And whereas it is desirable to grant the license applied for:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf,

Wellington, 6th March, 1919.

HIS Excellency the Governor-General has been pleased to issue letters of naturalization under the Aliens Act, 1908, in favour of the undermentioned person:—

Passport Requirements.—Holland.

Department of Internal Affairs,

Wellington, 11th March, 1919.

THE undernoted information received from the Netherlands Minister for Foreign Affairs, London, regarding the admission into and expulsion of foreigners from Holland, is published for general information:—

Pursuant to Article 2 of the law of 13th August, 1849 (Bulletin of Laws No. 39), governing the admission and expulsion of aliens, every alien desiring to be admitted to the Netherlands must be furnished with a passport from the competent authority of his own country, endorsed by a diplomatic or consular officer accredited by the Government of this country.

As the scarcity of provisions in the Kingdom obliges the Queen's Government to take measures to restrict the influx of aliens into the Netherlands, I have given instructions to diplomatic and consular officers to endorse no passports as from the 15th November last except after having obtained in each special case the authority of the Royal Passport Office, which will decide in my name. This authorization will not be accorded unless the necessity for the journey is demonstrated to the satisfaction of the above-mentioned bureau.

The endorsement will mention the duration of stay (in this country), and also the date on which the applicant would pass the frontier. Seeing that the Royal Passport Office will require a certain time in which to examine each case submitted to it, it is advisable to recommend those desiring to obtain endorsement to ask for it some time before the date on which they require to make use of it.

G. W. RUSSELL,
Minister of Internal Affairs.

Dealing with the four metropolitan areas only, it is found that the inclusion of the suburban portions lowers the death-rate, except in the case of Christchurch.

| | Death-rate per 1,000 of Population. | | |
|--|-------------------------------------|--|--|
| Auckland City | 0.78 | | |
| Auckland Metropolitan Area | 0.64 | | |
| Wellington City | 1.00 | | |
| Wellington Metropolitan Area | 0.92 | | |
| Christchurch City | 0.57 | | |
| Christchurch Metropolitan Area | 0.61 | | |
| Dunedin City | 0.80 | | |
| Dunedin Metropolitan Area | 0.74 | | |

Including the suburban portions, the rate at Wellington is the highest and at Christchurch the lowest.

Compared with February, 1917 and 1918, the results are—

| | 1917. | 1918. | 1919. |
|--|-------|-------|-------|
| Auckland Metropolitan Area | 0.80 | 0.64 | 0.64 |
| Wellington Metropolitan Area | 0.70 | 0.83 | 0.92 |
| Christchurch Metropolitan Area | 0.78 | 0.60 | 0.61 |
| Dunedin Metropolitan Area | 0.95 | 0.74 | 0.74 |

The total births registered for the four metropolitan areas amounted to 620, as against 670 in January—a decrease of 50. The deaths in February were 282—a decrease of 123 as compared with the previous month. Of the total deaths, males contributed 149, females 133. Twenty-nine of the deaths were of children under five years of age, being 10.28 per cent. of the whole number. Twenty-three of these were under one year of age.

The following table shows the deaths in various age-groups occurring in the four metropolitan and total of nine suburban areas during the month of February, 1919:—
