17. After the filing of the case by the Commissioner a Magistrate or the Clerk of the Court in which the case is filed shall, on the application of the Commissioner or of the appellant, appoint a time and place for the hearing of the appeal, such time not being earlier (save with the consent of the Commissioner and the appellant) than twenty-one days after the date of the filing of the case.

18. Reasonable notice by post or otherwise of the time and place so appointed shall be given by the person on whose application such appointment has been made to the other party to the appeal.

19. At the time and place so appointed a Magistrate, or in the absence of a Magistrate the Clerk of the Court, may adjourn the hearing to any other time or place, and so from time to time.

20. If either party fails to appear at the hearing, the Court shall in its discretion either adjourn the hearing or determine the appeal in the same manner as if both parties were present.

21. The procedure at the hearing of the appeal shall be the same, with all necessary modifications, as if the appeal was an action in which the appellant was the plaintiff and the Commissioner was the defendant.

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid, and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore and land below low-water mark on which the said launch-slip is to be erected, as shown on plan marked M.D. 4768 so deposited as aforesaid, for the purpose of maintaining the said structure thereon; such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. IN these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore and land below low-water mark occupied by the said launch-slip as shown on plan marked M.D. 4768.

3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £1 in advance, dating from the date of this Order in Council, the first of such annual payments to be made on the licensee being supplied with a copy of this Order in Council.

4. All persons shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the said

launch-slip, and all rights of ingress and egress thereon and therefrom.

5. His Majesty or the Governor, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said launch-slip without payment.

6. The licensee shall maintain the above-mentioned launch-slip in good order and repair, and shall at all times exhibit therefrom and maintain at his own cost suitable and necessary lights for the guidance of vessels; provided that no light shall be exhibited until after it has been approved of by the Minister.

7. Any person authorized by the Minister may at all reasonable times enter upon the said launch-slip and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand a notice in writing of any defect or want of repair in such launch-slip requiring him, within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

8. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

9. The ballast of all vessels loading at the said launch-slip shall be taken away by the licensee and deposited above high-water mark, or at such place as may be approved of by the Minister, or by any person appointed by the Minister for that purpose.

10. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for fourteen years from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

11. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known registered office of the licensee in New Zealand.

12. The licensee shall be liable for any injury which the said launch-slip may cause any vessel or boat to sustain through any default or neglect on the part of the licensee.

13. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said launch-slip for a period of thirty days;
- (3.) Become bankrupt; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in either of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

14. The erection of the said launch-slip shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.

* Buildings.

† Interest and sinking fund on buildings valued at £250; payable in cash, or in fourteen years by half-yearly instalments of £13 15s.

IMPROVEMENTS.

The improvements included in the capital values of the sections are as follows:—

Section 1s.—123 chains of fencing (half value boundary and all internal and road fences), £80.

Section 2s.—152 chains fencing (half boundary and all internal and road fences), £100.

Section 3s.—285 chains fencing (half boundary and all internal and road fences), £180.

The following improvements are not included in the capital value of the section, and have to be paid for separately: Section 3s, six-roomed dwellinghouse in fair order, together with two rough sheds; value, £250.

DESCRIPTION OF SECTIONS.

Section 1s contains 80 acres or more of land, ploughable, with a little stumping and clearing.

Section 2s contains about 50 acres or more of land fit for dairying, about 40 acres ploughable, with a little stumping and clearing.

G

Section 3s contains about 60 acres or more fit for dairying, and the rest is generally good sheep and dry cattle country.

GENERAL DESCRIPTION.

This property is situated on the Mangaotuku Road, about four miles and a half from the Douglas Railway-station, and a little less from the saleyards near there. The roads leading to the railway and dairy factory are metalled. There is a school opposite the southernmost corner of the property, and the cheese-factory is only about twenty chains from the same point. The land has been cleared and grassed for a period of over eighteen years, so that only a little dry timber is left. It carries a good sole of grass, except in a few patches where fern is prevalent. The soil is of good quality, consisting of a volcanic loam covering mixed with papa. The easier portions are adapted for dairying, and the steeper for either sheep or dry cattle. The land is well watered, and the climate is fairly moist. The altitude varies from 470 ft. to 970 ft. above sea-level. Two of the sections have good homestead-sites directly on to the road, but the dwelling on the third has to be reached by a bridge, which will have to be maintained or re-erected by the future tenant. Small bridges or stream crossings will be required for the working of the other sections. Boundaries have been chosen to get good fence-lines and to secure ease in working. The fencing is in fair order. The railway reserve shown on plan is not likely to be used.

Sale posters and full particulars may be obtained from this office.

**SCHOOL FOR THE DEAF, NEAR SUMNER,
CHRISTCHURCH.**

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE EDUCATION DEPARTMENT,
WELLINGTON.
