INTEREST PAYABLE ON MONEYS IN THE COMMON FUND.

12. For the purposes of section 32 of the principal Act, the interest payable to the respective estates on moneys which form part of the Common Fund shall be computed at the following yearly rates:—

CLASS I.—On capital moneys belonging to a testate or intestate estate, or held under any deed of trust or settlement, or as custodian trustee, or as Commissioner of sinking funds of local bodies,—

(a.) Whilst held for minors or persons under disability, or for beneficiaries not entitled to payment at call, or (in the case of sinking funds) whilst held for payment of debentures: 5 per cent.

(b.) Whilst held payable in the ordinary course of administration for distribution or at call: 3 per cent.

The Public Trustee shall fix the date on which any sum passes from (a) to (b), or *vice versa*.

CLASS II.—On capital moneys received as attorney or agent (including capital money received as agent for investment in the Common Fund): Such rate as is agreed on, not exceeding the rate in Class I (a).

In the absence of an agreement no interest shall be payable. In the case of investment agencies for a fixed period, the rate for the whole period may be any rate not exceeding the rate current under Class I (a).

CLASS III.—On capital moneys belonging to estates held or administered under the Lunatics Act, 1908, the Mental Defectives Act, 1911, the Aged and Infirm Persons Protection Act, 1912, or Parts II or III of the principal Act (Unclaimed Lands and Unclaimed Property), the Destitute Persons Act, 1910, the Industrial Schools Act, 1908, the Reformatory Institutions Act, 1909, and the Prisons Act, 1908: If held at call, 3 per cent.; if not at call, 4½ per cent.

13. The last preceding clause (12) shall be construed subject to the following special provisions:—

(1.) In cases under Class I, II, or III the Public Trustee, or some other officer authorized in that behalf, shall fix the date on which interest payable by him shall begin to accrue, and such interest, if it is to be

capitalized, shall be capitalized yearly on the 1st day of April, and until so capitalized shall not bear interest:

Provided, however, that until the first statement of account is rendered by the Public Trustee interest may be computed on the daily balance of the account irrespective of whether the account includes income.

- (2.) In computing for purposes of interest the capital moneys belonging to any estate, sums received by the Public Trustee from rents, dividends, interest, and other miscellaneous outside sources (if to be capitalized) shall be capitalized half-yearly on the 1st day of April and the 1st day of October, and until so capitalized shall not bear interest.
- (3.) All interest payable by the Public Trustee in respect of the capital of any estate may be computed on the daily balance of capital.
- (4.) Before unclaimed moneys are paid into the Consolidated Fund under the Public Revenues Act, 1910, all accumulations of interest, if any, theretofore credited by the Public Trustee under clause 12 hereof, or the corresponding provisions of any former regulations, shall be deducted, and the amount paid in shall be the net amount actually received by the Public Trustee, less his charges.

FINANCE AND ACCOUNTS.

14. The custody of the moneys in the Public Trustee's Account shall be entrusted to the Bank of New Zealand (or other the bank at which the Public Account is kept), hereinafter referred to as "the bank."

15. (1.) The withdrawal of moneys from the Public Trustee's Account at Wellington, shall be effected by cheques signed by the Public Trustee or either Assistant Public Trustee, and countersigned by the Chief Accountant or such other officer in Wellington as the Public Trustee from time to time authorizes, either generally or specifically.

(2.) The manager of the bank shall make up daily, at the close of business, the pass-book of the Public Trustee's Account in Wellington, and send the same to the Public Trustee, and at the same time send to the Controller and Auditor-General a statement showing the total receipts into, and payments out of, and the balance of such account at the close of each day.

16. (1.) The Public Trustee may from time to time cause branch accounts of the Public Trustee's Account to be kept with the bank in any town where a branch of the Public Trust Office is established.

(2.) Each such branch account may be operated on either as mentioned in clause 15 hereof or by cheques signed by the local Deputy or District Manager in charge of the local office, and countersigned by the Accountant or such other officer of the local office as the Public Trustee from time to time authorizes, either generally or specifically.

17. (1.) The Public Trustee may open at the Bank of New Zealand, London, an account to be entitled "The New Zealand Public Trust Office Account."

(2.) (3.) No moneys shall be drawn from the New Zealand Public Trust Office Account except by cheque of the High Commissioner countersigned by an officer of the Audit Department who shall be selected from time to time by the Controller and Auditor-General, and no moneys shall be drawn from such account for any purpose for which it is not legally available or applicable.

