LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this twenty-second day of December, 1917.

Present:

THE RIGHT HONOURABLE W. F. MASSEY, P.C., PRESIDING IN COUNCIL.

WHEREAS by section thirty-five of the War Legislation Act, 1917, it is provided that the Governor-General in Council may by regulations under the War Regulations Act, 1914, make such provisions as, having regard to the exigencies of the present war or the conditions created thereby, he thinks advisable for the maintenance, control, regulation, and management of any industry, business, or undertaking which he regards as essential for the public welfare: And whereas the growing of wheat and the manufacture of flour in New Zealand are industries essential for the public welfare: And whereas by reason of the condi-

tions created by the present war it has become necessary to make special provisions for the maintenance, control, regulation, and management of those industries through the establishment of a scheme for the purchase and sale of wheat by the Government of New Zealand:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of that Dominion, and in pursuance of the authority conferred upon him in that behalf as aforesaid, doth hereby make the following regulations under the War Regulations Act, 1914, and doth hereby revoke the regulations made under that Act on the tenth day of September, one thousand nine hundred and seventeen, relative to the purchase of wheat, and doth hereby also revoke clause one of the regulations made on the fifth day of February, one thousand nine hundred and seventeen, under the War Regulations Amendment Act, 1916, requiring returns of purchases of wheat.

4. Save in accordance with and pursuance of the scheme of purchase and sale set forth in these regulations, it shall not be lawful for any person, whether as principal, agent, or otherwise, to sell or agree or offer to sell any wheat other than free wheat, or to be concerned in the making of any such sale, agreement, or offer by any other person, whether in New Zealand or elsewhere, or to be concerned in the fulfilment or performance of any agreement for the sale of any such wheat, whether such agreement has been made in New Zealand or elsewhere, and whether it has been made before or after the making of these regulations.

6. For the purposes of the foregoing regulations an option or right of purchase or sale shall be deemed to be an agreement to purchase or to sell, as the case may be.
7. Notwithstanding anything in these regulations, it shall be lawful for the grower of any wheat to sell any quantity or quantities thereof not exceeding in the aggregate 100 bushels to any other wheat-grower for use by the purchaser as seed-wheat.

PART II.—CONTROL OF THE WHEAT TRADE.

8. Good milling-wheat will be purchased and resold by the Government in accordance with the scheme hereinafter in these regulations set forth.
9. All purchases and sales of wheat by the Government will be effected through the agency of brokers appointed by the Board of Trade and acting on account of the Government, and hereinafter referred to as Government brokers.

10. Every broker so appointed shall hold office at the will of the Board of Trade.

11. Government brokers will be required to give to the Government such security as the Board of Trade may require for the due performance of their contract with the Government and for due obedience to these regulations.

12. The general control, supervision, and execution of this scheme of purchase and sale will be in the hands of a Controller appointed by the Minister of Agriculture and acting on behalf of the Government, and hereinafter called the Wheat Controller.

13. The headquarters of the Wheat Controller shall be at Christchurch.

14. There will be associated with the Wheat Controller an advisory committee to be known as the Wheat Trade Committee, and to consist of such representatives of the wheat-growers, flour-millers, and Government brokers as the Board of Trade may from time to time appoint.

15. Every Government broker will be appointed for a particular district to be defined by the Board of Trade in appointing such broker, and it shall not be lawful for any such broker to purchase for the Government under these regulations any wheat grown elsewhere than in the district for which he has been appointed.

PART III.—PURCHASES OF WHEAT BY THE GOVERNMENT.

16. Government brokers will buy good milling-wheat on account of the Government at the following prices:—

A. Good milling-wheat grown in the South Island:—

1. Sold for delivery free on board at the nearest port—

(a.) In January, February, or March, 1918, 5s. 10d. per bushel.

(b.) In April, 1918, 5s. 10½d. per bushel.

(c.) In May, 1918, 5s. 11d. per bushel.

(d.) In June, 1918, 5s. 11½d. per bushel.

(e.) In July, 1918, 6s. per bushel.

(f.) In August, 1918, 6s. 0½d. per bushel.

(g.) In or after September, 1918, 6s. 1d. per bushel.

2. Sold for delivery otherwise than free on board at the nearest port—

A price equivalent as regards the seller to the prices aforesaid.

B. Good milling-wheat grown in the North Island:—

1. Sold for delivery free on board at the nearest port, being Wellington, Wanganui, New Plymouth, Napier, Gisborne, or Auckland—

The same price as that of good milling-wheat grown in the South Island and sold for delivery free on board at the nearest port, with an addition of 4d. per bushel.

2. Sold for delivery otherwise than free on board at the ports aforesaid—

A price equivalent as regards the seller to the price aforesaid.

