and upon the Minister leaving at or posting to the last known address of the licensee a notice in writing of any defect or want of repair in such wharf, requiring him, within a reasonable time, to be therein prescribed, to make good the same, he shall with all convenient speed cause such defect to be removed or such repairs to be made, as the case may be.

8. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or with any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulation made thereunder, and that are now or may hereafter be in force.

9. The rights, powers, and privileges conferred by or under this Order in Council shall continue in force for fourteen years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

10. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the licensee.

11. The licensee shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on his part.

12. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said wharf for a period of thirty days;
- (3.) Fail to pay the sum specified in clause 3 of these conditions; or
- (4.) Become bankrupt, or be brought under the operation of any law for the time being in force relating to bankruptcy,—

then and in either of the said cases this Order in Council, and every license, right, power, or privilege thereby conferred, may be revoked and determined by the Governor in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

13. The erection of the said wharf shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.

J. F. ANDREWS,  
Clerk of the Executive Council.

*Licensing the Use and Occupation of certain Parts of the Foreshore of Hokianga River at Rawene.*

LIVERPOOL, Governor.

ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned under the Harbours Act, 1908 (hereinafter called "the said Act"), Heremia te Wake, Kahi Tipene, Moki Mitikakau, and Hohepa Heperi, as trustees for the Native inhabitants of the district (hereinafter called "the licensees"), have applied to the Governor in Council for a license under the said Act to occupy part of the foreshore at Rawene, in Hokianga Harbour, as shown on plan M.D. 4357, deposited in the office of the Marine Department at Wellington, in accordance with the one-hundred-and-fiftieth section of the said Act, for the purpose of erecting and maintaining a market-house: And whereas it has been made to appear to the Governor in Council that the proposed works will not be or tend to the injury of navigation, and the plans mentioned herein have, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas it is expedient that a license should be granted and issued to the licensees under the said Act for the purposes aforesaid, on the terms and conditions set forth in the Schedule hereto:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose for which the said license is required by the licensees as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensees to use and occupy that part of the foreshore as shown numbered 8 on the plan deposited as aforesaid, for the purpose of erecting and maintaining the said structures thereon, such license to be held and enjoyed by the licensees upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. IN these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore necessary for the erection of the said market-house as shown on plan M.D. 4357.

3. In consideration of the concessions and privileges granted by this Order in Council the licensees shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £4 payable in advance, dating from date hereof.

4. His Majesty, or the Governor, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said market-house without payment.

5. The licensees shall maintain the above-mentioned market-house in good order and repair; and, in respect of their respective erections, shall at all times exhibit therefrom and maintain at their own cost suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

6. Any person authorized by the Minister may at all reasonable times enter upon the said market-house and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensees, or any of them, a notice in writing of any defect or want of repair in such market-house, requiring them or him within a reasonable time, to be therein prescribed, to repair the same, they or he shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the licensees to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regu-

lations made thereunder, and that are now or may hereafter be in force.

8. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for fourteen years from the date hereof, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensees shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

9. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the licensees, or either of them, three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the licensee in respect of whose right it is given.

10. The licensees shall be liable for any injury which the said market-house may cause any vessel or boat to sustain through any default or neglect on their part.

11. The erection by any of the licensees of the said market-house which they are respectively authorized by this Order in Council to construct shall be sufficient evidence of the acceptance by such licensees of the terms and conditions of this Order in Council.

12. In case any of the licensees shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said market-house for a period of thirty days;
- (3.) Become bankrupt, or be in any manner brought under the operation of any Act for the time being in force relating to bankruptcy; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in either of the said cases every right, power, or privilege granted to him by this Order in Council may be revoked and determined by the Governor in Council without any notice to the licensees or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that the license, rights, and privileges thereby granted and conferred have been revoked and determined so far as concerns the persons in respect of whom the revocation is made.

