**MANAGEMENT.**

6. The management of the Exchange shall be vested in a Committee, consisting of the Chairman, Vice-Chairman, and three other members, and such Committee shall have (subject to these rules) the direction and control of the affairs of the Exchange, and they shall forthwith provide a common seal for the Exchange, and they shall have power from time to time to destroy the same and substitute a new seal in lieu thereof, and they may make regulations for the use and safe custody of the common seal, provided always that every instrument to which the seal shall be affixed shall be signed by at least two members of the Committee and countersigned by the Secretary or some person appointed by the Committee.

9. A member of the Committee shall not at any meeting take any part in any proceedings relating to any complaint concerning such member, or otherwise having reference to the conduct of such member, or relating to any other matter in which such member has a special interest, and such member shall not be entitled to vote at any subsequent meeting of members dealing with any such subject or matter.

10. A member of the Committee shall not take part in any of its meetings pending the investigation of a charge affecting himself.

11. The surviving or continuing members of the Committee, notwithstanding any vacancy in their number, may act until the vacancy be filled up.

**TREASURER.**

16. The Secretary shall keep the accounts, and act as Treasurer, and shall have the custody of all books and papers. He shall present at each annual general meeting a statement of the finances of the Exchange to the end of the previous year, duly audited by a member appointed by the members for that purpose.

A general meeting of members shall be held annually in the month of January, at which the business shall be to receive from the Treasurer a balance-sheet showing the financial position of the Exchange; to elect a Committee

with the Secretary the resignation of his own membership. In the event of such candidate being rejected the member may again propose a candidate, until a candidate proposed by him shall be elected. Pending the election of a candidate proposed by him, the member shall retain his membership and all the privileges thereof; but as soon as a candidate proposed by him shall be elected the resignation of such member shall take effect.

46. Any member may resign his membership, and there-after nominate a candidate to be proposed for membership in his stead. In the event of such nominee being rejected, the resigning member may again nominate a candidate until a candidate nominated by him be elected.

In the event of his rejection the said fee so paid shall be returned to him. 51. The election of any candidate for admission to membership by virtue of this purchase of a membership from a member, or the executors or administrators of a deceased member, shall not be proceeded with until all claims which the Exchange or any member or members thereof may, under these rules, have or have had against the said member or deceased member shall have been satisfied.

#### *Defaulter.*

57. The Committee shall suspend for such period as it shall think fit, and may also fine or recommend for expulsion, any member who shall fail to pay when due any debt incurred by him to another member. Should the Committee decide to recommend the member's expulsion, they shall report accordingly to the members at a special general meeting called for that purpose. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the member so brought before them, or deal with him by fine or suspension from membership. A member who becomes insolvent or assigns his estate for the benefit of, or compounds with, his creditors shall, *ipso facto*, cease to be a member, and shall forfeit to the Exchange all interest in his membership and in the funds and property of the Exchange, notwithstanding that he may not be at the same time a defaulter on the Exchange; but such member may be reinstated without payment of fee after he has obtained his discharge from his insolvency, or a release from his creditors, by ballot taken in the same manner as provided by Rule 40.

58. The Committee shall have power to order that all open transactions, including time bargains, between any member unable to meet his engagements and other members shall be closed within a time to be named by the Committee. Such transactions shall be closed accordingly by the Chairman buying or selling in the market, on account of the member in default, such stock or shares as he may have contracted to sell or purchase. The Chairman shall charge current rate of brokerage to the defaulter, and such brokerage shall be the property of the Chairman. Members shall, without delay, render full statements of accounts to the Committee.

59. Should it come to the knowledge of any member of the Exchange that a broker, either in Christchurch or elsewhere, has failed to meet his engagements, the said member must at once report the circumstances to the Chairman, who shall bring the matter before the Exchange, at its first meeting, for decision as to what action shall be taken. Any member failing or neglecting to report to the Chairman as above specified shall be liable to be fined a sum not exceeding £200, or to be suspended, at the option of the Exchange.