(4.) Provided that in case of absence from London or other temporary incapacity of the High Commissioner money may be drawn from the New Zealand Public Trust Office Account by cheques signed by some person authorized in writing by the High Commissioner in that behalf and countersigned by such officer of the Audit Department as aforesaid.

(5.) The High Commissioner shall twice in every month, or more frequently as required by the Public Trustee, transmit to the Public Trustee a full and detailed statement of all the receipts, payments, and transfers by, to, and from the New Zealand Public Trust Office Account which are not included in any former such statement, accompanied by all such vouchers and other documents as the Public Trustee requires in support thereof.

(6.) The Bank of New Zealand at London shall twice in every month transmit to the Public Trustee and to the Audit Office a statement (in the form prescribed by the Public Trustee) showing the entries in the New Zealand Public Trust Office Account for the period to which the statement relates.

18. (1.) In addition to the accounts required by the principal Act the Public Trustee shall keep the following separate accounts:—

- (a.) An account showing in detail the receipts and payments on account of each separate estate.
- (b.) Such other accounts as the Minister directs or the Public Trustee thinks fit.

(2.) Each local Deputy, District Manager, and agent of the Public Trustee shall keep such books and accounts and furnish such returns as the Public Trustee directs.

19. Any moneys payable to the Public Trustee's Account may be lodged for credit of that account in the Bank of New Zealand or with such Postmasters as the Postmaster-General authorizes and the Public Trustee directs, and the amount of such lodgments shall be transferred by the bank or Postmaster-General to the credit of the Public Trustee's Account as often as the Public Trustee and the bank or the Postmaster-General arrange.

20. No claim on the Public Trustee shall be paid until it has been, to the satisfaction of the Public Trustee or the paying agent, proved and certified to be correct, as may be required by the Public Trustee, and received by the claimant or by the claimant's duly authorized agent, nor until the signature of the payee has been attested when such attestation is required by the Public Trustee.

21. The officers and agents of the Public Trustee will be held responsible for all errors in calculation in the accounts or claims which they certify to be correct, and for any loss due to their neglect of these regulations or of the instructions given by the Public Trustee.

22. (1.) Moneys payable within the Dominion out of the Public Trustee's Account may be forwarded by the Public Trustee to any of his local Deputies, District Managers, or agents, who shall pay the same in accordance with the Public Trustee's directions.

(2.) Such moneys may also be forwarded by the Public Trustee or any local Deputy Public Trustee to the Postmaster-General, for payment by the Postmasters at such towns or places in the Dominion as the Public Trustee requests and the Postmaster-General directs.

(3.) Where moneys are payable to any person situated outside the Dominion such moneys may be paid out of the Public Trustee's Account in the Bank of New Zealand, London, as provided in paragraph 17 of these regulations, or remitted through any branch of the Bank of New Zealand or through the Treasury Department.

23. The officer or agent authorized to pay a claim on the Public Trustee must be satisfied before paying it that the applicant for payment is entitled to receive the amount, and that all necessary documents have been produced.

24. It shall not be necessary that any claims which, in the opinion of the Public Trustee, are correct and payable out of the Public Trustee's Account shall be audited before they are paid, otherwise than by such officers of the Public Trust Office as are appointed to examine and audit such accounts.

25. Every claim upon the Public Trustee shall be made in the form required by the Public Trustee.

26. (1.) Where any moneys are payable to any person unable to sign his name, then no such payment shall be made except upon a receipt purporting to bear the mark of the person entitled to receive the money, and attested by some adult person other than the paying officer.

(2.) The attestation shall state that the receipt was read over and explained to the person making his mark.

(3.) It shall not be necessary for the Public Trustee, unless he thinks proper, to inquire whether such person is an adult or not, and, notwithstanding that such person may afterwards be discovered not to be an adult, the receipt shall be valid.

27. (1.) A claimant may authorize by a special or general order, in such form as is from time to time approved of by the Public Trustee, that any payment may be made to any other person.

(2.) The special order shall be on or attached to the claim.

(3.) In the case of a general order it shall be sufficient if it is sent to and received by the Public Trustee.

(4.) Notwithstanding that any general or special order is revoked by death or otherwise, any payment made pursuant thereto shall be good and valid, unless prior to the payment the Public Trustee has received actual notice in writing of such revocation.

(5.) The provisions of clause 26 hereof as to attestation of receipts shall, *mutatis mutandis*, apply to all such orders.

28. (1.) Where a Native gives a special or general order it shall purport to be attested by a licensed Native interpreter, who shall certify in attesting that he has explained the order to the Native, and the Native understood it; provided that the Public Trustee may dispense with any such attestation.

