Regulations for the Grading of Teachers.

LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this twenty-third day of December, 1919.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of the powers and authorities vested in him by the Education Act, 1914, and its amendments, and all other powers and authorities enabling him in this behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke the regulations in force for the grading of teachers, and in lieu thereof doth hereby make the regulations set forth below; and doth prescribe that this Order shall come into force on the date of the first publication thereof in the *New Zealand Gazette*.

REGULATIONS.

THE GRADING OF TEACHERS.

1. THE Director of Education (hereafter referred to as the Director) shall, by and through the Inspectors of the Department, proceed annually to grade in accordance with the regulations herein contained the certificated teachers employed in public schools, together with certificated training-college students who have completed their training-college course.

2. (i.) Certificated teachers who are not in the employment of an Education Board on the 31st day of December in any year but who were included in the grading-list then current may be graded in the following year, but if not so employed during that year they may be graded in any subsequent year only on application to the Senior Inspector of the district in which they were last employed. Any such application must reach the Senior Inspector not later than the 1st day of February. Certificated teachers who have not been graded and who are not in the employment of an Education Board may be graded on application to the Director not later than the 1st day of February in any year.

(ii.) Any teacher in the service of an Education Board or any training-college student who for the first time becomes certificated after the grading-list is completed shall be entitled to be graded forthwith as from the date on which his certificate is issued.

(iii.) Certificated teachers who are for the time being employed in Native schools and special schools under the Education Department may be awarded grading-marks by the Inspector or Inspectors instructed thereto by the Director, but the grading of any such teacher shall have effect only in respect of any subsequent employment or application for employment of the teacher in the service of an Education Board.

3. The Inspectors of each education district acting together shall in accordance with these regulations assign grading-marks to all the certificated teachers employed in the public schools by the Education Board of the district on the 31st day of December preceding, and shall, through the Senior Inspector of the district, forward such grading-marks to the Director:

Provided that training-college students who hold teachers' certificates shall be assigned grading-marks by the Inspectors of the district in which the training college attended is situated, after consultation with the Principal of the training college concerned.

4. For the purpose of assigning grading-marks to the teachers of any district the Inspectors shall, in the manner prescribed in clause 5 hereof, provisionally divide the teachers to be graded in that district into six groups, as follows:—

Group 1—Sole teachers with salary of Grade I, and assistants with salary of Grade 1 or 2.

Group 2—Head or sole teachers with salary of Grade II, and assistants with salary of Grade 3.

Group 3—Head or sole teachers with salary of Grade III, and assistants with salary of Grade 4 or 5.

Group 4—Head teachers with salary of Grade IV, and assistants with salary of Grade 6 or 7.

Group 5—Head and assistant teachers with salary of Grade V.

Group 6—Head teachers with salary of Grade VI or VII.

5. (i.) The grade of salary for the purposes of the preceding clause shall be the grade of salary as set out in columns 1, 2, and 3 of the tables

forming Parts I and II of Schedule IV in clause 1 of the Regulations for the Salaries of Public-school Teachers and payable to the teacher on the 31st day of December preceding.

(ii.) A teacher who holds or who has held a permanent position shall be placed in the group warranted by the grade of salary of his permanent position or his last permanent position, as the case may be :

Provided that—

(a.) The head teacher of a district high school, unless he is already in Group 6, shall be placed in the group next above that in which he would otherwise be placed under the above provisions :

(b.) Teachers in charge of part-time schools shall in all cases be grouped as if their grade of salary were determined by clause 30 of the Regulations for the Salaries of Public-school Teachers gazetted on the 13th November, 1919, which for this purpose shall not be modified by the proviso to clause 9 of the same regulations :

(c.) A teacher who previously had occupied a position that would under these regulations have placed him in a higher group than the one determined by his present position may, with the permission of the Director, be graded in such higher group if the Inspectors report that the teacher's efficiency has been maintained in all respects :

(d.) Native-school teachers and teachers of special schools shall be grouped as if they received the grade of salary for positions in schools of corresponding grades under the Fifth Schedule to the Act.

(iii.) Except in the case of teachers who hold a permanent position but are temporarily filling another position, or of temporary teachers who have held a permanent position, or of permanent relieving teachers, all temporary and relieving teachers shall be placed in Group 1.

(iv.) Training-college students entitled to be graded shall be placed in Group 1.

(v.) In the case of any teacher or student placed in Group 1 under the provisions of subsection (iii) or subsection (iv) hereof, or of any teacher who has not previously held a position under an Education Board, the Director may, on the recommendation of the Inspectors, direct that such teacher or student shall be placed in a group higher than Group 1.