60. The Committee shall have power to investigate the accounts of members with a member in default, and to reject or require the correction of any items which they may deem unsatisfactory.

All surpluses in the hands of members resulting on the closing of open transactions with a member in default shall be paid to the Committee.

62. The Committee shall distribute as soon as possible amongst members, creditors of the member in default, the surpluses received from other members on his account, and all moneys due to him out of funds in the hands of the Committee from the estate of another member in default.

#### *Distribution of Assets of Ex-Members.*

63. The Committee in dividing amongst members, creditors of a late member, the proceeds received by them on sale of a membership, after deducting the transfer fee of the purchaser and all other liabilities due to the Exchange, or in dividing

any surpluses received by them from members on account of a defaulting member's estate, or in dividing any moneys due to him out of funds in the hands of the Committee from the estate of another member in default, shall not necessarily distribute the same *pro rata*, but may in their discretion give preference either wholly or in part to claims of recent date over claims of longer standing which were not divulged to the Committee at the time they arose.

64. Claims on the estate of a resigning, retiring, or deceased member that do not arise from transactions under these rules shall not be recognized by the Committee until all claims that have arisen from transactions under the rules shall have been satisfied.

#### Partners or Clerks.

65. Without limiting the powers of a member under clause 41 of these rules, the Chairman or Vice-Chairman may grant a member permission for a partner or clerk in his service to attend the official meetings for the purpose of making quotations, and the purchase and sale of shares, on behalf of such member and in his stead, but for no other purpose. Such authorized partner or clerk shall be subject to the rules and usages of the Exchange, but shall not have a vote at any meeting nor any voice in the management of the Exchange. The Chairman or Vice-Chairman may withdraw the permission at any time.

66. A clerk so admitted to official meetings shall be deemed to be the agent of his employer, and the member on whose application he is admitted shall be responsible for all transactions of the said clerk.

67. A clerk shall not be eligible for admission unless he be at least twenty-one years of age.

68. A clerk shall not buy or sell time bargains or deal except in cash transactions unless he shall have written authority to do so from his employer, such authority to be lodged with the Chairman, and all his dealings shall be on account of his employer.

69. A member may, by a letter addressed to the Secretary, withdraw the authority to his clerk to act, but his responsibility shall continue until such withdrawal shall have been notified to the members at an official meeting.

#### COMMISSION.

70. The rates of brokerage shall be those fixed or adopted from time to time by the Stock Exchange Association of New Zealand.

71. No rates other than those fixed or adopted shall be charged. It shall not be allowable under any circumstances whatever to pay agents or other persons not members of an exchange affiliated to the Stock Exchange Association of New Zealand a remuneration of any kind for introducing business, except in respect of applications for shares in new companies, or for issues of new or reserve shares.

72. No member shall do business for or with any broker or other person (other than a member of an exchange affiliated to the Stock Exchange Association of New Zealand, or a member of a recognized exchange beyond New Zealand) at net prices or at less than the rates of commission fixed or authorized by the Stock Exchange Association of New Zealand.

#### OFFICIAL MEETINGS.

73. The official meetings of the Exchange shall be the meetings of members, held at such place and times as the members shall appoint, at which the business shall be to make prices, effect sales, and receive and record quotations of sales, also to do any general business in accordance with these rules. The quorum for an official meeting shall be not less than five members of the Exchange for the time being entitled to vote.

74. The official holidays to be observed by all members of the Exchange shall be fixed at the annual general meeting held in January of each year. Special holidays shall not be declared except by the vote of not less than two-thirds of the members present at any official meeting. Notice of intention to take such vote shall be given by the Chairman at a previous meeting. No meeting shall be held on public holidays unless otherwise ordered by the members in the same manner as that provided for special holidays.

