JELLICOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 21st day of March, 1921.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

IN pursuance and exercise of all powers and authorities vested in him by the Valuation of Land Act, 1908, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke all regulations heretofore made or deemed to have been made under the said Act, and in lieu thereof doth hereby make the following regulations for the purposes of the said Act.

REGULATIONS.

1. IN these regulations, if not inconsistent with the context,—
 - “Local authority” means any Council, Board, trustees, commissioners, or other persons, by whatever name designated, empowered to make and levy rates :
 - “Local district” means the district over which the jurisdiction of a local authority to levy rates extends :
 - “District Valuer” means any person exercising his functions in such district as the Valuer-General from time to time directs, and includes every officer or valuer appointed or employed by the Valuer-General to act in the preparation of the district valuation roll or in the making of any valuation :
 - “Local Valuer” means any person temporarily employed by the Valuer-General for the purpose of making valuations :
 - “Person” includes company and corporate body :
 - “Publicly notified,” or “public notice,” means a notice published in the *Gazette* or some newspaper circulating in the locality to which the notice relates :
 - “Valuation” means an estimate of the value of any land, or interest therein, either with improvements or without improvements, or of the value of improvements alone, or of any single improvement or group of improvements, or of any interest therein :
 - “The said Act” means the Valuation of Land Act, 1908, and includes its amendments.
2. Local Valuers may be temporarily employed by the Valuer-General at such times and on such conditions as are found necessary for the purpose of making valuations.
3. Every District or Local Valuer shall, before he undertakes his duties, take and subscribe a declaration in form set forth and numbered 1 in the Schedule hereto.
4. (1.) A District Valuer or other officer now or hereafter employed at a yearly salary under the said Act shall not undertake for payment any valuation, assessment, or work relating thereto, except in the performance of his duties under the said Act, or with the previous written consent of the Valuer-General.
 - (2.) Any breach of this regulation shall make the offender liable to a penalty of £5 for each offence, and he shall further pay into the Consolidated Fund, through the Valuer-General, any fees or other moneys paid or payable to him for such valuation, assessment, or work relating thereto, and be liable to instant dismissal.
5. The district valuation roll shall be in the form numbered 2 in the Schedule hereto, or to that effect.
6. Each district valuation roll shall, after revision, be deposited for public inspection at such place, on such days, and at such hours during the day as the Valuer-General from time to time publicly notifies.
7. The form of valuation roll for local authorities rating on the capital or unimproved values shall be that numbered 2 in the Schedule hereto, or to that effect.
8. The cost of and incidental to the preparation, revision, or correction of the district valuation rolls shall, in local districts where the local authorities have been supplied with valuation rolls by the Valuer-General in terms of the said Act, be borne in equal one-third shares by the Land and Income Tax Department, the Valuation of Land Department, and the aforesaid local authorities respectively, and the last-mentioned one-third share shall be apportioned between the said local authorities in such manner as the Valuer-General determines. The cost as aforesaid in local districts where the local authorities have not been supplied with valuation rolls by the Valuer-General shall be borne in equal shares by the two Departments above mentioned.
9. No local authority shall be called upon in any year to contribute towards such cost any sum exceeding 1s. per centum of the capital value of all the property appearing on its valuation roll, and all additional cost (if any) shall be borne by the two Departments aforesaid in equal shares.
10. Each local authority shall pay its share of such cost on receipt of demand from the Valuer-General.
11. A certificate under the hand of the Valuer-General, specifying the share of such cost payable by any local authority

or Department, shall be conclusive evidence thereof, and the amount specified in such certificates shall be payable on demand.
