Department of Internal Affairs,  
Wellington, 16th October, 1920.

**T**HE following by-law, made by the Christchurch Fire Board, is published in accordance with the Fire Brigades Act, 1908.

G. JAS. ANDERSON,  
Minister of Internal Affairs.

**THE CHRISTCHURCH FIRE BOARD.****AGREEMENT OF SERVICE.**

AN agreement made between the Christchurch Fire Board (hereinafter called "the Board"), of the one part, and the members whose names are subscribed hereto, of the other part. Whereby it is agreed as follows:—

1. The Board engages the said members as paid members of the Christchurch Fire Brigade, and the said members agree to serve the Board as from their respective dates of joining the brigade and until their employment shall be determined as provided by the by-laws of the Board and hereinafter referred to.

2. The Board will pay to the said members during the continuance of their employment a salary as set out in the by-laws hereto, payable by fortnightly payments, and will provide them with quarters free of rent at such places as may be determined from time to time by the Board during their employment.

3. In case any of the said members shall during the continuance of their employment become totally or partially incapacitated from work resulting from any injury arising out of and in the course of such employment or incidental thereto, the Board shall, whilst such total or partial incapacity from work shall last, pay to such member or members for a period of twenty weeks and no longer from the time of such incapacity, and only so long as it shall last during that period, the weekly sum of £2, payable every Saturday, in lieu of said salary, or of any weekly sum which the said member or members would otherwise have been entitled to claim from the Board under the Workers' Compensation Act, 1908, or any Act passed in substitution therefor, and not in addition to any such weekly sum: Provided if any of the said members shall apply to the Court under the said Act for compensation either by way of a weekly or a lump sum during the said period of twenty weeks, and obtain an award of the Court during such period for a said weekly or lump sum, then the payment by the Board of such weekly sum of £2 shall cease as from the date from which compensation is payable.

4. At the expiration of such period of twenty weeks, should the said member or members be and continue to be totally or partially incapacitated from work owing to such injury, the said weekly sum so payable by the Board shall thereupon cease to be payable, and the said member or members shall be entitled to be paid by the Board from the expiration of that period such weekly sum or such other payment only as he would be entitled to claim, and as would be payable to him by way of compensation under the said Act as on an application to the Court under the said Act for such purpose.

5. The said members shall make themselves conversant with and obey all by-laws and regulations of the Board and of the service and all orders for the proper conduct and working of the brigade as may from time to time be entered in the order-book of the Superintendent of the brigade as provided by the said by-law.

6. The said members shall not, without the consent of the Superintendent, at any time or times during the said employment take, keep, receive, or consume any intoxicating liquors into, upon, or in any quarters which may from time to time be assigned to them by the Board, or any part of the premises used therewith or adjoining thereto.

7. The employment of the said members by the Board is to be subject in all respects to the conditions, terms, and regulations contained in the by-laws of the Board as set forth in the Schedule hereto, or any other by-laws of the Board which may be made from time to time by the Board in so far as they apply to paid members of the brigade, and by-laws the said members hereby agree to observe and by which they agree to be bound.

If any member withdraws without such notice he will forfeit all pay due to him, and be formally dismissed from the service, but this condition shall not apply to officers.

6. Every member is liable to immediate dismissal without any notice for unfitness, negligence, or misconduct, independently of any fines to which he may be liable, as provided by clause 18 of this by-law, and if he be dismissed from the service he is liable to forfeit the whole of his pay then due.

7. Members working at fires outside the district, or at special work other than fire-extinction, will be paid at the rate of 2s. per hour or part of an hour. This payment will apply to work done between the hours of 5 p.m. and 7 a.m.

1. Every member shall reside at the station, or within such easy distance therefrom as the Superintendent may approve.

2. Every member in the employ of the Board will be supplied with suitable uniform and accoutrements, for the safety, cleanliness, good order, and repair of which the member will be held responsible. 4. Every member is required to obey all lawful orders given by persons placed in authority over him, and also strictly to comply with all regulations and orders issued by the Board or the Superintendent and entered in the Order-book.

5. If the Board so decide, any member absenting himself without leave of the Superintendent from any fires or alarms, after working-hours, may be fined 2s. 6d. for first offence, 5s. for second, and on the third consecutive absence to be dismissed; any officer shall be liable to double fines.

6. No member under any pretence whatever is permitted to leave the locality of a fire without the instruction or permission of the officer in charge at the fire.

7. Members shall not be allowed to take any intoxicating liquors or smoke while on duty without permission from the officer in charge at a fire or practice, or other duties.

8. Any member guilty of negligence or misconduct, whether on duty or not, or found in such a state as to unfit him to perform the duties required, may, at the discretion of the Superintendent, be suspended for the time being, and in extreme cases may be summarily dismissed the service.

