Amended Regulations under the Education Act, 1914, relating to the Organization, Examination, and Inspection of Public Schools, and the Syllabus of Instruction.

JELICOE, Governor-General.
ORDER IN COUNCIL.

At the Government Buildings at Wellington, the 13th day of June, 1921.

Present:

THE HONOURABLE SIR F. H. D. BELL, K.C.M.G., PRESIDING IN COUNCIL.

IN pursuance and exercise of the powers and authorities vested in him by the Education Act, 1914, and the amendments of that Act, and all other powers and authorities enabling him in this behalf, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said

Dominion, doth hereby make the amendment set out in the Schedule hereto in the regulations relating to the organization, examination, and inspection of public schools, and the syllabus of instruction (hereinafter referred to as "the said regulations"), made by Order in Council dated the fifteenth day of September, one thousand nine hundred and nineteen; and doth prescribe that this Order shall come into force on the date of the publication thereof in the *New Zealand Gazette*.

SCHEDULE.

CLAUSE 22 of the said regulations is hereby amended by inserting after the first paragraph thereof the following:—

"The instruction in History and Civics shall aim at instilling in boys and girls love for their country and pride in the achievements of the race throughout the Empire. Loyalty should be a dominant note, and the lessons should be selected and presented in such a way as to lay stress on the need for sympathetic co-operation not only on the part of the various dominions within the Empire, but on the part of every section of the community within which we live. The inculcation of patriotism or loyalty to King and country and to lofty ideals readily finds a basis in British History. In this connection lessons of a celebrational character are of the utmost importance, and anniversaries such as Anzac Day and Empire Day should be devoted to special lessons appropriate to the theme. In addition, at every celebration and at the beginning or end of each school week the New Zealand Flag or the Union Jack is to be saluted, and the National Anthem sung by teachers and pupils in the presence, where possible, of the whole school. A record of these ceremonies is to be entered in the Teachers' Work Book under the heading of Civics, and examined by the Inspector."

Present :

THE HONOURABLE SIR F. H. D. BELL, K.C.M.G.,
PRESIDING IN COUNCIL.

WHEREAS by section twenty-six of the Board of Trade Act, 1919, it is enacted that the Governor-General in Council may, on the recommendation of the Board of Trade, by regulation make provision for the establishment of fixed or maximum or minimum prices for any class of goods and for the regulation and control of industries in any manner deemed necessary for the maintenance and prosperity of those industries and the economic welfare of New Zealand :

And whereas it is deemed necessary in the public interest to fix minimum prices for wool and to control the wool industry, and to prohibit the exportation of wool unless certain conditions have been complied with :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in exercise of the powers hereinbefore mentioned, and of all other powers enabling him in that behalf, acting by and with the advice and consent of the Executive Council of the said Dominion and on the recommendation of the Board of Trade, doth hereby make the following regulations relating to the fixing of minimum prices for wool, the control of the wool industry, and the prohibition of the exportation of wool save subject to the conditions hereinafter prescribed ; and doth hereby declare that these regulations shall come into force on the day after the publication thereof in the *Gazette*.

REGULATIONS.

1. THESE regulations may be cited as the Board of Trade (Wool Industry) Regulations, 1921.

2. In these regulations "Minister" means the Minister of Agriculture.

3. The Minister may appoint a Committee, to be known as the New Zealand Wool Committee (hereinafter referred to as "the Wool Committee"), consisting of two representatives of wool-brokers, two representatives of wool-growers, one

Government representative (who shall be Chairman), and such other persons as he may from time to time decide to hold office during his pleasure. At any meeting of such Committee three shall form a quorum. All communications intended for this Committee shall be addressed to the Chairman, New Zealand Wool Committee, P.O. Box 374, Wellington.

4. The Board of Trade may, on the recommendation of the Wool Committee, and with the approval of the Minister, by resolution fix minimum prices for the various kinds and grades of wool; and by notice in the *Gazette* may, with the like recommendation and approval, fix minimum average prices for all or any kinds or grades of wool; and may, on like recommendation and with like approval, in like manner as aforesaid, from time to time alter and amend such prices.

8. With the approval of the Minister the Wool Committee may from time to time determine the maximum aggregate quantities of wool that may be offered for sale by private treaty and or by public auction in any period, and may with respect to any specified sale by private treaty or by public auction fix the maximum quantity of wool that may be offered. Any person offering by private treaty or at any auction sale wool in excess of the maximum quantity so specified shall be guilty of an offence against these regulations and shall be liable accordingly.

9. **SCHOOL FOR THE DEAF, NEAR SUMNER,
CHRISTCHURCH.**

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION
DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE
EDUCATION DEPARTMENT,
WELLINGTON.