75. A member shall not leave an official meeting without the permission of the Chairman, under penalty of a fine to be fixed by the Chairman, which shall be paid within seven days.

76. Telegrams and other written communications may be received by members during business meetings, but no messages shall be sent out during such meetings.

#### QUOTATIONS.

77. At the official meetings the prices made shall be binding on members making them to the extent of the minimum quotation, unless a definite number is stated. No sale shall be made while the record of business done is being called over, or during any time of suspense ordered by the Chairman.

78. In offering to buy or sell at the meetings of the Exchange, the minimum number of shares in mining companies in each case shall be—

Up to 1s. in value	..	..	..	300 shares.
Over 1s. to 2s. 6d.	..	..	..	200 "
Over 2s. 6d. to 5s.	..	..	..	100 "
Over 5s.	..	..	..	50 shares or £50 worth.

The minimum value of any quotations of shares in investment companies shall be £100 worth.

No sales on "change" or reported sale of Government inscribed stock, bonds, or debentures shall be officially quoted unless the sale is of a parcel of £500 or over.

79. The highest declared buyer shall have priority over all other members in purchasing the stock in question at the price named. But having made a purchase he must, to retain his priority, immediately declare himself as still a buyer.

80. The lowest declared seller shall have priority over all other members in supplying the stock in question at the price named. But having made a sale, he must, to maintain his priority, immediately declare himself as still a seller.

81. No sales shall be quoted on "change" except those which are made between members of this or any affiliated Exchange, and a sale may be reported only on the day on which the sale is made.

82. If any quotation of sale be challenged, the Chairman of the day shall immediately accompany the member whose quotation is doubted to his office, and there satisfy himself by examination of the books or papers of such member as to the bona fides of the quotation; and shall report the result either to the Committee in the first instance, or direct to the members in official meeting assembled, as to him shall seem fit. Any member refusing to the Chairman an inspection of his books shall be treated by the Committee as guilty of making a false quotation. An offender shall be considered as guilty of conduct unworthy of a member, and be dealt with accordingly.

#### OFFICIAL LIST.

83. The list of quotations of prices and of purchases and sales effected and reported at the meetings of the Exchange shall be the official list of the Exchange.

84. The Committee may, if it so thinks fit, issue a monthly list. No member shall issue a private list or general report. No member shall publish in or disclose to any newspaper any information about any company quoted by the Exchange, except in the name and with the consent of the Committee or the Chairman. No member shall advertise in any manner whatsoever in connection with sharebroking business, without first obtaining the sanction of the Committee. No member, nor his partner or clerk or any one employed by him, shall be allowed to attend auctions to bid directly or indirectly for stock, debentures, scrip, bonds, or shares of any description (forfeited shares excepted); and no member shall be allowed directly or indirectly to tender for stock, debentures, scrip, bonds, or shares of any description in a deceased or bankrupt estate.

85. Admission of companies to quotation on the official list shall be upon such terms and conditions as the members shall from time to time determine. The Exchange shall have power to suspend for any period, or withdraw altogether, the name of any company or association from the official list.

#### REGISTER OF SALES.

86. All sales made at official meetings shall be recorded in a register kept for that purpose, which record shall be called over before the close of such meeting, and members shall be bound thereby. Stamped contract notes for all transactions in mining shares shall be passed between members; and in the event of a dispute, unless the contract note shall have been returned within a reasonable time, it shall be *prima facie* evidence of a sale having been effected, and at the price stated therein.

#### INVIOABILITY OF CONTRACT.

87. In contracts between members for the sale and purchase of shares and stocks they shall be held to be principals to each other unless a written agreement to the contrary be made between buying and selling broker at the time of the contract being made.

