HAWKE'S BAY RIVERS COMMISSION.

QUESTION.—The first question is:

"(a.) Whether any, and if any, then what, areas shall be added to or excluded from the Hawke's Bay Rivers District."

DECISION.—We are of opinion that there should be added to the Hawke's Bay Rivers District the following areas, namely:—

(A.) *Te Mata Area.*

All that area in the Hawke's Bay Land District, containing 1,000 acres, more or less, being part of Block 9, Te Mata Crown-grant District, bounded by a line commencing at a point where the south-eastern boundary of Mangateretere East Block meets Danver's Creek; thence proceeding north-easterly and south-easterly along the old boundary of the district as described in Act, 1910, No. 30, First Schedule, to the centre of the old Tukituki River; thence up the centre of the old Tukituki River about two miles to a road reserve; thence along that reserve to the road forming the eastern boundaries of Lots 1, 2, and 3; thence along the eastern side of that road and the north-eastern boundaries of Lots 18, 4, 3, and 2 to the north-eastern corner of the last-named; thence north-westerly along a right line to a point on the eastern side of Mangateretere Road opposite the north-eastern corner of Lot 35; thence across that road and along the north-western boundaries of Lots 35 and 36 to a public road forming the south-western boundaries of Lots 36, 38, and 40; thence south-easterly and south-westerly along said road to Mangateretere Stream; thence down that stream to the drain between Lots 22 and 23; thence along that drain to its continuation to and down Danver's Creek to the point of commencement.

(B.) *Part Borough of Napier.*

All that area in the Hawke's Bay Land District, containing 160 acres, more or less, being part of the Borough of Napier, bounded by a line commencing at a point being the western extremity of Carlyle Street; thence along the south side of Carlyle Street to and across the road on the eastern side of Clive Square; thence north-westerly along the eastern side

of that road to Tennyson Street; thence along the southern side of Tennyson Street to the north-east corner of Town Section 163 at the junction of Tennyson and Dalton Streets; thence proceeding south-westerly along Dalton Street to its junction with Raffles Street; thence across that street to the north-western corner of Town Section 289; thence along the western boundaries of said section and Town Sections 291, 293, 295, 297, 299, 301, 303, 305, and 307 to Sale Street; thence south-easterly across Sale Street to the north-western corner of Lot 6 of Town Section 309; thence southerly along the western boundaries of Lots 6, 5, 4, 3, 2, and 1 of Town Sections 309 and 311; thence along the western boundary of Lot 8, the northern boundary of Lot 7, and the western boundaries of Lots 2, 3, and 4 of Town Section 313 to the northern boundary of Town Section 568; thence along the said northern boundary and south-western boundary to Hastings Street; thence southerly along Hastings Street to the borough boundary at Ellison Street; thence westerly along Ellison Street to a drain forming the western boundary of Lot 225; thence northerly and north-westerly along that drain and its continuation crossing Kinross White, Todd, and Latham Streets, and Kennedy Road to Owen Street; thence north-westerly along Owen Street for one chain; thence across Owen Street to the south-eastern corner of Lot 9; thence along the north-western side of Faulknor Street to Jull Street; thence north-westerly along Jull Street to the southern side of Wellesley Road; thence south-westerly along the southern side of Wellesley Road and along the north-western boundaries of Lots 677, 678, 679, and 680 to the railway; thence south-westerly along the railway to the point of commencement.

(C.) *The Borough of Hastings.*

All that portion of the district, containing 2,620 acres, more or less, being the Borough of Hastings (as existing on the 27th day of March, 1918).

QUESTION.—The second question is:

“(b.) Whether any new wards or subdivisions of the said district shall be created, or any existing wards abolished; and whether it is necessary or desirable to make any, and if any, what, alterations in the boundaries of any existing ward on account of the addition of any area to or the exclusion of any area from the district, or on any other account, or for any other reason whatever.”

DECISION.—We determine that the rivers district shall be subdivided into five wards as follows:—

*No. 1 Ward.*

*No. 5 Ward.*

All that portion of the district containing 2,620 acres, more or less, being the Borough of Hastings (as existing on the 27th day of March, 1918).

QUESTION.—The next question is:

“(c.) Whether the Board shall continue to consist of ten members, or whether that number shall be increased or reduced, and in what manner the members shall be distributed among the several wards.”

DECISION.—In our opinion the number of members to constitute the Board should be nine at present, made up as follows: No 1 Ward, one member; No. 2 Ward, three members; No. 3 Ward, two members; No. 4 Ward, two members; No. 5 Ward, one member: total, 9.

QUESTION.—The next question is as to the rates, which come under questions (d) and (e) of the Commission, and they are as follows:

“(d.) Whether general and special rates shall be levied on a uniform scale throughout the district, or whether such rates shall be levied on a graduated scale, either—

“(i.) According to wards, and so that the rate levied in any one ward while levied equally upon all rateable property within that ward may differ in amount from the rate levied in any other ward; or

“(ii.) According to the local situation of the property rated irrespective of ward boundaries; or

“(iii.) According to the benefit directly or indirectly receivable by the property rated from any river-works constructed or maintained, or proposed to be constructed, by the Board; or

“(iv.) According to any other method of classifying the property rated:

“And if such rates ought to be levied on a graduated scale, then upon what scale they should be levied as between the several wards or the several classes of property, as the case may be, or in what proportions each such rate should be imposed upon the several wards or the said several classes respectively.

“(e.) Whether all general and special rates leviable in any ward may be compounded for by the local authority having jurisdiction in that ward for borough, town, or country purposes, and what sum of money (if any) the Board may accept from any such local authority by way of composition for any general or special rate of a given amount, or in what manner any such composition is to be calculated and assessed.”