*Revoking Order in Council licensing George John Smith to use and occupy a Part of the Foreshore and Land below Low-water Mark of Oruawharu River, Kaipara Harbour, as a Site for a Wharf.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by Order in Council dated the fifth day of September, one thousand nine hundred and eleven, and published in the *New Zealand Gazette* No. 71, of the seventh day of the same month, His Excellency the Governor in Council did, in pursuance of the provisions of the Harbours Act, 1908, license George John Smith to use and occupy a part of the foreshore and land below low-water mark of Oruawharu River, Kaipara Harbour, in order to maintain thereon a wharf erected in accordance with plan marked M.D. 3733, and deposited in the office of the Marine Department at Wellington, and upon and subject to the terms and conditions therein set forth: And whereas the rights, powers, and privileges granted by the said Order in Council have, with the Minister's written consent, been transferred to Maurice Alfred Harding: And whereas it is desirable that the said license should be revoked:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the Harbours Act, 1908, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke and determine the said recited Order in Council of the fifth day of September, one thousand nine hundred and eleven, and the rights and privileges thereby conferred.

*Regulations extending Powers of Associations under the Mutual Fire Insurance Amendment Act, 1913.*

LIVERPOOL, Governor.  
ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS it is provided by section two of the Mutual Fire Insurance Amendment Act, 1913, that the Governor may from time to time, by Order in Council gazetted, make regulations for the extension, subject to such conditions and restrictions as he thinks fit, of the powers of associations under the Mutual Fire Insurance Act, 1908, for

the purpose of enabling such associations to undertake the insurance or indemnity of their members against liability to pay compensation or damages in respect of accidents to workers employed by them: And whereas it is considered desirable to make such regulations:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make and prescribe the regulations set forth in the First Schedule hereto; and doth declare that the same shall take effect from the date of publication of this Order in Council in the *New Zealand Gazette*, and shall apply only to the associations named in the Second Schedule hereto.

FIRST SCHEDULE.

INTERPRETATIONS.

1. IN these regulations, if not inconsistent with the context,—
  - “Accident insurance” means the insurance or indemnity of the members of an association against their liability under the Workers' Compensation Act, 1908, and at common law, in respect of accidents to workers employed by them.
  - “Association” means an association established under the Mutual Fire Insurance Act, 1908, and to which these regulations apply.
  - “Board” means the Board of Directors of an association elected in accordance with the Mutual Fire Insurance Act, 1908.
  - “Financial period” means a yearly period ending on 31st March.

ACCIDENT-INSURANCE BUSINESS MAY BE UNDERTAKEN.

2. Any association named in the Second Schedule hereto may by a resolution passed at a special meeting of its members set up an Accident Branch for the transaction of accident-insurance business.

COPY OF RESOLUTION TO BE FILED.

3. A copy of such resolution, certified as correct by the secretary of the association, shall be filed with the Registrar or Assistant Registrar of Companies of the district wherein the place of business of the association is situated, and a similar copy shall also be filed with the Public Trustee.

WORKERS IN MINES OR SHIPS NOT TO BE COVERED.

4. No indemnity under an accident-insurance policy shall be issued to a member in respect to his liability for injuries to workers employed by him in or about any mine or ship.

LIMIT OF LIABILITY AT COMMON LAW.

5. The amount which an association undertakes to pay and make good in regard to a member's liability at common law in respect of injury to any one worker shall in no case exceed the sum of £500.

PREMIUMS TO BE PAID IN CASH.

6. All premiums in respect of contracts of accident insurance issued by an association shall be payable in cash within fourteen days of the commencement of the insurance and any renewal thereof, and, together with all interest accruing from the investments hereinafter provided for and other sums received on account of the Accident Branch, shall be deposited to the credit of the association in a separate bank account to be called the Association's Accident Branch Bank Account.

ACCIDENT BRANCH BANK ACCOUNTS.

7. No payments shall be made out of the Accident Branch Bank Account except as follows:—
  - (a.) Claims in respect of accident-insurance policies issued hereunder, and legal, medical, and other expenses in connection with such claims.
  - (b.) Expenses of management of the Accident Branch, including commission (if any) and such proportion of the salaries and other expenses common to the fire and accident insurance business of an association as a whole as the premium income of the Accident Branch bears to the total premium income of the association as respects both fire and accident insurance.
  - (c.) Investments made on behalf of the Accident Branch as hereinafter provided for.
  - (d.) Transfer of profit to the association as hereinafter provided for.

INVESTMENTS.

8. If at any time the balance to the credit of the Accident Branch Bank Account is more than is, in the opinion of the Board, necessary for the payment of the amounts for the time

being chargeable to that account, the Board may invest such surplus moneys in securities of the Government of New Zealand, or by way of deposit with any bank or building society or investment company.

