THE HONOURABLE SIR JAMES ALLEN, K.C.B., PRESIDING IN COUNCIL.

WHEREAS by Order in Council dated the twenty-fifth day of January, one thousand nine hundred and four, and published in the *New Zealand Gazette* No. 9, of the fourth day of the following month, John Bragg, of Stewart Island, was licensed under the Harbours Act, 1908 (hereinafter called "the said Act"), to occupy for a period of fourteen years from the twenty-fifth day of January, one thousand nine hundred and four, a part of the foreshore and land below low-water mark at North Arm, Paterson's Inlet, Stewart Island, in order to construct thereon a wharf as shown on the plan marked M.D. 2684, and deposited in the office of the Marine Department at Wellington :

And whereas the said license was, with the consent of the Minister of Marine, transferred on the twelfth day of February, one thousand nine hundred and eleven, to Messrs. McCallum and Company, of Dunedin :

And whereas the said license having expired, Peter McCallum, of Dunedin, trading under the style or title of McCallum and Company (hereinafter called "the licensees"), has made application for a renewal of the same for a further term of ten years, from the twenty-fifth day of January, one thousand nine hundred and eighteen :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensees as aforesaid ; and, in further pursuance and exercise of the said power and authority, and by and with the like advice and consent as aforesaid, doth hereby license and permit the licensees to use and occupy that part of the foreshore and land below low-water mark which is particularly shown and delineated on the plan so deposited as aforesaid, for the purpose of maintaining the aforesaid wharf, such license to be held and enjoyed by the licensees upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

4. All persons shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the said wharf, and all rights of ingress and egress thereon and therefrom.

5. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said wharf without payment.

Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensees.

11. The licensees shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on their part.

The timber has been cut out and practically all burned, and the land grassed, except the areas approximately marked green on the plan. The country is flat and undulating, with hilly slopes towards the north-eastern boundary. All the sections are well watered by the Taonui Stream.

SECOND SCHEDULE.

CONDITIONS OF TENDER.

1. TENDERS must be written in the form provided for the purpose, and be forwarded in a sealed envelope, so as to be received at the Board's office, Wanganui, not later than 2 p.m. on Thursday, 27th June, 1918.

2. Each lot must be tendered for separately, and each tender must be accompanied by a deposit equal to six months' rent at the rate tendered.

3. Any tender not in conformity with these Conditions is liable to rejection. The Board may, if it thinks fit, decline all tenders for any lot.

4. The successful tenderer will be entitled to possession on receipt of a notification of the acceptance of his tender.

5. Deposits with tenders which are not accepted will be returned to the respective tenderers.

6. If the rental tendered by two or more tenderers is equal, and is higher than that offered by any other tenderer, the Board shall decide by lot which tender (if any) shall be accepted.

7. If from any cause whatever the Board shall be unable to grant a lease of any lot tendered for, the successful tenderer shall be entitled to a refund of his deposit, but shall have no claim for damages, compensation, or interest on the deposit.

8. Each successful tenderer shall be required, within fourteen days from the date on which the lease shall be tendered

to him, to sign same in triplicate. In the event of his failure to do so, the Board may forfeit the rent paid by him, and again offer the land for lease, freed from any obligation to the defaulting tenderer.

9. Each successful tenderer on being advised that his tender is accepted must lodge a declaration to the effect that he is not prohibited under Part XII of the Native Land Act, 1909, (relating to limitation of area) from acquiring the area tendered for.

10. The leases will be issued subject to the provisions of the Native Land Acts and the regulations thereunder, and will contain, *inter alia*, the following provisions:—

(a.) The term of the leases will be twenty-one years from 1st July, 1918, at the rental tendered, with right of renewal for one further term of twenty-one years at a rental assessed at 5 per cent. of the unimproved value of the land at the time of renewal, such valuation, in the event of dispute, to be determined by arbitration. Compensation for substantial improvement will be allowed to the lessee, as provided in section 263 of the Native Land Act, 1909.

(b.) Lessee will have no right to minerals without special license, but he may use on the land any minerals for any agricultural, pastoral, household, roadmaking, or building purposes.

(c.) Rent shall be payable half-yearly in advance. Lessee shall not assign the lease without the Board's consent. Lessee shall cultivate in a husbandlike manner and keep land free of noxious weeds. Lessee shall keep fences and buildings in repair.

(d.) Lessee will not be permitted to assign his lease until after two years' occupation of the land.

(e.) Lessee will fence without any right of resort to the Board for contribution on account of the Board owning adjacent land; but the provision shall not deprive the lessee of any rights he may have against any subsequent occupier, other than the Board, of such adjacent land.

11. The leases of the sections shall be subject to the right of the Board, or its assignee or grantee, to lay tram-lines or use any existing tram-lines thereon, and to all rights appurtenant to the use of such tram-lines.

12. The leases will be prepared by the Board at the cost of the lessee. The cost is £3 3s., together with the cost of stamping the same.

13. Forms of tender and declaration forms can be obtained at the post-offices at Ohakune, Raetihi, Oreore, Karioi, and at the Native Department Offices, Wellington and Wanganui.

INSTRUCTIONS TO APPLICANTS.

The lands are described for the general information of intending selectors, who are recommended, nevertheless, to make a personal inspection, as the Board is not responsible for the absolute accuracy of any description.

Some areas are liable to slight alterations.

The figures in colour on detail plan correspond with those in the advertisement and on locality plan.

Tenders must be sent to the office of the Aotea District Maori Land Board, Wanganui, and must be made on the proper forms, to be obtained at the office of the Board and at the post-offices in the locality of the land to be offered.

SCHOOL FOR THE DEAF, NEAR SUMNER,
CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION
DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity) :—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE EDUCATION DEPARTMENT,
WELLINGTON.
