 "Owner" means any owner, shipper, or consignee of honey, and includes the agent of any such owner, shipper, or consignee, and also includes, in the case of a company, the managing director, manager, secretary, or other principal officer of the company in New Zealand.
2. No honey shall be exported from the Dominion until it has been graded as hereinafter provided, and until the other provisions of these regulations have been complied with.
3. Honey shall not be exported from the Dominion excepting at the ports of Auckland, Wanganui, Wellington, Lyttelton, Timaru, Dunedin, and Bluff, and at such other ports as the Director may authorize and publicly notify from time to time.
4. The Director shall from time to time appoint and publicly notify stores as grading-stores for the purpose of grading honey.
5. (1.) The owner of the honey intended for export shall forward it to one of the appointed grading-stores not less than seven days before shipment.
 (2.) He shall at the same time give to the Grader at the grading-store to which the honey has been sent an advice-note in the form set out in the First Schedule hereto, or to the effect thereof.
 (3.) Where there is any noticeable difference in the class or standard of honey forwarded to an appointed grading-store in one lot and under one brand, the owner shall submit such honey in separate parcels, each parcel containing honey of a uniform class and standard, with a distinguishing mark on each package of honey in each such parcel, and the advice-note to the Grader shall show the distinguishing mark of each such parcel.
 (4.) Every person who wilfully supplies false information on any advice-note as aforesaid commits a breach of these regulations.
 (5.) Every owner of honey sending the same to any of the appointed grading-stores must make his own arrangements for the transit of the honey to and from the store, and also for its receipt, storage, opening-up for grading, repacking, delivery, shipment, and any other service, including insurance and protection from damage and loss of any kind.
 (6.) All honey submitted for grading must be granulated, and no honey will be graded unless it is granulated.
6. (1.) Honey intended for export shall be contained in clean strongly constructed tins or other containers approved by the Director. The tins shall not have been used for any other purpose, and shall be lacquered or oiled on the outside to prevent rusting.

(2.) The Director may, if in his opinion the use of the brand to which the application relates is not likely to lead to mistakes or confusion, approve and register the brand, and shall forthwith notify the applicant of the result of his application.

(3.) No person shall use any export brand unless and until he has been notified by the Director that it has been registered.

(4.) The Director may at any time, after giving one month's notice in writing to the owner thereof, cancel the registration of any export brand if satisfied that it has not been used during the preceding two years in connection with the export of honey.