#### DELIVERY AND SETTLEMENT.

88. When sales are effected the selling member must deliver the documents within ten days from 12 o'clock on the day of sale, except in the case of Tasmanian and Australian stocks, when twenty-one days shall be allowed, unless a special time for delivery is stated at the time of sale. If the documents are not delivered in accordance with this rule, the buying member shall (subject to his having given not less than twenty-four hours' notice to the Chairman of the Exchange, dating from noon of the day on which notice is given, of his intention so to do) have the right to purchase or buy the said shares through the Chairman on "change" on the following or any subsequent day within the period of six weeks from date of the original purchase and at the risk of the seller.

89. Purchasers shall not be required to take delivery of and pay for documents until the day following the sale. All documents must be delivered before 11 o'clock on Saturdays and 1 o'clock on other days, otherwise it shall not be incumbent on purchasers to pay for same until the following day.

90. Sellers shall have the right to require the purchase-money to be paid in cash or by marked cheque at the time and place of delivery of documents. In case of failure of payment by the buyer, the vendor may, within one day of default of settlement, or on any future day, either cancel the transaction or sell at the buyer's risk, through the Chairman of the Exchange, the securities involved; and the defaulting member shall forthwith pay to the vendor any difference between the original purchase-money and the net proceeds of the securities resold.

91. If delivery of documents has not been made within the time specified in Rule 88, and the buyer has not cancelled the purchase or bought at the risk of the seller as therein provided, and the seller shall tender delivery of documents after the expiration of six weeks from the date of the sale, the buyer shall not be bound or compellable to accept delivery of such documents unless some special agreement in writing has been entered into between the buyer and the seller in respect of such delivery.

92. When a buyer shall claim delivery of documents after the expiration of six weeks from the date of purchase, and the seller shall not have cancelled the sale or sold at the buyer's risk as provided in Rule 90, it shall not be incumbent upon the seller to deliver unless some special agreement in writing has been previously made between the buyer and the seller in respect of such delivery.

93. The refusal of the Board of Directors of any company to register a transfer shall not invalidate a sale.

94. Sellers shall deliver separate transfers and scrip representing a sufficient number of shares sold in each sale if required to do so. Buyers requiring scrip must have transfers delivered with scrip attached, or a memorandum equivalent to such scrip certified to by the company. A seller of shares in London companies having a colonial register shall deliver scrip on the colonial register, unless otherwise arranged at time of sale. The selling broker shall be responsible for a period of seven clear days from date of delivery for the validity of all documents delivered, and for the shares being free from all liability due or payable at the time of sale.

95. Sellers shall have the right to demand from the buyer, prior to delivery, a name for insertion in the transfer of investment shares. Failing the buyer complying with such demand within three clear days from date of sale, the seller may insert the name of the buying broker.

96. A member shall not be bound to accept delivery of a transfer signed by a transferee and his signature cancelled, or filled in with a transferee's name and the name cancelled.

97. Buyers shall have the option of refusing all transfers or scrip signed under power of attorney or per procuracion, unless the signature thereto be certified as correct by the secretary of the company, or the documents be accompanied by a valid power of attorney.

98. No member shall print or affix his name stamp on any transfer or scrip delivered to another broker.

99. In all forward contracts for shares or stocks, except where it is otherwise specifically agreed in writing between the parties at the time of sale, there shall be implied the following conditions: The seller may at any time and from time to time whenever the market price of the shares or stock is less than the amount for the time being owing under the contract, and the buyer may at any time and from time to time whenever the market price of the shares or stock exceeds the amount for the time being owing under the contract, by application or notice to the other in writing, require that the contract be kept to the market price by payment to the Secretary of the Exchange of the difference between the contract price and the market price. Notification of such application or notice shall be forthwith lodged with the Secretary. Any written notice may be served or application made by delivering the same to the other party personally, or by leaving the same at his registered address, and shall be deemed to be duly served or made when so delivered or left as aforesaid. No such application shall be made or notice served on Saturdays or Exchange holidays, or after 1 o'clock in the afternoon of any week-day. Whenever any such application shall have been made, or any such notice shall have been duly served as aforesaid, the person to whom such application shall have been made, or upon whom such notice shall have been served, shall, before 2.30 p.m. on the same day, pay to the Secretary of the Exchange a sum equal to the difference between the market price of the shares or stock at the time of such application or service and the amount then owing under the contract; such payments to be made in cash or marked cheque if so demanded. The amount so paid in shall be held by the Secretary upon and subject to the following trusts and conditions, viz:—

(1.) If the amount has been paid by the seller, and before the date fixed for completion of the contract the

market price of the shares or stock falls to the contract price, then such amount shall be repaid to the seller if demanded.