6. For the purpose of grading, marks shall be assigned by the Inspectors on the following basis, namely :—

	Maximum Marks.
Skill in teaching	40
Personality and discipline	15
Organization and management	15
Environment	5
Academic attainments	15
Service	10
Total maximum	100

To the total marks thus ascertained shall be added in each case the quota as prescribed for each group under the provisions of Regulation 13 hereof. Such quota shall be for the purpose of weighting the value of the marks in the successive groups in recognition of the relatively higher qualifications demanded by the higher positions. The combined total of the marks and the quota shall determine the grading of the teachers.

7. Marks for skill in teaching, for personality and discipline, for organization and management, and for environment shall in the first case be assigned with special relation to the teacher's efficiency in the class of positions occupied by him up to the time of grading, and shall be assessed in all essential respects on a basis of comparison with teachers in the same group :

Provided that after the marks for the teachers in each group have been provisionally determined, the Inspectors, having regard to the grading of the teachers of the district as a whole, may make such adjustment as they consider necessary to bring into due relation the marking in the various groups :

Provided further that when any teacher is to be graded in a higher group than that in which he was last graded, the marks to be awarded on the judgment of the Inspectors shall be reassessed according to the higher standard of marking in such higher group, so that, except for any special operation of Regulation 9, the total of these marks, added to the quota mark, shall, in general, be increased only by such number of marks as represents the increased efficiency of the teacher since the previous grading.

8. In assigning marks under the several headings above stated Inspectors shall be guided by the following table of comparative values :—

	Maximum 40.	Maximum 15.	Maximum 10.	Maximum 5.
Very good to excellent ..	35-40	13-15	10	5
Good	30-34	10-12	8-9	4
Very fair	25-29	8-9	6-7	3
Fair	20-24	6-7	4-5	2
Weak	15-19	4-5	2-3	1
Very weak	10-14	3	1	0

9. Notwithstanding anything contained in clause 6 hereof, the maximum marks assignable to assistant teachers for organization and management shall be as follows :—

- (a.) An assistant teacher who has held the position of head or sole teacher for at least one year in a school with a yearly average attendance of not less than nine shall be eligible for 10 marks.
- (b.) In addition to the assistant mistress referred to in subclause (g) hereof, the senior male assistant and the senior female assistant teacher in a school in Grade VII shall, unless they are otherwise eligible for 15 marks, be eligible for 10 marks.
- (c.) An assistant teacher who holds or who for at least one year has held the position of sole or senior assistant in the secondary department of a district high school with a yearly average attendance of at least twenty secondary pupils shall be eligible for 10 marks.
- (d.) An assistant teacher who has held the position of temporary head teacher of a school in Grade II, or in a higher grade, for a period of at least one year shall, with the approval of the Director, be eligible for 10 marks.
- (e.) An assistant teacher who for a period of at least two years has held the position of head teacher of a school of Grade III, or of a higher grade, shall be eligible for 15 marks.
- (f.) An assistant teacher shall be eligible for 15 marks if he has been head or sole teacher of a school in which the salary allocated to the position at the time he occupied it would, if determined under the present scale of salaries, have placed him in the same group as that in which he is now placed.
- (g.) The assistant mistress placed by the headmaster in charge of the infant department of a school of Grade Vc or upwards, or who has previously held such a position for a period of not less than two years, shall be eligible for 15 marks. For the purpose of this subclause the description "assistant mistress placed by the headmaster in charge of the infant department" shall be held to include the senior teacher in a side school with a yearly average attendance of not less than eighty-one.
- (h.) All other assistant teachers shall be eligible for 5 marks.

10. Marks for environment shall be awarded for the teacher's taste and care with respect to the school and its surroundings, and for evidence of the teacher's value as a useful factor in the life of the community :

Provided that any teacher eligible to be graded may, through the head teacher, forward to the Senior Inspector information on any matters relating to his eligibility for marks for environment.

11. Marks for academic attainments shall be based on the class of teacher's certificate held, and shall be given as follows : For certificate of Class E, 3 marks ; Class D, 6 ; Class C, 9 ; Class B, 12 ; Class A, 15 :

Provided that a teacher who is awarded a higher class of certificate after the grading-list has been completed shall be entitled to receive the additional grading-marks for the higher certificate as prescribed in this clause, and the consequent alteration in his grading shall be notified to each Education Board and in any supplement to the grading-list that may be issued.

12. Teaching service shall be reckoned in accordance with Regulations 5 and 6 of the Regulations for the Examination and Classification of Teachers, and shall include service up to the 31st day of December preceding. For each complete two years of service so reckoned 1 mark up to a maximum of 10 marks shall be assigned.

13. The quota of additional marks for which provision is made by Regulation 6 shall for the respective groups be as follows :—

For group 1 a quota of	10	marks.
" 2 "	20	"
" 3 "	30	"
" 4 "	40	"
" 5 "	50	"
" 6 "	60	"

14. (i.) It shall be the duty of the Director to secure and maintain a reasonable degree of uniformity in the standard of marking in the various districts, and to this end he may, as he thinks fit, confer with all the Senior Inspectors conjointly.

