Classification of Secondary-school Assistant Teachers.

Education Department,
Wellington, 5th December, 1921.

THE following lists of assistant teachers employed full time in secondary schools, or classified for employment in such schools, are issued under the authority of the Minister of Education in accordance with the regulations relating to secondary schools made by Order in Council dated the 8th December, 1920, and the amendments thereto.

Under the heading "Grade" is shown the grade in which a teacher is classified for the year 1922.

Under the heading "Grade of Position" is shown the grade of position in which a teacher is now employed. The salaries of those teachers whose grade of position is marked * are above the scale of their position.

Under the heading "School" is shown the secondary school in which the teacher is employed.

Attention is drawn to the regulations, under which any teacher who considers he has good grounds of objection to his classification may lodge an appeal by letter to reach the Director of Education not later than thirty-one clear days after the publication of this list in the *New Zealand Gazette*—i.e., such appeals must reach the Director not later than 5th January, 1922, and must contain the definite grounds on which the appeal is based.
