Failure to comply shall render the offender liable to a penalty not exceeding £1.

2. In every case of death, where the deceased has not been attended to by a qualified medical practitioner, the Committee shall investigate the circumstances surrounding such death with regard to the nature of illness, duration, treatment, and names of persons who treated or were in attendance on deceased, and report the results of this investigation to the nearest Registrar of Maori Births, Deaths, and Marriages.

3. Human corpses shall be buried, if the death occurs between the 15th day of March and the 15th day of September (both days inclusive) in any year, within four days after death; and if the death occurs between the 16th day of September and the 14th day of March of the following year (both days inclusive), within three days after death, unless the Medical Officer of Health or the Director of Maori Hygiene shall otherwise direct.

4. Where death has occurred from an infectious disease, the corpse shall be buried within twenty-four hours after death. 5. It shall be the duty of the nearest relatives of the deceased, or, in their absence, of the owner or occupier of the house or premises wherein deceased died, to comply with the provisions of by-laws 3 and 4; and all or any of them shall be deemed guilty of a breach thereof as the Council may deem fit, and shall be liable to a penalty not exceeding £5 for each offence.

13. The Council may, or shall if the Medical Officer of Health or Director of Maori Hygiene so directs, order the removal or destruction of any building in a dirty and unwholesome state, if in its opinion it is unsuitable for human habitation, or if the owner or occupier thereof fails after due notice to clean, renovate, or himself remove or destroy the same.

SCHOOL FOR THE DEAF, NEAR SUMNER,
CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION
DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE
EDUCATION DEPARTMENT,
WELLINGTON.