**ACCIDENT BRANCH FUNDS NOT LIABLE FOR LOSSES EXCEPT THOSE RELATING TO ACCIDENT INSURANCE.**

9. The balance at the credit of the Accident Branch Bank Account, the investments made under the immediately preceding regulation, and the assets of the Accident Branch (including those representing the Accident Branch Reserve Fund), shall not be available for any other purpose than the business of the Accident Branch.

**PROFITS.**

10. The profits arising from the accident-insurance business may be transferred from the Accident Branch Bank Account to the association at the end of a financial period, subject to provision being made for—

- (a.) Unearned premiums (not to be less at the end of a financial period than 40 per cent. of the current year's premiums);
- (b.) All outstanding claims under accident-insurance policies;
- (c.) All other outstanding accounts; and
- (d.) Such reserve fund as the Governor in Council approves.

The said reserve fund shall be called the Accident Branch Reserve Fund, and shall not be diminished except with the approval of the Governor in Council.

**ACCIDENT-INSURANCE CLAIMS TO TAKE PRECEDENCE.**

11. In the event of the accident-insurance funds of an association not being sufficient to meet a claim for which a member holding an accident-insurance policy is liable to an injured worker or his representatives, such member shall have a claim on the total assets of the association other than the amounts still payable upon premium-notes or undertakings on hand.

**STATEMENTS AND ACCOUNTS.**

12. Every association transacting accident-insurance business shall prepare a revenue account for each financial period, and a balance-sheet as at the close of such financial period, in the form in the Third Schedule hereto. Such revenue accounts and balance-sheets shall be audited by an accountant who is a member of the New Zealand Society of Accountants, and the originals, signed by the Secretary of the Association, together with three copies thereof, shall be deposited with the Minister of Finance within four months after the close of the financial period.

**CONDITIONS OF POLICIES.**

13. The provisions of section 61 of the Workers' Compensation Act, 1908, as to the provisions and conditions of policies being approved by the Governor in Council shall apply to accident-insurance policies issued by every mutual fire-insurance association.

**SECOND SCHEDULE.**

Hawke's Bay Farmers' Mutual Fire-insurance Association.  
 Otago Farmers' Union Mutual Fire-insurance Association.  
 The Taranaki Farmers' Mutual Fire-insurance Association.

#### *Withdrawing Lands from the Operation of the Kauri-gum Industry Act, 1908.*

LIVERPOOL, Governor

#### ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-fifth day of March, 1915.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS the Commission appointed under the Commissions of Inquiry Act, 1908, to inspect and classify kauri-gum reserves, in its report dated the third day of July, one thousand nine hundred and fourteen, printed in parliamentary paper C.-12 (1914), recommended that the reservation should be uplifted over certain areas in certain kauri-gum reserves as therein specified:

And whereas by section five of the Reserves and other Lands Disposal and Public Bodies Empowering Act, 1914, it is enacted that the Governor may, by Order in Council gazetted, declare that the lands specified in the last column of the schedule of reserves set out in the above-recited report of the Commission shall as from a date to be specified in the said Order in Council cease to be subject to the Kauri-gum Industry Act, 1908, and on and after the date so specified, the lands to which the Order in Council relates shall become subject to the provisions of the Land Act, 1908.

Now, therefore, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, and in pursuance and exercise of the power and authority conferred upon me by section five of the Reserves and other Lands Disposal and Public Bodies Empowering Act, 1914, do hereby order and declare that from and after the first day of April, one thousand nine hundred and fifteen, the lands described in the Schedule hereto shall cease to be subject to the Kauri-gum Industry Act, 1908.

*Special Regulations for Deer-shooting, Waitaki.*

LIVERPOOL, Governor.

IN exercise of the powers vested in me by the Animals Protection Act, 1908, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, do hereby make the following regulations prescribing the conditions under which certain red deer may be destroyed in the Waitaki-Waimate District.

REGULATIONS.

1. NOTWITHSTANDING anything contained in the regulations made under the Animals Protection Act, 1908, the Secretary of the Waitaki Branch of the Waitaki-Waimate Acclimatization Society at Oamaru, or any person or persons duly authorized in writing by such Secretary, may, during the period hereinafter mentioned, kill red deer of either sex and of any age which, in the opinion of the said Secretary or of the said authorized persons, should be destroyed either by reason of age, deformity, or other physical imperfection.