(ii.) If by the decision of such conference it is held that the standard of grading in any district departs to an unreasonable extent from that of the remainder of the Dominion the Director shall instruct the Inspectors of the district or districts concerned to adjust their standard of marking accordingly.

15. From the grading-marks forwarded to the Director by the Senior Inspectors of the various districts shall be compiled annually a general graded list of teachers, which shall be duly published in accordance with the Act before the 30th day of June. Every such general list shall contain—

- (a.) The names of all teachers graded as herein provided, arranged in order, and consecutively numbered in accordance with the totals of the grading-marks assigned :
- (b.) The name in each case of the district in which the teacher was graded, the nature of the position occupied, and such other information as the Director may determine :
- (c.) The names of all certificated teachers in the Dominion, whether graded or not, and the class of certificate held by each teacher.

16. Each teacher who is graded under these regulations shall be supplied by the Director of Education with the separate marks on which his grading was determined, the information thus supplied to be treated as confidential.

17. Any teacher who considers that he has good grounds for objection to the position assigned to him on the graded list may, not later than thirty-one clear days after the publication of the list in the *New Zealand Gazette*, lodge an appeal by letter with the Director of Education, Wellington, giving the complete and definite grounds on which the appeal is based, and every such appeal shall be dealt with as hereinafter provided.

18. All the appeals from each district shall be sent to an Appeal Board in the district concerned. Such Appeal Board shall consist of a Chairman appointed by the Minister, who shall be Chairman of all Appeal Boards, a representative of the Department not being an Inspector of the district, and a representative selected by the certificated teachers of the district in such manner as the Director may determine.

19. The Appeal Board in each district shall consider the appeals sent in from teachers in the district only with respect to the definite grounds stated in each appeal. In any case where the Board decides that an appellant's grading is too low or too high, a report to that effect shall be made to the Director, who shall refer the case to the Inspector or Inspectors concerned, with an instruction to regrade the teacher in accordance with the decision of the Board. The result of the appeals dealt with in all the districts shall be published in a supplementary *Gazette* as soon as possible after the hearing of the appeals is concluded.

20. Teachers who may be entitled to benefit by the special provisions of clauses 5 (ii) (c), 5 (v), or of clause 9 of these regulations are required to notify the Director accordingly not later than the 1st day of February in each year, stating the name of the school, the position held, period of tenure with dates, rate of salary, and any other necessary particulars in connection with their claim to come under any of the regulations referred to. Likewise, teachers who by reason of broken service or of service in more than one district are in any danger of having a portion of their claim for service overlooked are required to forward to the Senior Inspector of their district by the same date all relative particulars of such service as herein mentioned.

LIVERPOOL, Governor-General.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this twentieth day of December, 1919.

Present :

THE RIGHT HONOURABLE W. F. MASSEY, P.C., PRESIDING
IN COUNCIL.

WHEREAS by section eleven of the Post and Telegraph Act, 1908, as amended by section eighteen of the Post and Telegraph Amendment Act, 1919 (hereinafter referred to as "the said Acts"), the Governor-General in Council is empowered to make regulations authorizing the Postmaster-General to accept for safe custody any documents or articles of value of a prescribed kind or kinds, and prescribing the conditions of such acceptance and the charges to be paid in respect thereof :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the powers and authority conferred upon him by the said Acts, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the regulations set forth in the Schedule hereto ; and doth order that such regulations shall come into force from the date of the publication of this Order in Council in the *New Zealand Gazette*.

SCHEDULE.

SEALED packets containing securities, insurance policies, deeds, wills, or other paper or parchment documents may be accepted for safe custody at all money-order offices in charge of a permanent official, under the following regulations :—

1. *Charges.*—The charges for each calendar year ending 31st December, or any less period, shall be as stated hereunder, and shall be payable in advance.

Sealed packets—	£	s.	d.
(a.) Not exceeding 11 in. in length, 4½ in. in width, ½ in. in thickness, and 4 oz. in weight	0	5	0
(b.) Not exceeding 11 in. in length, 4½ in. in width, 1 in. in thickness, and 8 oz. in weight	0	7	6
(c.) Not exceeding 11 in. in length, 4½ in. in width, 2 in. in thickness, and 16 oz. in weight	0	10	0
(d.) Not exceeding 11 in. in length, 4½ in. in width, 4 in. in thickness, and 32 oz. in weight	1	0	0

2. *Custody.*—Packets are to be kept in the safes provided. The sole key supplied is to be kept in custody of the Postmaster or District Accountant. The officer authorized to hold the key may on no account delegate his duties to any other officer. Only the officer holding the key is to attend to the depositors making use of this system.

