ORDER IN COUNCIL.

At the Government House at Wellington, this fifth day of June, 1917.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned under the Harbours Act, 1908 (hereinafter called "the said Act"), James Allen Johnston (hereinafter called the "licensee") has applied to the Governor in Council for a license under the said Act to occupy a part of the foreshore, and land below low-water mark adjacent thereto, at Kaikoura as a site for a boat-slip; and, in accordance with the one-hundred-and-fiftieth section of the said Act, has deposited a plan in the office of the Marine Department at Wellington (marked M.D. 4762), showing the area of foreshore and land below low-water mark intended to be occupied, and the manner in which it is proposed to erect the said boat-slip:

And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation, and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council:

And whereas it is expedient that a license should be granted and issued to the licensee under the said Act for the purpose aforesaid on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the object for which the said license is required by the licensee as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore and land below low-water mark adjacent thereto, as shown on the plan marked M.D. 4762, so deposited as aforesaid, for the purpose of erecting and maintaining the said boat-slip thereon; such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore, and land below low-water mark adjacent thereto, necessary for the construction of the boat-slip as shown on plan marked M.D. 4762.

3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of 10s., payable in advance, dating from the date hereof, the first of such annual payments to be made on the licensee being supplied with a copy of this Order in Council.

4. His Majesty or the Governor, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said boat-slip without payment.

5. The licensee shall maintain the above-mentioned boat-slip in good order and repair.

6. Any person authorized by the Minister may at all reasonable times enter upon the said boat-slip and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand

a notice in writing of any defect or want of repair in such boat-slip, requiring him, within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulations of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

9. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

10. The licensee shall be liable for any injury which the said boat-slip may cause any vessel or boat to sustain through any default or neglect on his part.

11. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said boat-slip for a period of thirty days;
- (3.) Become bankrupt, or be in any manner brought under the operation of any law for the time being in force relating to bankruptcy; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in any of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby granted and conferred, have been revoked and determined.

11. The erection of the boat-slip shall be sufficient evidence of the acceptance by the licensee of the terms and conditions of this Order in Council.

2. The quantities of the various timbers set forth in the above Schedule are approximate only, and are furnished for the information of intending purchasers, who are expected, previous to the sale, to make their own estimate of the quantity of timber. No contract for purchase shall be voidable, nor shall the licensee be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, and kind than as stated herein; nor shall any extra sum be claimed by the Crown if for any reason the quantity of timber is found to be in excess of that stated herein.

3. The right is reserved to the Commissioner to withdraw from sale either or both of the above lots of timber, either before or during the time of sale.

4. The successful bidder for each lot shall purchase the whole of the timber, and shall, on the fall of the hammer, pay in cash a deposit of one-fifth of the amount bid, together with £1 ls. license fee, and shall also deposit four promissory notes, each for one-fourth of the balance, each payable on demand and endorsed by two persons to be approved by the Commissioner; such promissory notes shall bear interest at the rate of 5 per centum per annum, as from date of sale, in accordance with clause 86 of the regulations. These promissory notes will be presented—the first at an interval of four months from the date of sale, and the others at subsequent intervals of four months; but they may be presented for payment at earlier dates if more than a due proportion of timber is found to be cut, or should any breach of the conditions occur, or if in the opinion of the Commissioner the interest of the Crown is jeopardized.

5. The purchasers shall have the right to cut all the timber thereon during a period of two years from the date of sale. The license shall only be for the cutting and removal of the timber, and shall give no right to the use of the land.

6. In the event of a bidder purchasing both lots, the Commissioner may, at his discretion, during the time of sale, increase the time for removal of timber.

7. Should any dispute arise as to boundaries the decision of the Commissioner shall be final.

8. The timber shall be cut in a face, and the Crown reserves the right of following up the mill-workings by felling and grassing such areas as from time to time will have been cleared of milling-timber, or of disposing of the land.

9. The licensee shall not put, throw, or place, or allow to be put, thrown, or placed, into any river, stream, or watercourse, or into any place where it may be washed into any river, stream, or watercourse, any sawdust or other sawmill refuse.

10. In the event of the above not being disposed of, applications may be received and dealt with at any time within six months from the above date of sale (unless previously formally withdrawn); provided, however, that the amount offered is not less than the upset prices stated herein.

11. No compensation will be given nor shall any be claimed for any error, discrepancy, or misdescription whatever in respect of the lots or in these conditions.

12. Any timber not specified milled for sale shall be purchased at the rate of 6d. per 100 sup. ft.

The measurements are quarter girth measurements.

Full particulars may be ascertained and copies of the Timber Regulations obtained at this office.

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE EDUCATION DEPARTMENT,
WELLINGTON.