- (2.) If the amount has been paid by the buyer, and before the date fixed for completion the market price of the shares or stock rises to the contract price, then such amount shall be repaid to the buyer if demanded.
- (3.) The said amount shall in any case be repaid to the party paying the same, at the written request of the other party.
- (4.) The said amount shall be repaid to the party paying the same on the Secretary being satisfied that the contract has been completed.
- (5.) If the party who has paid such amount shall fail to complete the contract, then the said amount shall be applied, in the first place, in paying to the other party the amount which the defaulting party is liable to pay to him as hereinafter provided; and the balance (if any) shall be applied, firstly, in paying the brokerage payable to the Chairman as hereinafter mentioned, and, secondly, towards the payment of any fine or fines inflicted upon the defaulter.

Provided always that the seller may, in lieu of paying to the Secretary of the Exchange the difference between the market price and the amount owing under the contract, deposit the shares or stock in manner hereinafter mentioned. When any shares or stock are deposited under the provisions of this rule, such shares or stock shall be deposited with the Secretary of the Stock Exchange, or with such other person or persons as may be mutually agreed upon by the parties, to be held by the Secretary, or other person or persons, pending the due completion of the contract. On payment of the amount payable under the contract the shares or stock shall be delivered to the buyer, but if the buyer shall make default in such payment such shares or stock shall be returned to the seller.

In this rule, unless otherwise expressed, the "market price" shall mean the market price of the shares or stock at the time when application is made, or the notice is served as aforesaid, as the case may be. All disputes as to the market price shall be decided by reference to the Chairman of the Exchange, or, in his absence, to any member of the Committee who may be available, and mutually agreed upon, whose decision shall be final, conclusive, and binding on all parties.

If default shall be made by the buyer in complying in manner aforesaid with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the seller may in either or any such case forthwith, at his option, either cancel the contract or sell out the shares or stock through the Chairman, and the purchaser shall forthwith pay to the seller the difference between the contract price and the net proceeds from the sale.

If default shall be made by the seller in complying with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the buyer may in either or any such case forthwith, at his option, either cancel the contract or buy at the risk of the seller through the Chairman, and the seller shall forthwith pay to the buyer the difference between the contract price and the gross amount paid by the buyer. The Chairman shall charge the usual rates of brokerage on all such sales as aforesaid, the amount in each case to be paid by the defaulting party.

#### DIVIDENDS.

100. Transactions in shares shall be with dividend until the day the dividend is payable. When transfers are delivered subsequent to the declaration of a dividend, but prior to the closing of the books of the company, and in sufficient time for the registration of the shares, the seller shall not be responsible for the dividend, and the buyer's claim shall be only upon the registered holder; but when no reasonable time is afforded to the buyer to register the shares in his own name, then the seller shall be responsible for the dividend.

101. Dividends payable between the date of sale and the maturity of time bargains shall accrue to the buyer, and shall be accounted for at the time of settlement of the bargain.

102. Accrued interest on debentures up to and including the day of sale, in addition to the price, shall belong to the seller.

#### CALLS.

103. All calls made prior to time of sale shall be paid by the seller before delivery. Calls made between the date of sale and maturity of time bargains shall be paid by the buyer to the seller at the time of settlement of bargain.

#### TIME BARGAINS.

104. Unless otherwise agreed, neither party to a time bargain shall be entitled to call upon the other party to complete until the day fixed for completion.