2. Such deer may be destroyed as aforesaid during the period commencing on the 1st April and ending on the 20th May.

3. A return shall be furnished to the Minister of Internal Affairs by the said Secretary within one calendar month after the expiry of the aforesaid period, and such return shall state the number and sexes of all red deer so destroyed as aforesaid, the dates, and name of the person by whom and the locality in which the deer were destroyed.

4. The bodies of such deer may be sold either by auction or otherwise, and the proceeds devoted to the Belgian Relief Fund.

5. Any person who commits a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding £20.

As witness the hand of His Excellency the Governor,  
this twenty-ninth day of March, one thousand nine hundred and fifteen.

H. D. BELL,  
Minister of Internal Affairs.

*Special Regulations for Deer-shooting, Otago.*

LIVERPOOL, Governor.

IN exercise of the powers vested in me by the Animals Protection Act, 1908, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, do hereby make the following regulations prescribing the conditions under which certain red and fallow deer may be destroyed in the Otago Acclimatization District.

REGULATIONS.

1. NOTWITHSTANDING anything contained in the regulations made under the Animals Protection Act, 1908, dated 3rd March, 1915, the Secretary of the Otago Acclimatization Society at Dunedin, or any person or persons duly authorized in writing by such Secretary, may, during the period hereinafter mentioned, kill red and fallow deer of either sex and of any age which, in the opinion of the said Secretary or of the said authorized persons, should be destroyed either by reason of age, deformity, or other physical imperfection.

2. Such deer may be destroyed as aforesaid during a period from 1st April to 31st December, 1915.

3. A return shall be furnished to the Minister of Internal Affairs by the said Secretary within one calendar month after the expiry of the aforesaid period, and such return shall state the number and sexes of all red and fallow deer so destroyed as aforesaid, the dates, and name of person by whom and the locality in which the deer were destroyed.

4. Nothing herein contained shall extend to authorizing any person to sell any deer or any portion thereof.

5. Any person who commits a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding £20.

As witness the hand of His Excellency the Governor,  
this thirty-first day of March, one thousand nine hundred and fifteen.

H. D. BELL,  
Minister of Internal Affairs.

*Changing the Purpose of Portion of a Reserve in Lewis Survey District, Nelson Land District.*

LIVERPOOL, Governor.

WHEREAS the land described in the Schedule hereto forms portion of a reserve heretofore duly set apart for purposes of public utility, being a reserve within Class II of the Second Schedule of the Public Reserves and Domains Act, 1908, and such land has not been vested in trust in any society, body corporate, or trustees:

Warrant vesting Control of the Turanganui Bridge in the Gisborne Borough Council, and apportioning Cost of Maintenance.

LIVERPOOL, Governor.

WHEREAS by section one hundred and twenty of the Public Works Act, 1908 (hereinafter called "the said Act"), it is, *inter alia*, enacted that the Governor may, by Warrant under his hand publicly notified and gazetted, direct that any bridge already constructed, or which may hereafter be constructed, over or across any river or arm of the sea respectively shall, from and after a date fixed in such Warrant, be under the exclusive care, control, and management of such local authority as shall be mentioned in that behalf in such Warrant; and may by any such Warrant as aforesaid fix and determine whether all or any, and, if so, what, part of the cost, whether theretofore incurred or thereafter to be incurred, of maintaining, repairing, improving, or

reconstructing any such bridge is to be provided and paid by the local authority or local authorities; and may by any such Warrant as aforesaid direct how, when, and to whom any such payment is to be made:

And whereas by the said section one hundred and twenty it is, *inter alia*, provided that the Governor may, with a view of determining what proportion (if any) of the cost of maintaining any work should be borne by any local authority or local authorities, direct any Magistrate or other person to be a Commissioner to inquire into and report to him upon any matter which he shall deem necessary to enable him to determine any such question aforesaid:

And whereas a Commissioner was appointed for the purpose as aforesaid and an inquiry duly held:

And whereas such Commissioner should report to the Governor, after due inquiry, his opinion thereon:

And whereas the Governor is of opinion that it is equitable that the cost of maintaining the bridge mentioned in the Schedule hereto shall be provided and paid in the manner and in the proportions hereinafter respectively set forth:

