PUBLIC WORKS DEPARTMENT.

NOTE—Owing to fluctuations in rates of wages, it has been found to be impossible to set out wages payable to tradesmen. The figures shown are, except in special cases, those of the year 1919-20, plus any increases provided for in that year's scale. During the current year any necessary adjustments will be made by way of bonus or allowance, to supplement the 1919-20 rates.

Engineers may not advance beyond £440 per annum until they have received the qualification of A.M.I.C.E.

NATIVE-SCHOOL TEACHERS.

The salaries of Native-school teachers carry scale increases generally from the 1st February in each year. The salaries given are those for the calendar year 1920. The increases cannot be specified, as they are subject to varying conditions prescribed by the regulations relating to Native schools and the grading of teachers. "Salary maintained at higher grade" means that, although the grade of the school has fallen, the grades of salary have been maintained in accordance with the provisions of the Native Schools Regulations and the Education Act, 1914.

(a) Section 42, Appropriation Act, 1919.

MENTAL HOSPITALS DEPARTMENT.

NOTES.—Where the services of attendants who have not passed the Junior Examination at the end of their first year, and do not pass this examination until after eighteen months' service, are retained, the first increment of salary will date from the passing of the examination, and subsequent increments from the anniversary thereof.

Owing to fluctuations in rates of wages it has been found to be impossible to set out the wages payable to tradesmen. The figures shown are, except in special cases, those of the year 1919-20, plus any increases provided for in that year's scale. During the current year any necessary adjustments will be made by way of bonus or allowance to supplement the 1919-20 rates.