105. Time bargains, the day for completion of which shall fall on a Sunday or Exchange holiday, shall not be completed until the business day next following.

## NEW SHARES.

106. In the event of new shares being created and offered to the shareholders in any company during the currency of a time bargain, or pending delivery of shares in time for the buyer to complete transfer to enable him to secure such new shares himself, the buyer, if desirous of receiving his proportion of such new shares, shall request the seller in writing, accompanied by the necessary funds, to secure them, and the seller, on receipt of such request, shall secure them, but the seller may elect to deliver such documents as will enable the buyer to secure the new shares.

107. When a transaction is in shares on a London register, the responsibility of the seller shall cease if he shall have taken every practicable course to secure the new shares; and, further, the seller shall be relieved of all responsibility if the circumstances place him in no better position than the buyer to secure the new shares, in which case the seller may, on receipt of a written request from the buyer to protect his rights, notify the buyer in writing of such circumstances, and the buyer on receipt of such notification shall protect his own interests.

## NON-MEMBERS.—FAILURE TO MEET ENGAGEMENTS.

108. Non-members shall pay for all stocks or shares purchased on their account before 2 o'clock on the day following the purchase, unless an agreement be made in writing to the contrary.

109. Should a purchaser, not a member, fail to pay the amount due on his purchase as per Rule 108, either the seller or his broker, or the purchaser's broker, shall be at liberty, at any time thereafter, at his or their option, either to sue such purchaser for breach of contract or to resell the securities in any manner and upon such terms and conditions as he or they may think proper, and to sue for the difference and all loss and expenses consequent upon such resale, whether the same shall be made immediately on such failure to pay as aforesaid or at any time thereafter; and all damages which the seller or his broker, or the purchaser's broker, may sustain thereby shall be recoverable by him or them from the purchasers as and for liquidated damages, and it shall not be necessary to give notice of any such resale.

110. In the event of any person not a member failing to meet any engagement with a member of the Exchange, the members may apply to the Committee to have such person posted as a defaulter. The Committee shall inquire into the case, and if satisfied that such default has been made shall post the said person and announce to the members that he is in default.

111. A member shall not transact business for a non-member who has been announced to the members as a defaulter unless such person shall have made an arrangement with his creditor or creditors satisfactory to the Committee.

## MEMBERS BARRED FROM DEALING WITH OTHER MEMBERS' EMPLOYEES.

112. A member shall not buy or sell shares for any one employed in another member's office.

## DISPUTES.

113. In disputes between members with reference to stock and share transactions brought under the consideration of the Committee to adjudicate upon any complaint submitted, the decision of the Committee shall be final and binding, and shall be carried out forthwith by the member or members concerned.

Unless permission of the Committee has first been obtained, members shall not appeal to any Court of law or equity in any dispute that may arise between them in transactions under these rules, and if such permission is not granted they shall accept the Committee as the sole and final tribunal and arbiter therein.

114. It shall not be incumbent upon the Committee to entertain any complaint submitted to them by any one not a member of the Exchange against a member of it, unless such member shall have been employed by the complainant in the capacity of broker; and in that or any other case in which a non-member desires the intervention of the Committee he shall, previously to the case being heard, pay not less than five guineas, or such other sum as the Committee may determine, to the Secretary, and shall undertake in writing to abide by and forthwith to carry out the decision of the Committee in the same manner as if he were a member of the Exchange; the Committee to have the power to repay the whole or part of the five guineas or such other sum to the complainant.

## POWER OF COMMITTEE TO PROCURE INFORMATION RELATIVE TO MATTERS UNDER INVESTIGATION.

115. Members and their clerks when required so to do by the Committee shall attend any meeting of the Committee, and then and there shall give such information as may be in their possession relative to any matter under investigation.

