SUMMARY FOR THE MONTH OF JUNE, 1921.

June proved a favourable winter month, with mild fair-to-cloudy weather ruling. There were, however, several days on which heavy rain fell in different parts of the Dominion, particularly about the 1st and 3rd, 12th and 13th, 15th, 16th, and between the 23rd and 26th. On the 15th and 16th very heavy rain caused floods in many of the rivers in the northern districts of the North Island on account of a cyclone, the centre of which passed down the west coast of the North Island and in the vicinity of Cook Strait on the night of the 17th.

Several other disturbances of both tropical and antarctic origin were in evidence during the month, but were generally of only minor intensity, except one centred between the Chatham Islands and the east coast of the South Island from the 23rd to 26th. During this period snow fell on much of the high country in the South Island, with squally south-west winds.

The aggregate month's rainfall was above the mean in the northernmost portion of the North Island and in most parts southward of Greymouth and Christchurch in the South Island, but elsewhere it was deficient.

All instalment-payments shall bear interest at the rate of 5 per cent. per annum as from the date of the license, and with interest added shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests.

In addition, the successful tenderer will be required to pay a ground rent of 1s. per acre per annum, payment to be made half-yearly in advance.

CONDITIONS OF SALE.

1. The right to cut and remove the timber will be sold in accordance with the terms of the State Forests Act, 1908, the regulations made thereunder, and the following conditions.
 2. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relating to the sale.
 3. The aforementioned quantities, qualities, and kinds as to the said timber shall be taken as sufficiently accurate for the purpose of this sale, and no contracts for purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind than as stated herein or in any advertisement having reference to the said timber.
 4. The promissory notes will be presented at intervals as indicated in the terms of payment, but they may be presented for payment at earlier dates if it is found that more than a due proportion of timber has been cut, or should any breach of the conditions occur, or if in the opinion of the Conservator the interests of the Crown are being jeopardized.
 5. The tenderer must state the total price that he is prepared to pay for each species, and the price per pole for silver-pine and kawaka.
 6. The highest or any tender will not necessarily be accepted, and the timber, described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.
 7. A return, which must be verified by affidavit, giving the number of logs and poles cut of each species and their contents, must be made quarterly by the licensee each quarter ending on the last day of March, June, September, and December respectively in each year. A return, similarly verified, must be made quarterly on the same dates showing the output of sawn timber of each species.
 8. All timber must be cut to the best advantage, and the maximum number of poles produced to the satisfaction and under the supervision of an authorized Officer of the State Forest Service.
 9. The whole of the silver-pine (over 6 in. in diameter), including dead standing and fallen trees, shall be thoroughly cleaned up, and that which is not suitable for poles shall be cut for sleepers, posts, strainers, stays, battens, house-blocks, or other purposes.
 10. The settlement of any disputes shall be effected by the Conservator of State Forests, but there shall be a right of appeal to the Commissioner of State Forests, whose decision in all cases shall be final.
 11. The successful tenderer will be granted a license to cut timber the period of which shall expire on 31st December, 1923, and which shall not be transferable except with the consent of the Commissioner of State Forests. The period of the license shall not be extended.
 12. The successful tenderer must commence cutting operations within six months of the date of the granting of the license.
 13. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing date for receipt of tenders.
 14. Tenders should be addressed, Conservator of State Forests, District Lands and Survey Office, Wellington, and envelopes endorsed "Tenders for Timber."

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE
EDUCATION DEPARTMENT,
WELLINGTON.
