This area is covered with fern and blackberry, with good grazing in places, but is very rough and rocky, and in parts useless on that account. 1. A half-year's rent at the rate offered and lease fee of £1 1s. must accompany each tender.
2. Possession will be given on acceptance of tender.
3. The lease shall be for a term of fourteen years, without right of renewal.
4. The lessee shall have no right to compensation for any improvements that may be placed on the land.
5. The lessee shall have no right to sublet, transfer, or otherwise dispose of the whole or any portion of the land comprised in the lease without the written consent of the Commissioner of Crown Lands first having been obtained.

F

6. The lessee shall destroy all rabbits on the land, and cut the blackberry now growing thereon, the work to be commenced before the 31st December, 1921, and completed within one year, and thereafter prevent the growth and spread of blackberry, gorse, broom, sweetbrier, or other noxious weeds or plants as may be directed by the Commissioner of Crown Lands.

7. The rent shall be payable half-yearly in advance, free from any deduction whatsoever.

8. The lease shall be liable to forfeiture in case the lessee shall fail to fulfil any of the conditions of the lease within thirty days after the date on which the same ought to have been fulfilled.

## SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

**F**OR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE  
EDUCATION DEPARTMENT,  
WELLINGTON.