Now, therefore, I, Arthur William de Brito Savile, Earl of Liverpool, the Governor of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities vested in me by the said Act, and of every other power and authority in anywise enabling me in this behalf, do hereby direct that the bridge described in the Schedule hereto, and known as the Turanganui Bridge (hereinafter called "the said bridge"), shall, from and after the first day of April, one thousand nine hundred and fifteen, be under the exclusive care, control, and management of the Gisborne Borough Council; and, in further pursuance and exercise of the powers aforesaid, I do hereby fix and determine that the cost of maintaining, repairing, or improving the said bridge is to be provided and paid by the local authorities hereinafter mentioned in the following proportions—viz., the Cook County Council to pay fifteen per centum, the Waikohu County Council to pay five per centum, the Gisborne Harbour Board to pay ten per centum, and the Gisborne Borough Council to pay seventy per centum of such cost respectively: And I do hereby direct that the contribution hereby required to be made as aforesaid by the Cook and Waikohu County Councils and the Gisborne Harbour Board towards the cost of maintaining, repairing, or improving the said bridge shall be paid from time to time, in the proportion hereinbefore prescribed, out of the funds of the said Councils and Board, within a period of one month after demand in writing made by or on behalf of the Council of the Borough of Gisborne, and the payments so required to be made shall be made from time to time to the Town Clerk, Gisborne, for and on behalf of the said Councils and Board: And I do hereby cancel and revoke the Proclamation vesting the control and apportioning the cost of maintaining the said bridge, published in the *New Zealand Gazette*, page 587, of the twenty-second day of March, one thousand nine hundred.

#### SCHEDULE.

WHEREAS by Warrant dated the 29th day of July, 1910, and published in the *New Zealand Gazette* No. 74, of the 2nd day of the following month, rules were made governing the examination of candidates for certificates of competency as masters and mates:

And whereas it is desired to amend the said regulations in the manner hereinafter described:

Now, therefore, in pursuance and exercise of the power and authority conferred upon me by section 23 of the Shipping and Seamen Act, 1908, and of all other powers and authorities enabling me in that behalf, I do hereby make the following regulation amending the hereinbefore-recited regulations; and I do hereby order that it shall come into force on the 1st April, 1915.

W. H. HERRIES,  
Minister of Marine.

**REGULATION.**

REGULATION 141 is hereby revoked, and the following regulation made in lieu thereof:—

141. (1.) Time served on board a training-ship will be allowed to count as equivalent to one-half the same time spent in service at sea, up to a limit of two years (*i.e.*, no length of service will be allowed to count as more than one year at sea); provided that the candidate can produce a certificate from the Committee or Captain Superintendent that he has conducted himself creditably and passed a good examination in seamanship, so far as it is practised in the training-ship, as well as in other matters, down to the time of his leaving the ship. Training-ship service will not be regarded as equivalent to service in square-rigged vessels.

(2.) Time spent at a school for nautical training conducted on premises ashore may be allowed to count in some proportion, not exceeding one-half, as service at sea, provided that—

(a.) The school is in receipt of a grant from the Board of Education under the Regulations for Schools of Nautical Training;

(b.) After an inspection by one of their officers, the Board of Trade is satisfied that the school gives a training that justifies time spent there being reckoned as part of the necessary qualifying time for a certificate of competency;

(c.) The candidate produces a satisfactory certificate as regards conduct and proficiency from the authorities of the school on leaving it.

The proportion in which time spent at a school conducted on premises ashore will be accepted as qualifying under the above provisions will be decided after inspection by one of the Board's officers, but time spent at the school will never be counted as equivalent to more than one-half of the same time spent at sea, nor will it in any circumstances be taken as equivalent to more than one year at sea.

#### NORTH ATLANTIC OCEAN.

**TRANS-ATLANTIC STEAMSHIP ROUTES.—ICE PATROL SERVICE.**—For the purpose of carrying on the ice observations and ice patrol service provided for by the International Convention for the Safety of Life at Sea, London, 1913-14, the U.S. C.G.C. "Seneca" will leave New York on 15th February and proceed to the Grand Banks of Newfoundland, locate the icefields and icebergs, make such observations as practicable on the quantity of ice, its kind, extent, and drift, and obtain any other information that may seem to be of value.

