Failure to comply shall render the offender liable to a penalty not exceeding £1.

2. 3. Human corpses shall be buried, if the death occurs between the 15th day of March and the 15th day of September (both days inclusive) in any year, within four days after death; and if the death occurs between the 16th day of September and the 14th day of March of the following year (both days inclusive), within three days after death, unless the Medical Officer of Health or the Director of Maori Hygiene shall otherwise direct.

Where the site of an erected dwellinghouse is considered injurious to the health of the occupants, the Council may order the owner or occupier to remove such building to a more healthy site.

9. Every person who shall erect a dwellinghouse shall construct every room intended to be used as a living-room so that the same shall be not less than 8 ft. 6 in. in height from the floor to the ceiling in every part; provided that every room intended to be used as aforesaid with a sloping or unceilinged roof shall be not less than 9 ft. in height from the floor to the roof over one-half the superficial area of such room, and no wall thereof shall have a less height than 5 ft. before any slope of the roof commences.

12. In the case of houses already erected the Council may require the owner or occupier of any dwellinghouse which does not comply with Section B, clauses 10 and 11, to make such alterations or additions as may be deemed necessary.

13. The Council may, or shall if the Medical Officer of Health or Director of Maori Hygiene so directs, order the removal or destruction of any building in a dirty and unwholesome state, if in its opinion it is unsuitable for human habitation, or if the owner or occupier thereof fails after due notice to clean, renovate, or himself remove or destroy the same.

14. The Chairman of the Committee, or any person duly authorized by the Committee in that behalf, may by notice in writing direct the owner or occupier of any house or other building in a dirty and unwholesome state to clean or cause the same to be cleaned within a time to be specified in such notice.

15. District.	Wheat. Bushels per Acre.	Oats. Bushels per Acre.

## SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE  
EDUCATION DEPARTMENT,  
WELLINGTON.
