LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this third day
 of December, 1917.

Present :

THE RIGHT HONOURABLE W. F. MASSEY, P.C., PRESIDING
 IN COUNCIL.

WHEREAS by section twenty-five of the Regulation of
 Trade and Commerce Act, 1914, it is provided that
 at any time while His Majesty is at war with any foreign
 Prince or State the Governor may from time to time, by
 Order in Council, if satisfied that such a course is necessary
 in the public interest, modify or suspend wholly or partially
 and subject to such conditions as he thinks fit—

- (a.) All or any of the provisions of any industrial award
 or industrial agreement under the Industrial Con-
 ciliation and Arbitration Act, 1908, and its amend-
 ments; and
- (b.) All or any of the provisions of the Shops and Offices
 Act, 1908, and the Factories Act, 1908, and their
 amendments; and
- (c.) All or any of the provisions of any other Act so far as
 such provisions take away or restrict the liberty of
 private contract in matters of trade, commerce,
 business, or employment:

And whereas by Order in Council under the said section,
 dated the thirty-first day of January, one thousand nine
 hundred and sixteen, and published in the *Gazette* of the tenth
 day of February, one thousand nine hundred and sixteen,
 the provisions of all awards and industrial agreements pre-
 scribing the conditions of employment of under-rate workers
 and apprentices, and the provisions of the Industrial Con-
 ciliation and Arbitration Act and its amendments relating
 thereto, were suspended in so far as such provisions prevent
 or restrict the employment of any discharged soldier au-
 thorized, in the manner prescribed by that Order in Council,
 to be employed in the industry to which such award or indus-
 trial agreement relates :

And whereas it is expedient to revoke the said Order in
 Council, and to make other provisions in lieu thereof :

Now, therefore, His Excellency the Governor-General of the
 Dominion of New Zealand, in pursuance and exercise of the
 powers conferred on him by section 25 of the Regulation of
 Trade and Commerce Act, 1914, and of all other powers and
 authorities enabling him in that behalf, and acting by and
 with the advice and consent of the Executive Council of that
 Dominion, doth hereby revoke the Order in Council of the
 thirty-first day of January, one thousand nine hundred and
 sixteen, aforesaid, and doth hereby suspend the provisions of
 all awards and industrial agreements prescribing the condi-
 tions of employment of under-rate workers and apprentices,
 and also the provisions of the Industrial Conciliation and
 Arbitration Act, 1908, and its amendments, relating thereto,
 in so far as those provisions prevent or restrict the employ-
 ment, or the employment and training, of discharged soldiers,
 pursuant to the conditions set forth in the Schedule hereto ;
 provided that all permits which, on the making of this Order,
 are in force under the Order in Council hereby revoked shall
 continue in force in all respects as if they had been granted
 under the corresponding provisions hereinafter in this Order
 in Council set forth.

SCHEDULE.

1. FOR the purposes of this Order in Council—

“Discharged soldier” means a discharged soldier within
 the meaning of the Discharged Soldiers Settlement
 Act, 1915, who is incapable of efficiently working
 at his previous occupation by reason of disablement
 contracted during his period of military service :

“Minister” means the Minister for the time being in
 charge of the Discharged Soldiers’ Information
 Department.

Employment and Training of Discharged Soldiers.

2. (1.) Application by a discharged soldier to be trained
 and employed pursuant to this Order in Council may be made
 to the Discharged Soldiers Information Department in such
 form as may be prescribed by the Minister.

(2.) On receipt of any such application the Minister, or
 such person as he may direct in that behalf, shall cause
 inquiries to be made, and if it appears that the applicant
 is a suitable person to be trained, and that the industry
 or the branch or branches thereof in which employment and
 training are sought by the applicant are such that the
 applicant, having regard to his education and his physical

condition, may be expected to attain a reasonable degree of proficiency therein, the Minister or other person as aforesaid may approve the application, subject to the provisions hereinafter set forth.

(3.) The application approved as aforesaid shall thereupon be transmitted to such Inspector of Factories as may be authorized by the Chief Inspector of Factories to receive and deal with the same.

3. The Inspector shall forthwith issue to the applicant a temporary permit to be trained and employed in the industry, or in one or more branches thereof, at such rate of wages as he considers the applicant may be able to earn. Such temporary permit shall continue in force for one month from the date thereof, but may be extended by the Inspector for not more than one month.

4. (1.) If at any time before the expiry of the temporary permit by effluxion of time the applicant desires and the employer is willing to continue the training and employment, the Inspector shall, after giving the union concerned in the award or industrial agreement a reasonable opportunity of expressing its views, issue to the applicant a permit to be trained and employed in the industry, or any branch or branches thereof, at such rate of wages as he thinks fit, and for such period as may be agreed on between the applicant and the employer. Every such permit shall be subject to the approval of the Minister, or of such other person as the Minister may authorize in that behalf.

(2.) In fixing the rate of wages the Inspector may prescribe a scale of increases for successive portions of the period of training, and he may, not oftener than once in three months, on being satisfied from the progress made by the applicant that the wages should be advanced in accordance with the scale, increase the rate of wages accordingly.

5. During the currency of such permit it shall be the duty of the employer to teach, and the duty of the applicant to learn, the work of the industry or branch or branches thereof specified in the permit, and such duty to teach and to learn as may be prescribed in the award or industrial agreement for apprentices shall apply to the employer and the applicant.

6. Notwithstanding anything in this Order in Council, if the applicant seriously misconducts himself or is repeatedly absent from his duties, the employer may notify the Minister thereof, and the Minister may, if he thinks fit, cancel the permit.

7. In any case where an applicant has, since his incapacity, been employed in the industry or branch thereof to which his application relates for not less than one month, the provisions of this Order in Council as to the issue of temporary permits shall not apply, and the Inspector may, on the approval of the application pursuant to clause 2 hereof, forthwith issue a permit under clause 4 hereof.

Employment of Discharged Soldiers otherwise than for Purposes of Training.

8. Application by a discharged soldier for employment not being an application for employment and training under the foregoing provisions of this Order in Council may be

made by him direct to any Inspector of Factories who is authorized in writing by the Chief Inspector of Factories to receive and deal with the same.

9. (1.) The Inspector may, if he thinks fit, thereupon issue a temporary permit for the employment of the applicant, for a period of not more than one month, at such rate of wages and upon such other conditions as he thinks fit, and shall, before the expiry of such temporary permit, make inquiry as to the fitness of the applicant for such employment, and shall give to the union which is bound by the award or industrial agreement a reasonable opportunity of expressing its views upon the application.

(2.) He may thereupon, if he thinks fit, issue to the applicant a permit to be employed in the industry for such term, at such rate of wages, and on such conditions as he thinks fit.