116. The Committee shall have full and absolute power, in the event of a complaint being made, which in their opinion justifies such procedure, to call upon any member to produce for their inspection all books, letters, telegrams, or copies

thereof, and other documents in his possession relating thereto, and he shall, without delay, produce them for inspection accordingly.

## VIOLATION OF RULES, AND PENALTIES.

117. The Committee shall take cognizance of all violations of these rules, whether in letter or spirit. Any member found by them to be guilty of such violation, or who may fail to comply with any decision or ruling of the Exchange or of the Committee, or who in the opinion of the Committee is or has been guilty of conduct unworthy of a member, shall be liable to be fined or suspended, or fined and suspended from membership by resolution of the Committee; or should the matter be of such moment as in their opinion to demand expulsion, the Committee shall report accordingly to the members at a special general meeting called for that purpose. It shall be competent for the said special general meeting to confirm the Committee's recommendation and expel the offending member, or to deal with him by fine or suspension.

118. The fines mentioned herein shall not, except in cases where another amount is fixed, be less than £25 or more than £100, and in case of a continuous offence shall be not less than £5 or more than £10 for each day during which such offence continues.

## NOTICES.

119. Except as by these rules otherwise provided, any notice or document to be given or served upon any member shall be deemed to be duly given or served if given by advertisement or by personal service upon the member, or by sending it through the post as a prepaid registered letter addressed to such member at his address as appearing in the Register, or to such other address as he shall from time to time notify in writing to the Secretary, or to his last known address.

120. Any member of the Exchange who shall fail to observe or be bound by the terms of any decision or ruling of the Committee or of the Exchange, or the spirit or intention thereof, relative to the conduct by the members of the Exchange of their business as such members, or to their dealings with one another as such members, or relative to other matters arising out of the objects or purposes of the Exchange, shall be deemed guilty of conduct unworthy of a member, and be dealt with in manner provided by Rule 117.

121. If a fine imposed on any member at a special general meeting of members be unpaid at the end of one clear week, the member in default shall forfeit his membership, and the Committee shall announce to the members that he has retired from the Exchange, and his name shall be erased from the list of members.

122. A member, or his partner or clerk being a member, shall not vote at any meeting at which a charge affecting such member is under consideration.

123. The Committee for the time being may, in their absolute discretion, and in such manner as they may think fit, notify, or cause to be notified, to the public that any member has been expelled, or has become a defaulter, or has been suspended, or has ceased to be a member.

124. No action or other proceeding shall, under any circumstances, be maintainable by the person referred to in such notification against any member or official publishing or circulating the same, and this rule shall operate as leave and authority to any member or official to publish or circulate such notification, and be pleadable accordingly.

125. A member under suspension shall not attend any meeting of the Exchange unless by leave of the Chairman, and then only for the purpose of speaking on a motion that he be fined or expelled, and having spoken he must withdraw. Such member shall not be entitled to vote.

## ALTERATION, AMENDMENT, OR REPEAL OF RULES.

126. In all dealings with members of other exchanges affiliated with the Stock Exchange Association of New Zealand the rules of that association shall apply and prevail over the rules of this Exchange.

127. The Exchange shall have power to alter, amend, or repeal any of these rules.

128. Notice shall be given in writing, addressed to the Secretary, of any proposed amendment, or repeal of, or addition to the rules. A special general meeting shall be called to consider any proposed alteration, amendment, or repeal, and at least seven days' notice of such meeting shall be given to the members by circular, sent to the last known business address of each member. The circular shall contain a copy of the proposed alteration, amendment, or repeal, but the accidental omission to give any such notice to any member shall not invalidate any proceedings taken or any resolution passed at such meeting. No amendment which introduces fresh matter shall be entertained at the meeting, and no proposed amendment, or repeal of, or addition to the rules, if rejected, shall be entertained again for six months.

## DISSOLUTION.

129. The distribution of the property of the Exchange in the event of its winding-up shall be determined by a special general meeting of the members of the Exchange.