3. *Hours.*—The hours during which packets will be received, or may be inspected or withdrawn from custody, shall be between 11 a.m. and 12 noon (Saturdays and holidays excepted), but if it can be arranged without undue interference with his other duties the Postmaster may at his discretion receive packets, or may permit them to be inspected or withdrawn from custody, during other Savings-bank hours.

4. *Contents of Packets.*—Only sealed packets containing securities, insurance policies, deeds, wills, or other paper or parchment documents will be accepted for safe custody. The Department will not accept the custody of any coin, bank-notes, jewellery, or precious stones, and reserves the option of refusing to accept for custody any packet if it sees fit to do so.

5. A receipt, hereinafter called a safe-deposit certificate, shall be given for each packet accepted from a depositor for safe custody.

6. A depositor may inspect his packet free of inspection charge four times during each calendar year. Additional inspections may also be made on payment of a fee of 6d. for each inspection.

7. A depositor desiring to inspect or withdraw his packet must produce his safe-deposit certificate.

8. A depositor desiring to inspect or withdraw his packet and who is unable to attend personally may authorize an agent to act in his stead by means of an order in writing on form Acct. 689. The specimen signature of the agent and the "reference word" in the depositor's own handwriting must appear thereon, and such order shall be accompanied by the depositor's safe-deposit certificate. A depositor who is unable to write his name must attend in person at a post-office and furnish the Postmaster with satisfactory proof of his identity.

9. When a deposit of a packet has been made in the name of one person only, then upon the death of such person the packet may, on production of the safe-deposit certificate, be delivered to his executors or administrators, after probate or letters of administration have been submitted to the Controller of Savings-banks and Accounts, and the executors or administrators have been identified beyond any doubt ; or, if there is no intention to prove a will or take out letters of administration, the packet may be delivered to the persons authorized by the Controller of Savings-banks and Accounts to receive the same.

10. When a deposit of a packet has been made in the name of two or more persons, then on the death of any one of such persons the Controller of Savings-banks and Accounts may direct that such packet be delivered to the surviving person or persons ; or, on the death of all such persons, to the executors or administrators of the last survivor ; or to the person who in his opinion is entitled to its possession.

11. If after the death of a depositor access to a packet is required to search for the depositor's will, such packet is to be opened by the Postmaster or District Accountant only, and in the presence of the next-of-kin or his solicitor, or of an agent of the next-of-kin duly appointed in writing, on presentation of the safe-deposit certificate. Search is then to be made by the Postmaster in the continuous presence of the inquirer, and if the will is found the Postmaster is to read the names of the executors, note them on form Acct. 687, and inform the inquirer that the will can only be delivered to such executors personally, or to a person who bears their authority. If the will has been prepared by a solicitor, delivery of the packet should be made in his presence, if practicable. If a person intending to apply for letters of administration desires to see the contents of a packet for the purpose of arriving at the value of the estate, he may do so in the continuous presence of the Postmaster, and if a solicitor acted for deceased, or is arranging for an application for probate, &c., he should also be present, but they may not withdraw any of the contents from custody at that stage.

12. Upon notice of the decease of a depositor who has lodged a packet for safe custody, the packet is to be marked in red ink "Deceased" in the space immediately above the number on the packet, and also in the Safe-deposit Record.

Notice to Mariners.—No. 93 of 1919.

USE OF MINE PROTECTION GEAR.

Marine Department,
Wellington, N.Z., 23rd December, 1919.

ADVERTING to Notice to Mariners No. 82 issued by this Department on the 4th ultimo and published in the *New Zealand Gazette* of the 6th ultimo, the following additional notice issued by the Admiralty is published for general information.

W. H. HERRIES,
Minister of Marine.

CIRCULAR TO SHIPOWNERS AND MASTERS OF THE BRITISH
MERCANTILE MARINE.

ADMIRALTY circular letter, dated 1st August, 1919, embodying the latest orders governing the use of "Otter" mine protection gear, enables all vessels other than passenger vessels, excepting those trading in the Baltic and Black Seas, now or in the future, to dispense with the use of "Otter" gear, and also exempts a very large number of passenger vessels.

2. In order to reduce unnecessary expense, orders have been given that no further repairs to this gear are to be executed unless there is any reason to suppose that the vessel will traverse any of the prescribed areas before returning to British waters.

3. In these circumstances it is not considered necessary that the upkeep of the gear should continue to be so sedulously maintained as has been required in the past, except in those vessels which are still required to use it. It is therefore notified for information that the payment of the allowance of £1 per month for upkeep will cease as from 1st October, 1919, except in the case of the vessels still required to use

Otters; and orders have been issued that no certificates are to be signed for the upkeep of the gear after this date, except in the case of these vessels. Certificates will, however, continue to be given for any periods prior to the 1st October where the allowance has been earned.

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE

EDUCATION DEPARTMENT.

WELLINGTON.