9. In all cases of suspension the circumstances connected therewith and the Superintendent's decision are to be reported to the Board, which will deal with the matter at the next meeting, when the offending member may, if he so wish, appeal against the Superintendent's ruling.

10. No member shall be entitled to any pay during the period he may remain under suspension from duty unless the Board, on investigation of the circumstances, acquit him from all blame in the matter.

11. Unless otherwise provided, one week's written notice given on either side shall terminate the agreement for service of members.

12. Auxiliary members of the brigade are to be in uniform and report themselves for duty in the Occurrence-book at 7 p.m. on alternate nights in each week. Members being absent from duty, unless with special permission, will be considered unsuitable for the Board's service.

GENERAL INSTRUCTIONS.

SENIOR OFFICER'S APPLIANCE MUST NOT BE PASSED.

When the senior officer is in charge of an appliance, none other moving in the same direction may pass him without permission.

HOW TO STOP VEHICLES APPROACHING ONE ANOTHER.

When two vehicles are approaching each other from different directions, the officer in charge of either can stop the other by raising and lowering his hand lamp.

PERFORMANCE OF PARTICULAR SERVICE AT FIRES MUST BE REPORTED IMMEDIATELY.

When working at a fire, any officer or fireman instructed by the Superintendent or officer in charge to perform any particular service must, at the earliest moment, report that he has executed the same, or why he has failed.

SPEED OF MOTOR-ENGINES PROCEEDING TO A FIRE TO BE SLACKENED WHEN APPROACHING DIFFICULT PLACES.

Officers or firemen in charge of appliances shall at all times proceed at a moderate pace when turning corners and passing over crossings, as well as in all crowded places. They must slacken speed at such a distance from the corner or other point of difficulty that when they approach it the appliance will be under full control.

When turning into a cross-street on the right-hand side, a wide sweep must be taken, so that the vehicle shall at no time be on the right-hand side of a central point equal distance from the four corners.

Drivers are instructed to exercise the utmost care in observing the rule of the road, and when not proceeding to a fire the speed shall not exceed that of the ordinary traffic.

The siren must only be used when a motor is proceeding to a fire; and when returning to the station, or at any other time, the horn is to be employed.

(The time occupied in travelling 100 ft. at the rate of ten miles an hour is seven seconds, while the time occupied in travelling 100 ft. at the rate of four miles an hour is seventeen seconds; the gain possible, therefore, over this distance if the speed be not checked, is ten seconds, and this gain is effected at the risk of damaging the appliances, or coming into collision with other vehicles, or running over pedestrians.)

SENIOR OFFICERS OR FIREMEN IN CHARGE MUST SEE THE ABOVE ORDER CARRIED OUT.

Without any reference, however, to the question of time, the senior officer or fireman in charge must see that the above

instruction as to slackening of speed on approaching awkward spots is duly carried out.

#### WHISTLE AND SIREN CALLS TO BE OBSERVED AT FIRES AND DRILLS.

**ONE SHORT WHISTLE.**—Attention! Be cautious!

**ONE SIREN CALL.**—When a whistle or siren call of about ten seconds duration is given, all men available will immediately assemble for orders to run out more hose, erect ladders, or make up, as the case may be.

When this call is given the branchman will send his assistant to the assembly, if in his opinion he can manage for the time being.

**ONE LONG WHISTLE CALL WITH PROLONGED PIPING.**—“General Muster.” Every fireman will muster immediately when this call is given. All water must be turned “off” and branches laid down ready for resuming operations if required.

#### DUTIES OF A STATION OFFICER OR FIREMAN IN CHARGE OF A STATION.

To keep an inventory of the motors and equipment attached to his station, and immediately report to the Superintendent any fault or wear which he may detect.

To keep the premises and all appliances in thorough working-order, and to see that the motors, reels, engines, and escapes are in position, and ready in every particular to turn out immediately on a call being received.

If he himself is the senior officer, to take immediate command over all brigadenes and appliances present.

To implicitly obey all orders of his superior, and to exact the same implicit obedience from those serving under him.

#### DUTIES OF A SENIOR FIREMAN.

To be able to take charge of any appliance or drill squad as occasion may demand.

To be conversant with the working of all appliances and gear used in the service.

To take charge of any particular work for which he may be appointed, and to be capable of taking over the duties of the station officer in his absence.

To have a good grasp of the water-reticulation of his district, and by study of the plans to know the most suitable mains to tap from for any fire in his district.

To study and otherwise endeavour to be able to perform the duties of his superiors should he be called upon to do so.

First-class firemen after two years' service are eligible for examination as senior firemen, but must possess the necessary qualifications.

#### DUTIES OF A FIREMAN.

To be always available for duty, unless booked otherwise.

To be civil and respectful in his demeanour, and clean and tidy in his dress.

To perform all duties entrusted to him in a prompt and efficient manner.

To be strictly sober, and remember to bring no discredit upon his uniform or station.