DECISION.—We determine that the liability of the various wards for rates that shall be levied from time to time should be as follows, namely: No. 1 Ward should pay 8 per cent. of the total rates, Nos. 2 and 3 Wards combined should pay 60 per cent. of the total rates, No. 4 Ward should pay 24 per cent. of the total rates, and No. 5 Ward should pay 8 per cent. of the total rates.

We have considered question (e), but as we have fixed the rates by percentage we do not think any compounding is necessary, and we assume that the rating will be on the unimproved value.

all such shops in the city (save and except that shop established at No. 4, Khyber Pass, in the City of Auckland, for the purpose only of the sale of medicines and surgical appliances that are urgently needed) be closed in the evenings of working-days as follows: Subject to the closing at not later than 1 p.m. for the statutory half-holiday in each week, Monday, Tuesday, Wednesday, Thursday, 6 p.m., Friday, 9.30 p.m., Saturday, 9 p.m. on every Saturday in the year, except on the Saturday after Good Friday and on the Saturday in the Christmas and New Year weeks, when the closing-hour shall be 9.30 p.m., and except on Christmas Eve and New Year's Eve, when the closing-hour shall be 11 p.m.:

And whereas the Auckland City Council has certified that the signatures to such requisition represent a majority of the occupiers of all the chemists' shops within the City of Auckland:

And whereas I, William Herbert Herries, Acting Minister of Labour, am satisfied that all the occupiers of chemists' shops in the City of Auckland affected by section 3 of the Shops and Offices Amendment Act, 1915, as amended by section 3 of the Shops and Offices Amendment Act, 1917, have been afforded an equal right to share in the profits of the business carried on by such specified shop:

All notices previously gazetted fixing the closing-hours of chemists' shops in the City of Auckland shall be cancelled, in so far as they relate to chemists' shops in the City of Auckland, after the date of the coming into operation of this notice.

Dated at Wellington this 12th day of June, 1918.

W. H. HERRIES,  
 Acting Minister of Labour.

NOTE.—Pursuant to section 3 of the Shops and Offices Amendment Act, 1915, as amended by section 3 of the Shops and Offices Amendment Act, 1917, it will not be lawful for any chemist whose shop is situated within two miles of the exempted shop, by the nearest route as determined by the Inspector of Factories, to supply any goods after the hours fixed by this notice, nor after 1 o'clock on the statutory half-holiday, except that, pursuant to section 18 (d) of the Shops and Offices Act, 1908, any chemist's shop may on that day be reopened between the hours of 7 and 9 p.m. only for the supply of medicines and surgical appliances.

*Validating Proceedings in connection with a Loan of £1,200 proposed to be raised by the Mangere Road Board for Water-supply.*

LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this tenth day of June, 1918.

Present :

THE HONOURABLE SIR JAMES ALLEN, K.C.B., PRESIDING IN COUNCIL.

WHEREAS the Mangere Road Board lately proposed to raise a loan of three thousand pounds under the Local Bodies' Loans Act, 1913, for the purpose of providing a water-supply to part of the Mangere Road District :

And whereas an irregularity or defect occurred in the notice published by the Chairman of the said Board setting forth the day and place on which the poll of the ratepayers to vote on the said proposal would be held, inasmuch as the first of the four of such notices specified the offices of the said Board at Mangere as the place for such poll, but the three succeeding notices specified the Mangere Bridge School as such place, and the said poll was duly taken at the said Mangere Bridge School :

And whereas it appears that the ratepayers have not been misled by such irregularity or defect, and it is expedient to validate the same :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred on him by section one hundred and eleven of the Local Bodies' Loans Act, 1913, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby declare that the proceedings in connection with the said loan shall be valid to all intents and purposes as though the Mangere Bridge School had been stated as the place for the poll in the first notice published in pursuance of subsection two of section ten of the Local Bodies' Loans Act, 1913, and that the proceedings shall not be called into question by reason only of the irregularity or defect aforesaid.

J. F. ANDREWS,  
Clerk of the Executive Council.

*Validating Proceedings in connection with a Loan of £700 proposed to be raised by the Upper Wangaehu Road Board.*

LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this tenth day of June, 1918.

Present :

THE HONOURABLE SIR JAMES ALLEN, K.C.B., PRESIDING IN COUNCIL.

WHEREAS the Upper Wangaehu Road Board lately proposed to raise a loan of seven hundred pounds under the Local Bodies' Loans Act, 1913, for the purpose of providing its share of the cost of constructing a portion of the Taihape-Mataroa Road :

And whereas the resolution making and levying the special rate as security for the said loan is irregular in that such resolution was passed before the special order authorizing the raising of the loan was gazetted, as required by section seventy-three of the Road Boards Act, 1908 :

And whereas the public notices of the special order authorizing the raising of the loan, although four publications were made, were not given once in each of the four weeks immediately preceding the day on which the special order was confirmed, inasmuch as no public notice was given in the third week, as required by section seventy-two of the Road Boards Act, 1908 :

And whereas it appears that the ratepayers have not been misled by such irregularities, and it is expedient to validate the same :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authorities conferred on him by section one hundred and eleven of the Local Bodies' Loans Act, 1913, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby declare that the proceedings taken to raise the said loan shall be valid to all

intents and purposes as though the resolution making and levying the special rate as security for the said loan had been passed at the proper time, and as though the requirements of section seventy-two of the Road Boards Act, 1908, as above mentioned, had been strictly complied with, and that the proceedings in connection with the said loan shall not be called into question by reason only of the irregularities aforesaid.

J. F. ANDREWS,  
Clerk of the Executive Council.
