#### 7. RENTAL.

The licensee shall, in respect of this license, pay to the Public Works Engineer at present stationed at Christchurch, or otherwise as the Minister may from time to time require, a yearly rental of one-twentieth of a penny per unit for each unit generated and as recorded by a wattmeter to be installed by the licensee, such rental to be paid quarterly on the first days of March, June, September, and December in each and every year.

#### 8. GRANTING OF OTHER WATER-RIGHTS.

Nothing herein shall prevent the Governor in Council from granting to any person or body corporate other than the licensee a license to take water from any portion of the said race, except at the place where the licensee is by this license empowered to take it; provided that no such license shall so operate as to reduce the natural fall between the head-works and tail-water, or the volume of the water which the licensee is by this license authorized to take from the said race.

If the licensee fails to comply with any of the conditions of this license the Minister may, by notice in writing, require the licensee within thirty days to remedy the default specified in that notice; and if the licensee fails to comply with the terms of the notice within the said period he shall be liable to a penalty of £10, to be recoverable by or on behalf of the Minister as a debt due to the Crown.

Notwithstanding anything in the last preceding clause of these conditions, if the licensee fails to comply with the terms of any such notice for ninety days after the receipt thereof, the Governor in Council may thereupon revoke this license without further notice.

#### 10. SERVICE OF NOTICE.

Notwithstanding anything in the last preceding clause, this license shall not be revoked, and no proceedings shall be taken for the recovery of a fine in respect of the breach thereof, unless and until notice in writing of the intention so to revoke the license or to take such proceedings has been served upon the licensee, or placed upon some principal or conspicuous part of the works, and default has been made by the licensee in repairing or remedying the breach or breaches specified in the said notice for the following periods:—

If the licensee neglects or fails so to remove the said plant within twelve months after being required so to do, such equipment, machinery, buildings, poles, lines, and other plant shall, without payment or compensation, vest in and become the property of the Crown.

This license, and the benefits and obligations hereunder, shall not be assigned by the licensee without the express consent in writing of the Minister first had and obtained, upon such terms and conditions as he shall approve; but such consent shall not be withheld if it is proved to the satisfaction of the Minister that the transferee is financially and otherwise able to carry out the obligations specified in this license.

Such guard-wires shall be carried on substantial supports at a height of 2 ft. above the conductors if the telegraph or telephone lines pass over the conductors, or 2 ft. above the telegraph or telephone lines if the latter pass under the conductors. No overhead electric lines shall come within 2 ft. of any other aerial lines or cables.

Earth-wires where led down poles shall be protected by a casing for a distance of 8 ft. from the ground. A test shall be made every three months, and oftener if required, of all earths to ensure that the earth-wire is intact and that the earth is effective.

The licensee shall not use the said electric lines, or permit the same to be used, for any purpose until the Minister has given notice in writing to the licensee that he has received from the Inspecting Engineer a certificate that the works have been satisfactorily carried out.

#### 15. INSPECTION OF WORKS.

The terms and conditions under which the land is offered are as set out in the Second Schedule hereto.

FIRST SCHEDULE.  
TIHIOTONGA D BLOCK.

BLOCKS VII and VIII, Horohoro Survey District: Area, 557 acres 1 rood 13 perches; upset price per acre, 10s.

This block is situated to the south-west of Rotorua Town, and distant therefrom eight miles. Access is by the main Rotorua-Atiamuri Road, thence by a surveyed road over easy country for the balance of the distance. The block is partly forest, consisting of tawa, rimu, hinau, with the usual undergrowth, and also easy hilly country, and in a few places rough country. The block lies well to the sun, being sheltered from the southerly winds by the Parekarangi Range. The soil is very light in the open country, but improves to fair loam in the bush, the lot resting on pumice and rhyolite formation. It is fairly well watered by the tributaries of the Pareporepo and Pakaitu Streams.

SECOND SCHEDULE.

TERMS AND CONDITIONS UNDER WHICH LAND IS OFFERED FOR SALE.

1. THE land is sold by public auction in accordance with the powers conferred by section 16 of the Native Land Amendment Act, 1912, and the purchaser shall be deemed to be acquainted with all the provisions thereof.

2. The highest qualified bidder shall become the purchaser.

3. If the land so offered is not sold the Board may at any time thereafter sell the same by private contract to any qualified purchaser at a price not less than the upset price.

4. The purchaser shall forthwith after the sale pay to the Board a deposit equal to 10 per centum of the purchase-money, and the sum of £3 3s. to cover the cost of the preparation of the contract of sale. The balance of the purchase-money shall be paid within fourteen days after the completion of the contract, and the purchaser shall also within the said period of fourteen days lodge with the Board a statutory declaration that he was on the day of the sale duly qualified under Part XII of the Native Land Act, 1909, and its amendments, to become the purchaser of the land, and that he is acquiring the land solely for his own use and benefit, and not directly or indirectly for the use or benefit of any other person.

5. If any purchaser makes default in completing the contract or in making the statutory declaration as aforesaid, the Board may cancel the sale and resell the land in the same manner as if it had not already been offered for sale. On any such cancellation the Board may forfeit all moneys already paid by the purchaser, or such part thereof as the Board thinks fit.

INSTRUCTIONS TO APPLICANTS.

The land is described for the general information of intending selectors, who are recommended, nevertheless, to make a personal inspection, as the Board is not responsible for the absolute accuracy of any description.

Area may be liable to slight alteration.

Full particulars may be obtained at the office of the Under-Secretary for Native Affairs, Wellington, and at the office of the Waiariki District Maori Land Board, Rotorua.

(e.) Lessee will fence without any right of resort to the Board for contribution on account of the Board owning or occupying adjacent land; but this provision shall not deprive the lessee of any rights he may have against any subsequent occupier, other than the Board, of such adjacent land.

(f.) A copy of the form of lease can be inspected at the office of the Under-Secretary for Native Affairs, Wellington, or at the office of the Board.

12. In the event of the present occupier not obtaining a lease of this section, such occupier is to have the right, should he desire so to do, to remove from the land, within one month from the date of the acceptance of any tender for the lease of the land, a dwellinghouse now standing thereon.

INSTRUCTIONS TO APPLICANTS.

The land is described for the general information of intending selectors, who are recommended, nevertheless, to make a personal inspection, as the Board is not responsible for the absolute accuracy of any description.

Area may be liable to slight alteration.

Tenders must be sent to the office of the Waiariki District Maori Land Board, Rotorua, and must be made on the proper forms, to be obtained at the office of the Board and at the post-offices in the locality of the land to be offered.

Full particulars may be obtained at the office of the Under-Secretary for Native Affairs, Wellington, and at the office of the Waiariki District Maori Land Board, Rotorua.

SCHOOL FOR THE DEAF, NEAR SUMNER,  
CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,  
Wellington.