The object of the patrol is primarily to ascertain the location and progressive movement of the limiting lines of the regions in which icebergs and field ice exist in the vicinity of the Grand Banks of Newfoundland, and to disseminate this information for the guidance and warning of navigators. Co-ordinately with these primary duties the "Seneca" will make such oceanographical and meteorological observations as will contribute toward a knowledge of the causes why the limiting lines assume their observed locations.

During the period of ice observations the "Seneca" will be the only vessel employed on this duty; but when the ice has moved southward so as to make a constant patrol necessary an additional vessel will be detailed for that purpose.

The experience of previous years has shown that a continuous ice patrol should be established about 1st April, and continued throughout the season of dangerous ice conditions.

Upon getting in touch with the ice the "Seneca" will send a report daily to the Branch Hydrographic Office, New York City, at 4 a.m., 75th meridian time, addressed "Hydrographic, New York." An endeavour will be made to communicate direct with coast radio stations, but should the "Seneca" be unable to communicate with any of these stations, the message will be relayed through any vessel within reach.

The ice information will be given in as plain and concise English as practicable, and will state the following: (a) Ice (berg or field), (b) date, (c) time (75th meridian), (d) latitude, (e) longitude, (f) other data as may be necessary.

While on this duty the patrol vessel will endeavour by means of daily radio messages to keep ships at sea advised of the limits of the icefields, &c.

The "Seneca's" call letters are NRE, and she uses wavelengths of 300, 600, and 750 meters.

#### SOUTH CHANNEL, FITZROY RIVER, ROCKHAMPTON.

Referring to Notice to Mariners No. 102 of 1914, notice is hereby given that, on and after the 5th March, 1915, the

following directions for the navigation of the South Channel, Fitzroy River, will supersede those at present in use:—

**By DAY.**—After passing Sea Hill continue with the Balaklava leading-beacons in line until two similar beacons erected on Kazatch Point, Balaklava Island, are in line; keep these in line, passing a black buoy on the port hand moored in 26 ft. on the extreme western edge of a rocky patch off Cardigan Point until two white triangular beacons erected on the north shore of Casuarina Island, and a corresponding pair erected on the extreme north shore of Cardigan Point, are in line (passing a red intersection boat buoy on the starboard hand, and a black buoy moored off the eastern edge of Haynes Spit on the port hand); keep these in line until another similar pair of beacons erected on the north shore of Casuarina Island are brought into line; keep these in line until abreast the western end of Egg Island (passing a red buoy moored on the extreme eastern and northern edge of Rocky Point cutting), when two triangular beacons erected on the north shore of Fitzroy River, and a corresponding pair erected on Casuarina Island, must be brought into line; keep these in line until a large red buoy moored on the northern and western edge of the cutting off Rocky Point is reached, when, if bound to Broadmount, haul round this buoy, passing a second and third red buoy all on the starboard hand (which mark the outer extreme edge of the bell mouth), and steer up for the wharf. If bound to Rockhampton, after passing Rocky Point proceed as previously directed.

**By NIGHT.**—After passing Sea Hill continue with the Balaklava lights in line until two lights (front—red, back—white) erected on Kazatch Point are in line; keep these in line until two similar lights erected on the north shore of Casuarina Island, and a corresponding pair of lights erected on the extreme north of Cardigan Point, are in line (passing a lighted boat buoy on the starboard hand carrying a fixed green light, moored in 20 ft. at the intersection of Cardigan and Kazatch Point lights); keep these in line until another similar pair of lights erected on the north shore of Casuarina Island are brought into line; keep these in line until abreast the western edge of Egg Island, when two white lights erected on the north shore of Fitzroy River must be brought into line; follow this line until a large red buoy moored on the northern and western edge of the cutting off Rocky Point is reached, when, if bound to Broadmount, haul round the second buoy, on which a fixed green light is shown, and steer up for the wharf.

If bound to Rockhampton, after passing Rocky Point (on which a fixed white light is shown) proceed as hitherto directed.

SCHOOL FOR THE DEAF, NEAR SUMNER,  
CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION  
DEPARTMENT.

Director : Mr. J. E. STEVENS.

**F**OR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity) :-

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,  
Wellington.

THE NEW ZEALAND GAZETTE.