17. Government brokers will not purchase on behalf of the Government any wheat other than good milling-wheat: nevertheless it shall not be lawful for any person to sell wheat of any quality otherwise than to the Government until and unless it has been offered to a Government broker for sale to the Government in pursuance of these regulations, and has been rejected as unmerchantable or as not being good milling-wheat.

18. In these regulations "nearest port" means the port of entry under the Customs Act, 1913, nearest to the place where the wheat is grown.

19. Sacks will be paid for, in addition to the above prices, at the fair market value not exceeding 10½d. each.

20. When wheat is sold to a Government broker without express agreement as to the month of delivery it shall be deemed to be sold for delivery in the month in which the contract is made.

21. When wheat is sold to a Government broker for delivery by instalments in different months or on different terms or conditions, the sale of each instalment shall be deemed to be a separate contract.

22. Save in special cases at the express direction of the Wheat Controller and on such terms as may be approved by him, wheat will be so purchased by a Government broker only on the terms that the seller will deliver the same to a purchaser from the Government as directed by the broker, whether free on board, on rail, direct to the purchaser's store, or otherwise. Save as aforesaid, the Government broker will in no case accept delivery on behalf of the Government, or act as a ware-

houseman for the Government. The Government broker may, however, act at the same time as the broker, agent, or warehouseman, either of the seller to the Government or of the buyer from the Government, on such terms as may be mutually agreed upon by the parties.

23. All wheat so purchased by the Government shall become the property of the Government on delivery thereof in accordance with the terms of the contract if the wheat is in conformity with the contract.

24. (1.) On such delivery of wheat the Government broker, on being satisfied that the wheat so delivered is in accordance with the contract, will forward to the Wheat Controller a voucher in duplicate, in such form as the Controller may require, authorizing the payment of the contract price.

(2.) The sum so payable will be paid by the Wheat Controller as imprestee to the seller or to any other person authorized by the seller in that behalf by a written authority transmitted through the broker to the Controller.

(3.) Such payments will be made on the 1st and 14th days of each calendar month in the case of all vouchers duly received by the Controller at least seven days before any such pay-day.

(4.) If any such pay-day is a holiday, payment will be made on the next following business-day.

25. Every contract made by a Government broker for the purchase of wheat on account of the Government shall be made in accordance with and shall incorporate the provisions of these regulations so far as applicable to contracts of purchase, and the rights and obligations of the parties shall be determined accordingly.

PART IV.—SALES OF WHEAT BY THE GOVERNMENT.

26. No sales of wheat shall be made by a Government broker on account of the Government except to persons holding a warrant issued by the Wheat Controller authorizing the holder to purchase wheat, and hereinafter referred to as a wheat-purchase warrant.

27. Every such warrant will contain such conditions and restrictions as the Wheat Controller thinks fit, and no sale shall be made to the holder otherwise than in conformity with these conditions and restrictions.

28. Every wheat-purchase warrant may be cancelled at any time for any reason which the Controller in his absolute discretion thinks sufficient.

29. No such warrant shall be transferable.

30. The Wheat Controller will in his absolute discretion allocate to each flour-mill in New Zealand its due quota of the total quantity of good milling-wheat estimated by him from time to time to be available during the year 1918, and the wheat-purchase warrants issued by the Controller to flour-millers will be based on the quota as so determined for the time being.

31. Each flour-miller will be required to purchase and take delivery of his full quota of wheat as soon as is practicable in the discretion of the Wheat Controller, and this obligation will be enforced by the Wheat Controller by withholding or cancelling the wheat-purchase warrant of any flour-miller who makes default herein.

32. Flour-millers will be required in purchasing wheat to purchase and take delivery of different kinds or qualities of good milling-wheat in such proportions as the Wheat Controller may from time to time determine, having regard to the respective quantities of such kinds or qualities available, and all Government brokers shall in effecting sales of wheat observe all directions given to them by the Wheat Controller in this behalf.

33. The price at which wheat is so sold by a Government broker on account of the Government shall be the price per bushel at which it was purchased by the broker on account of the Government, with the addition of 1½d. per bushel, together with the price of the sacks as aforesaid.

34. Payment for wheat so sold and delivered shall be made by the buyer to the Government broker on account of the Government, and the terms of payment shall be such as may be agreed upon between the buyer and the broker, being either cash on delivery, cash against shipping documents, or cash within seven days after delivery. All purchase-money in arrear and unpaid shall bear interest at the rate of 8 per centum per annum.

35. When wheat is sold for delivery by instalments each instalment shall be treated as the subject of a separate contract, and payment shall be made accordingly.