(2.) It shall not be necessary for the Public Trustee, unless he thinks proper, to ascertain whether the person so attesting

is a licensed Native interpreter or not, and notwithstanding that it may afterwards be discovered that the person attesting was not a licensed interpreter, the order, and all acts and things done thereunder, shall be valid.

(3.) This clause shall be construed subject to any statutory provision dealing with the matter.

29. In any case which is not provided for by statute or by these regulations, the special instructions of the Public Trustee must be applied for and followed.

30. In the case of securities which, pursuant to section 96 of the Public Revenues Act, 1910, are to be held under three keys, the custodians shall be the Assistant Chief Accountant of the Public Trust Office, the Custodian of Securities of the Public Trust Office, and an Audit officer deputed by the Controller and Auditor-General in that behalf.

CHARGES TO BE MADE BY THE PUBLIC TRUSTEE.

31. The undermentioned charges shall be payable to the Public Trustee in respect of the matters mentioned: Provided that where the Public Trustee is custodian trustee the charges under (a), (b), (c), (d), (e), (f), (h), (i), (j), and (k) of this clause shall be reduced by one-half.

(a.) Upon the gross capital of any testate or intestate estate realized by the Public Trustee, or upon the gross capital of any estate administered and realized under the Lunatics Act, 1908, or the Mental Defectives Act, 1911, or the Prisons Act, 1908, or the Aged and Infirm Persons Protection Act, 1912, or in any other estate with respect to which the Public Trustee's charges on realization are not specifically provided for,—

Provided also that where the assets of a mental patient's estate, or of a missing persons' estate, or of an aged and infirm person's estate, or of a convict's estate, or the greater part of them, are not realized but are administered and handed over to the patient on his discharge or to his executors on his decease, the Public Trustee instead of charging commission at the foregoing rates may charge such a fee as he considers commensurate with the special services rendered in the administration of the estate.

The charges under (a) are payable on realization.

No charge shall be made under (a) in the case of the moneys comprised in Class IV of clause 12 hereof, or in the case of local bodies' sinking funds.

No charge under (d) shall be made where the capital is cash held in the Common Fund on an investment agency.

(e.) Where an estate is administered by the Public Trustee in two capacities, e.g., as statutory committee of a mental

Where any income due to an estate is collected on behalf of the Public Trustee by any authorized person, firm, or company who has charged a commission for so doing, or where income is derived from another estate privately administered in which the administrator has charged a commission for his services, the foregoing charges under (i) shall be reduced by one-half.

No charge under (i) shall be made in respect of income derived from capital in the Common Fund.

(j.) Upon real or personal property transferred or delivered in kind to or retained by any person entitled thereto, being a devisee, legatee, next-of-kin, *cestui que trust*, beneficiary, or other person of a like character, upon the value of such property as fixed by the Public Trustee,—

(n.) In all cases not otherwise hereby provided for, on all sums lodged in the Public Trust Office under or in pursuance of the provisions of any Act, rule, or law in that behalf, at the time of lodging the same: 1 per cent.

Minimum charge under (n): £2 2s.

(o.) For application to be registered proprietor under Part II (Unclaimed Lands) or Part III (Unclaimed Property) of the principal Act: £2 2s.

Dealing with the four metropolitan areas only, it is found that the inclusion of the suburban portions lowers the death rate in the case of Dunedin.

	Death-rate per 1,000 of Population.	
Auckland City	0.76	
Auckland Metropolitan Area		0.81
Wellington City	0.78	
Wellington Metropolitan Area		0.78
Christchurch City	0.71	
Christchurch Metropolitan Area		0.79
Dunedin City	0.93	
Dunedin Metropolitan Area		0.91

Including the suburban portions, Dunedin is the highest, and Wellington the lowest.

Compared with June, 1918, 1919, and 1920, the results are—

	1918.	1919.	1920.	1921.
Auckland Metropolitan Area	0.80	0.93	0.86	0.81
Wellington Metropolitan Area	0.63	0.81	0.87	0.78
Christchurch Metropolitan Area	0.80	1.05	1.26	0.79
Dunedin Metropolitan Area	0.89	0.87	0.86	0.91

The total births registered for the four metropolitan areas amounted to 701, as against 751 in May—a decrease of 50. The deaths in June were 362—an increase of 22 as compared with the previous month. Of the total deaths males contributed 194, females 168. Fifty-one of the deaths were of children under five years of age, being 14.09 per cent. of the whole number. Thirty-eight of these were under one year of age.

The following table shows the deaths in various age-groups occurring in the four metropolitan and total of nine suburban areas during the month of June, 1921:—

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE

EDUCATION DEPARTMENT,
WELLINGTON.
