JELLICOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 19th day of July, 1921.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned, Harry Harold Partridge, of Auckland (hereinafter called "the licensee"), has applied to the Governor-General for a license, under the Harbours Act, 1908 (hereinafter called "the said

Act"), to occupy a part of the foreshore at Tamaki River, Hauraki Gulf, in order to erect thereon a boat-shed in accordance with the plan marked M.D. 5329, sheet 1 (in duplicate), and in the position shown on plan bearing the same number, marked sheet 2, and deposited in the office of the Marine Department at Wellington :

And whereas it has been made to appear to the Governor-General in Council that the proposed work will not be or tend to the injury of navigation, and it is desirable that a license should be granted and issued to the licensee under the said Act for the purpose aforesaid :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid ; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore on which the said boat-shed is erected, as shown on the aforesaid plan so deposited as aforesaid, for the purpose of maintaining the said structure thereon ; such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. In these conditions the term " Minister " means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the authority of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore occupied by the said boat-shed, as shown on plan marked M.D. 5329.

3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £1 in advance, dating from the date of this Order in Council, the first of such annual payments to be made on the licensee being supplied with a copy of this Order in Council.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said boat-shed without payment.

5. The licensee shall maintain the above-mentioned boat-shed in good order and repair.

6. Any person authorized by the Minister may at all reasonable times enter upon the said boat-shed and view the state of repair thereof ; and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand a notice in writing of any defect or want of repair in such boat-shed, requiring him, within a reasonable time, to be therein prescribed, to repair the same, he shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulations of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

9. The said rights, powers, and privileges may be at any time resumed by the Governor-General, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

10. The licensee shall be liable for any injury which the said boat-shed may cause any vessel or boat to sustain through any default or neglect on his part.

11. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions herein before set forth, or any of them ;
- (2.) Cease to use or occupy the said boat-shed for a period of thirty days ;
- (3.) Become bankrupt, or be brought into the operation of any law for the time being in force relating to bankruptcy ; or

(4.) Fail to pay the sums specified in clause 3 of these conditions,—  
then and in any of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

*Notice to Mariners.—No. 34 of 1921.*

**CAPE MARIA VAN DIEMEN.—PANDORA BANK.**

Marine Department,  
Wellington, N.Z., 26th July, 1921.

IT has been reported from Cape Maria Van Diemen Light-house that in heavy weather the Pandora Bank breaks about two miles nearer to the lighthouse, and about four miles further to the south-east.

As the contour of the bank, and the depths, may have undergone recent change, it is advisable that in heavy weather all vessels, when rounding Cape Maria Van Diemen, should pass outside Pandora Bank. Vessels of moderate draught, if using the passage between the bank and the cape, should do so in fair weather only.

Charts, &c., affected.—Admiralty Charts Nos. 2525 and 1212; "New Zealand Pilot," ninth edition, page 42.

B. W. MILLIER, for Secretary.

*Notice to Mariners.—No. 35 of 1921.*

The following publications are affected: Admiralty Charts Nos. 3500, 2527, and 1212; "New Zealand Pilot," ninth edition, page 255; "New Zealand Nautical Almanac," 1921, pages 405 and 406.

Director : Mr. J. E. STEVENS.

**F**OR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity) :—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE  
EDUCATION DEPARTMENT,  
WELLINGTON.