36. All moneys so received by a Government broker shall be paid by him into the Public Account immediately on the receipt thereof, and all moneys not so paid into the Public Account shall bear interest at the rate of 8 per centum per annum until so paid.

37. Every Government broker will guarantee to the Government the due payment by the buyer of the purchase-money for all wheat so sold to him by that broker, and on default made by the buyer the purchase-money, with all accrued interest thereon, shall be recoverable by the Government from the broker.

38. After delivery to the buyer the wheat shall be in all respects at the buyer's risk, but the property in the wheat shall not pass to the buyer until the purchase-money has been received by the Government broker; and on default made by the buyer the broker or the Wheat Controller may take and retain possession of the wheat on behalf of the Government as a security for the purchase-money.

39. Every contract made by a Government broker for the sale of wheat on account of the Government shall be made in accordance with and shall incorporate the provisions of these regulations so far as applicable to contracts of sale, and the rights and obligations of the parties shall be determined accordingly.

PART V.—TERMS OF EMPLOYMENT OF BROKERS.

40. In respect of every contract for the purchase of wheat by a Government broker on account of the Government the broker shall be entitled to receive from the Government a commission of $\frac{1}{2}$ d. for every bushel delivered in pursuance of and in conformity with that contract.

41. In respect of every contract for the sale of wheat by a Government broker on account of the Government the broker shall be entitled to receive from the Government a commission of $\frac{1}{2}$ d. for every bushel delivered in pursuance of and in conformity with that contract.

42. It shall not be lawful for a Government broker to receive, directly or indirectly, any additional commission or remuneration from any party other than the Government in respect of the making of any such contract of purchase or sale; but nothing herein contained shall prevent the broker from receiving from any such party remuneration for services rendered in respect of storage or otherwise howsoever in addition to the service of making the contract of purchase or sale.

43. It shall not be lawful for any Government broker to give, offer, or promise to any person any rebate, refund, commission, allowance, gratuity, or other valuable consideration as an inducement to that person to sell or purchase wheat to or from the Government through that broker, or for the reason that he has so sold or purchased wheat.

44. It shall not be lawful for a Government broker to purchase, whether for himself or on account of any other person, any wheat of a quality inferior to good milling-wheat except under the authority of a license issued to the broker in that behalf by the Wheat Controller and in accordance with the terms of that license. Any such license may be at any time cancelled by the Controller for any reason which in his absolute discretion he thinks sufficient.

45. In all matters within the scope of their employment and not specifically provided for by these regulations Government brokers shall act in accordance with directions from time to time received from the Wheat Controller.

46. Government brokers shall from time to time make to the Wheat Controller such returns relative to the business done by them as the Controller may require.

47. Every appointment of a Government broker shall be deemed to incorporate, as a contract between the broker and the Government, the provisions of these regulations so far as they relate to the rights, powers, duties, and liabilities of such brokers.

PART VI.—DISPUTES.

48. When any dispute arises as to whether any wheat offered to a Government broker for sale to the Government is good milling-wheat, or when any dispute arises as to whether any wheat delivered in fulfilment of any contract of purchase or sale entered into by Government brokers on account of the Government is in accordance with the contract in respect of kind, quality, or condition, the dispute shall be determined by a Government grader appointed for this purpose by the Board of Trade, and his decision shall be final.

49. When any dispute, other than as mentioned in the last preceding clause, arises between the parties to any contract entered into by a Government broker on account of the Government, or between a Government broker and the Government, or between a Government broker and any seller or purchaser of wheat to or from the Government, touching the meaning or operation of these regulations or of any contract so entered into, the dispute shall be determined by the Wheat Controller, whose decision shall be final.

50. Nothing in the last two preceding clauses shall apply to any prosecution for an offence against these regulations.

51. (1.) Subject to the foregoing provisions as to the settlement of disputes, the following weights shall be accepted by all parties as the basis of settlement in all contracts for the purchase or sale of wheat by or to the Government:—

Wheat delivered direct to a mill—flour-millers' weights:

Wheat delivered free on board—customary free-on-board weights:

Wheat delivered ex store either to mills or free on board—ex-store weights.

(2.) The only deduction from such weights shall be 3 lb. tare per sack.

58. Every person who fails to make in accordance with these regulations any return required thereby or in pursuance thereof, or who makes any such return which is false or misleading in any particular, shall be guilty of an offence against these regulations, and shall be liable under the War Regulations Act, 1914, accordingly.

59. Every person who, whether as principal, agent, or otherwise, sells or purchases, or agrees or offers to sell or purchase, wheat at a price in excess of the maximum price thereof as determined for the time being under the Regulation of Trade and Commerce Act, 1914, shall be guilty of an offence against these regulations, and shall be liable under the War Regulations Act, 1914, accordingly.
