W. W. COOK, Registrar-General.

\* It may be that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the General Register, and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.

SUMMARY FOR THE MONTH OF NOVEMBER, 1921.

The weather during November proved changeable and showery, but between the 21st and 26th, while a "low" centre passed in the North, occasional heavy rain fell in various parts of the country.

Four other disturbances occurred during the month with lowest pressure passing southward of the Dominion, the most severe being one which ruled between the 6th and 11th. Squally conditions prevailed during this period, with much rain in the West Coast districts.

The rainfall of the month was commonly below the average, but excessive in the east coast portions of the North Island and in the West Coast and extreme south of the South Island.

EAST COAST.—SYDNEY HARBOUR.—REGULATIONS.—  
BERTHING OF VESSELS.

New harbour regulations have been issued by the Sydney Harbour Trust regarding the berthing of vessels at certain wharves in the port and the mooring of them in some of the more congested parts.

Under the new regulations, which will come into operation on 1st September, 1921, it will be necessary for the owner, agent, or master of every oversea vessel, irrespective of whether her master has a pilotage exemption certificate or not,

and every interstate vessel in the charge of a pilot, to apply to the harbourmaster for permission to berth such vessel at a leased or unleased wharf or to moor her in the stream.

The harbourmaster will issue the necessary authority, in the form of a berthing order, which will be taken to the pilot office at the navigation department, and will be evidence to the pilot that the vessel may be placed at the wharf or position in the stream indicated in the order. In the case of a vessel whose master has a pilotage exemption certificate, the owner or agent will be required to forward the berthing order to such master at the most convenient place, or otherwise com-

municate to him the authorized wharf or position at which to berth the vessel.

In the case of all vessels mooring in the stream, it will be necessary, whether the pilot is engaged or even if the ship is in charge of an exempt master, to obtain a berthing order before a position can be taken up; with this exception, that a vessel entering the port and having to anchor for medical inspection, or for orders, will not require an authorization from the harbourmaster for such temporary anchoring.

The change will more particularly affect those vessels which berth at wharves leased by the commissioners.

OPUNAKE TOWN BOARD.

RESOLUTION STRIKING SPECIAL RATE.

IN pursuance and exercise of the powers vested in it in that behalf by the Local Bodies' Loans Act, 1913, and of all other powers (if any) it thereunto enabling, the Opunake Town Board hereby resolves as follows:—

That, for the purpose of providing for the payment of interest, sinking fund, and other charges on the Opunake Town Board Electric Lighting Supplementary Loan of £700, 1922, authorized to be raised by the said Board, under the above-mentioned Act, for the purpose of constructing works, electric lines, and supplying light and power to consumers (being 10 per cent. additional of the Opunake Town Board Electric Lighting Loan £7,000, 1920, such latter amount being insufficient to complete the works for which such loan was raised), the said Board hereby makes and levies a special rate of one-eighth of a penny (¼d.) in the pound sterling on the rateable value (on the basis of the capital value) of all rateable property in the Opunake Town District; and that such special rate shall be an annually recurring rate during the currency of such loan, and be payable yearly on the 1st day of June in each year during the currency of such loan, being a period of thirty-six and one-half (36½) years, or until the loan is fully paid off.

Dated at Opunake this 19th day of December, 1921.
