Tokaanu Township is situated at the southern end of Lake Taupo, the elevation of which is nearly 1,200 ft. above sea-level. At present it is reached by coach from Waiouru, on Main Trunk line, or by steamer across the lake from Taupo Township. A road is now being constructed from Waimarino Railway-station to Tokaanu via Roto Aira, passing to the north of Ruapehu, Ngauruhoe, and Tongariro Mountains. When this road is completed, Tokaanu will be within about thirty-five miles of the railway by a scenic route unsurpassed for grandeur.

Tongariro River, which is within two miles of Tokaanu, is the angler's paradise, and is said to provide the best troutfishing in the world. A State fish-smokery has been established at Tokaanu.

With its hot springs and baths, its elevation above the sea, its location on New Zealand's largest lake, close to the active volcanoes, Tokaanu is destined to be one of New Zealand's health-recruiting resorts.

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

Under the Control and Supervision of the Education Department.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

- Children born deaf, or who have lost their hearing before learning to speak.
- 2. Children who can hear a little, but are too deaf to be taught in a public school.
- Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child: and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE EDUCATION DEPARTMENT,
WELLINGTON.
