PRESIDING IN COUNCIL.

IN pursuance and exercise of the power and authority conferred on him by section two of the Finance Act, 1920, and of every other power and authority enabling him in this behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations prescribing the procedure of the War Pensions Medical Appeal Board (hereinafter referred to as the Appeal Board).

REGULATIONS.

1. ANY applicant for war pension (hereinafter called "the appellant") who is dissatisfied with the decision of the War Pensions Board in regard to—

- (a.) The assessment by way of pension of any war disability; or
- (b.) The attributability to or aggravation by his war service of any disability; or
- (c.) The attributability to war service, either directly or indirectly, of any death,

as set out in subsection (2) of section 2 of the Finance Act, 1920, is entitled to lodge an appeal setting forth the grounds of his dissatisfaction.

2. The appeal shall be lodged within two months after the date on which the decision of the War Pensions Board has been notified to the appellant, provided that the limit of time fixed by this regulation shall not apply in any case where the Appeal Board is satisfied that for any sufficient reason the appeal has not been lodged within the prescribed time.

3. The appeal, which must be in writing on the authorized form, shall be lodged with the local Registrar of Pensions or may be sent direct to the Commissioner of Pensions at Wellington, and may be accompanied by any medical or other evidence which the appellant may desire to furnish. Proper forms are to be obtained from local Registrars of Pensions or the Commissioner of Pensions, Wellington.

4. All appeals lodged shall on receipt thereof be recorded by the Commissioner of Pensions, who will in due course arrange for their submission to the Appeal Board, together with all previous medical reports and other relevant documents, including the medical history of the member of the Forces during his period of military service.

5. The Appeal Board shall fix a time and place for the hearing of the appeal, at which the appellant shall attend in person if so requested by the Board: Provided that nothing in this regulation shall preclude an appellant appearing before the Board in person should he desire to do so.

6. If an appellant fails to appear before the Appeal Board when notified and does not give a satisfactory explanation of his non-appearance within one month of the date set down for the hearing of the appeal, the appeal shall lapse, and no further appeal shall be allowed within the currency of his pension then in force.

7. If an appellant dies between the lodging of his appeal and the submission of the case to the Appeal Board, the appeal shall nevertheless be determined to enable the necessary adjustment to be made by the War Pensions Board in regard to the pension payable to any dependant. In such an event the legal representative of the deceased appellant may appear in person before the Board in support of his claim.

8. At least fourteen days' notice shall be given to an appellant of the date fixed for the hearing of his appeal.

9. The decision of the Appeal Board, together with all papers in connection with the appeal, shall be forwarded to the Commissioner of Pensions.

10. The decision of the Appeal Board shall be binding during the currency of the pension in force at the date of the appeal, or for such other period as the Appeal Board shall determine.

11. Where practicable, the decision of the Appeal Board shall be conveyed to the appellant at the time of the hearing of the appeal.

The Appeal Board shall disallow any expenses or compensation as aforesaid where the appeal is deemed by it to be frivolous.

ORDER IN COUNCIL.

At the Government Buildings at Wellington, this 6th day of June, 1921.

Present :

THE HONOURABLE SIR F. H. D. BELL, K.C.M.G.,
PRESIDING IN COUNCIL.

WHEREAS by section twenty-three of the Finance Act, 1921, it is provided that, in order to give effect to the terms of the agreement of Berne (being an agreement respecting the preservation or the restoration of the rights of industrial property affected by the world war, dated at Berne on the thirtieth day of June, one thousand nine hundred and twenty, to which agreement the Government of New Zealand has acceded), and generally for the purpose of restoring rights of industrial property affected by the war, the Governor-General may, by Order in Council, where the time has expired within which any act or thing may or is required to be done under or for the purposes of the Patents, Designs, and Trade-marks Act, 1911 (in this Order referred to as the said Act), extend the said time, subject to such conditions as he thinks fit, including conditions for the protection of the rights of persons who may have lawfully availed themselves of the subject-matter of any patent, design, or trade-mark : And whereas it is expedient that provision should be made accordingly :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred on him by section twenty-three of the Finance Act, 1921, and of every other power and authority enabling him in this behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations for the purposes of the said section twenty-three.

REGULATIONS.

1. THE time within which any act or thing may or is required to be done under or for the purposes of the said Act is hereby extended, in cases from the countries adhering to the above-recited agreement of Berne, and in cases with which British subjects or British companies generally are concerned, as follows :—

- (a.) For making applications under section 129 of the said Act, to the 25th July, 1921 ; and
- (b.) For paying any fee, filing any document, or taking any other action under the said Act, to the 25th January, 1922.

2. Where applications, fees, or documents have been received from other countries, subjects, or companies after the prescribed time, owing to delay arising from the world war, the Registrar may, on request, accept any such applications, fees, or documents received not later than the 10th day of January, 1921, as if they had been received within the prescribed time, and in any such case the prescribed time shall be deemed to have been extended to that date, and action may be taken by the Registrar thereon as if the prescribed time had not expired.

3. Application for any such extension shall be made in the form set out in the Schedule hereto, or to the like effect.

4. Where rights are restored or revived by any extension of time hereunder, the order for restoration, letters patent, or other document shall contain such provisions (if any) as may be considered necessary for the protection of rights of persons who may have lawfully availed themselves of the subject-matter of any patent, design, or trade-mark. Such provisions may, in the case of patents, correspond to those contained in clauses 6 and 7 of the regulations on the 3rd day of April, 1914, under the said Act, and in respect of designs and trade-marks may be to such effect as the Registrar considers desirable.

5. Where any extension of time has been granted by or under these regulations for making any application, lodging any document, or similar action, and the time has expired for taking any subsequent proceedings, the Registrar may allow six months from the date of such grant, or in cases under regulation 2 hereof from the date of this Order in Council, for acceptance or other action, and a further six months, or twelve months in all, for sealing registration or like proceedings.

6. Where an extension of time has been granted by or under these regulations in respect of any matter, and the renewal fees thereon are overdue, the Registrar may allow the extension of one year from the date of acceptance, or in cases under regulation 2 hereof from the date of this Order in Council, for their payment. No fee will become payable until the preceding fee or fees have been paid, even though the term for which such fees are payable has expired. Notwithstanding anything contained in the regulations under the said Act, no fee shall be payable in respect of any extension in accordance with these regulations.

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: MR. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE
EDUCATION DEPARTMENT,
WELLINGTON.
