NEW ZEALAND GAZETTE

OF

THURSDAY, MAY 13, 1920.

Published by Authority.

WELLINGTON, FRIDAY, MAY 14, 1920.

Teachers holding Certificates or Licenses under the Education Act, 1914.

Education Department,
Wellington, 22nd April, 1920.

THE following lists of teachers are issued under the authority of the Minister of Education in accordance with the regulations respecting teachers' certificates made by Order in Council on the 13th February, 1912, and with the amendments thereto made on the 9th July, 1914, 11th September, 1916, 2nd April, 1917, 17th December, 1917, and 25th March, 1919. Part I also serves the purpose of an alphabetical index to the general graded list of teachers published below in Part III.

Parts I and II contain the names of the certificated and licensed teachers respectively who are at present employed in some form of public instruction, or who were so employed up to a few years ago.

The names of the teachers who are not known to have been engaged in teaching at any time during the past five years have been removed from the list, except when such teachers have made special application to be graded, and the retention of their names in the alphabetical list has been necessary to show their positions on the graded list.

In Part I there is shown in each case the class of certificate held as defined by the regulations. Under the heading "Engagement," employment in the several classes of schools is indicated by the abbreviations shown in brackets in each case: Public school (P.S.); Native Maori schools (Nat.); recognized classes under the Regulations for Manual and Technical Instruction (Tech.); schools in special Government institutions (Spec.); private schools registered under the Education Act, 1914 (Priv.); public secondary schools (Sec.); University Colleges (Univ.); training colleges (Tr.C.); while students of training colleges are indicated by "Norm.," Inspectors of Schools by "Insp.," and other departmental certificated officers by "Dept.," A blank opposite a name shows that the teacher is at present unemployed so far as is known to the Department. The district in which a public-school teacher is engaged may be ascertained by referring to the graded list.

W. J. ANDERSON,
Director of Education.

PART III.

General Graded List of Teachers.

The following general graded list of teachers is issued, in accordance with regulations made by Order in Council of the 23rd December, 1919, and subsequent amendments, under the authority of the Education Act, 1914.

Included are the names of all certificated teachers who were employed in public schools or Native schools on the 31st December, 1919, and of such other certificated teachers who made special application to be graded in accordance with Regulation 2.

Superannuated teachers temporarily re-employed, and holders of certificates who are not intending to re-enter the service, have not been graded, though their names are included in Part I of the list of certificated teachers.

The names of teachers are placed below in order of merit according to the total marks awarded. "Graded No." 1 indicates the teachers who received the highest total marks; "Graded No." 4, the teachers receiving three marks less than those with "Graded No." 1; "Graded No." 5, 6, and 7, the teachers receiving four, five, and six marks respectively less than those under "Graded No." 1; "Graded No." 51, the teachers receiving fifty marks less than those with "Graded No." 1; and so on. The names of teachers who receive the same total number of marks in the graded list are alphabetically arranged within their group, and the "Graded No." placed opposite the first name in the alphabetical order is the "Graded No." of each teacher within the group.

The abbreviations used in the column showing the position of the teacher are as follows: H (head teacher); S (sole teacher); A (assistant teacher); I (infant mistress of schools of Grade Vc to Grade VII); D (assistant in secondary departments of district high schools).

The education districts in which teachers are graded are shown under the heading "District."

In accordance with clause 16 of the regulations each teacher is being supplied with the separate marks on which his grading was determined, such information to be treated as confidential.

In accordance with the provisions of clause 14 of the regulations certain adjustments in the standard of grading have been made by the Inspectors. In any case where this action has resulted in a reduction of marks it is hereby recorded that such reduction does not indicate a loss of efficiency, but is the result of certain necessary alterations in the standard of grading. A note to this effect is also stamped on the grading-card of each teacher affected.

Attention is hereby drawn to clause 17 of the regulations, under which any teacher who considers that he has a good ground of objection to the position assigned to him on the graded list may lodge an appeal by letter to reach the Director of Education not later than thirty-one clear days after the publication of the list in the *New Zealand Gazette*, i.e., appeals must reach the Department not later than the 14th June, 1920. The grounds on which the appeal is based must be stated.

The alphabetical list of certificated teachers published in Part I serves as an index to the graded list.

W. J. ANDERSON,
Director of Education.
