ORDER IN COUNCIL.

At the Government House at Wellington, this tenth day of April, 1916.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

And whereas such proposal was duly declared to be carried, and the steps required to be taken by sections eight to twelve (both inclusive) of the Local Bodies' Loans Act, 1913, have been duly taken and the provisions of such sections duly complied with, excepting to the extent of the irregularities hereinafter mentioned, but the public notices and voting-paper referred to the Local Bodies' Loans Act, 1908, and its amendments :

And whereas the notice of intention to raise the loan was not published once in each week for four successive weeks, inasmuch as no publication, although given once in each of four weeks, was made in the third successive week as required by section nine of the above-named Act :

And whereas the first publication of the date of the poll was not given not less than fourteen days before the said date as required by the provisions of section ten, subsection two, of the above-named Act :

And whereas it appears that the ratepayers have not been misled by such irregularities, and it is expedient to validate the same :

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the powers conferred upon him by section one hundred and eleven of the Local Bodies' Loans Act, 1913, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby declare that the said poll and all proceedings in connection therewith are validated, and shall be valid to all intents and purposes as though everything had been done in the proper manner; and, further, doth hereby order and declare that the proceedings relative to such loan shall not be called in question by reason only of the irregularities aforesaid.

* These remaining suburbs do not lie within borough boundaries, and particulars respecting them have not been obtained for the Vital Statistics. Closely correct annual statements of population outside boroughs are not obtainable.

In the above table are given the deaths and death-rates for each of the four cities, for the suburban boroughs severally, and for each city with its suburban towns.

Deaths occurring at hospitals, of persons not residents of the borough wherein the hospital is situated, have been allotted in each case to the borough where the disease was contracted, and not to that in which the death actually took place.

The inclusion of the suburban boroughs lowers the death-rate at all four centres.

	Death-rates per 1,000 of Population.	
Auckland City ..	0.84	0.68
and seven suburban boroughs
Wellington City ..	1.04	1.02
and four suburban boroughs
Christchurch City ..	0.86	0.78
and five suburban boroughs
Dunedin City ..	0.87	0.84
and three suburban boroughs

Including the suburbs, the rate at Wellington is the highest and at Auckland the lowest.

Compared with March, 1915, the results are—

Auckland and suburbs ..	0.87	0.68
Wellington and suburbs ..	0.82	1.02
Christchurch and suburbs ..	0.56	0.78
Dunedin and suburbs ..	0.72	0.84

The total births in the four chief cities and their suburban boroughs amounted to 658, against 623 in February—an increase of 35. The deaths in February were 263—an increase of 31 as compared with the previous month. Of the total deaths males contributed 153, females 110. Sixty-two of the deaths were of children under five years of age, being 23.57 per cent. of the whole number; 46 of these were under one year of age.

There were 82 deaths of persons of 65 years and upwards in the four chief cities and their suburban boroughs, as against 62 in February. The following table shows the classification:—

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,
WELLINGTON.
