20. Reasonable notice by post or otherwise of the time and place so appointed shall be given by the person on whose application such appointment has been made to the other party to the appeal.

21. At the time and place so appointed a Magistrate, or, in the absence of a Magistrate, the Clerk of the Court, may adjourn the hearing to any other time or place, and so from time to time.

22. If either party fails to appear at the hearing, the Court shall in its discretion either adjourn the hearing or determine the appeal in the same manner as if both parties were present.

(A.) GENERAL PROVISIONS.

1. All deaths shall be notified by the nearest of kin, or in his absence by the owner or occupier of the dwelling where death took place, to the nearest Registrar of Births, Deaths, and Marriages within thirty-six hours of death. Failure to comply shall render the offender liable to a penalty not exceeding £1.

2. In every case of death, where the deceased has not been attended to by a qualified medical practitioner, the Committee shall investigate the circumstances surrounding such death with regard to the nature of illness, duration, treatment, and names of persons who treated or were in attendance on deceased, and report the results of this investigation to the nearest Registrar of Maori Births, Deaths, and Marriages.

3. Human corpses shall be buried, if the death occurs between the 15th day of March and the 15th day of September (both days inclusive) in any year, within four days after death; and if the death occurs between the 16th day of September and the 14th day of March of the following year (both days inclusive), within three days after death, unless the Medical Officer of Health or the Director of Maori Hygiene shall otherwise direct.

4. Where death has occurred from an infectious disease, the corpse shall be buried within twenty-four hours after death. The corpse shall be removed from the dwelling, tent, hospital, or place where death occurred to the cemetery without being allowed to lie in state at any intermediate or village, and no tangi shall be held.

5. It shall be the duty of the nearest relatives of the deceased, or, in their absence, of the owner or occupier of the house or premises wherein deceased died, to comply with the provisions of by-laws 3 and 4; and all or any of them shall be deemed guilty of a breach thereof as the Council may deem fit, and shall be liable to a penalty not exceeding £5 for each offence.

6. No human corpse shall be buried, except with the permission of the Council, in any place other than a burial-ground recognized by the inhabitants of a Maori kainga, or reserved or set apart by them or some duly constituted authority as a burial-ground.

7. No human corpse shall be permitted to lie in state in front of any meeting-house or in the courtyard (marae) thereof, but may lie in state at some other spot in the vicinity that may be indicated by the Chairman of the Committee.

(B.) BUILDINGS.

8. No person shall erect a dwellinghouse upon any site not having natural or artificial subsoil drainage sufficient to prevent such site being damp, or upon any site having matter thereon which may prove injurious to the health of the occupants of such buildings. The ground underlying every dwellinghouse shall be so formed and graded that no water can flow or lodge thereon or under any part of such building. Where the site of an erected dwellinghouse is considered injurious to the health of the occupants, the Council may order the owner or occupier to remove such building to a more healthy site.

9. Every person who shall erect a dwellinghouse shall construct every room intended to be used as a living-room so that the same shall be not less than 8 ft. 6 in. in height from the floor to the ceiling in every part; provided that every room intended to be used as aforesaid with a sloping or unceilinged roof shall be not less than 9 ft. in height from the floor to the roof over one-half the superficial area of such room, and no wall thereof shall have a less height than 5 ft. before any slope of the roof commences.

10. Every person who shall erect a dwellinghouse shall provide that for every sleeping-room therein there shall be at least 36 square feet of floor-space to each adult or every two children under ten years of age sleeping in that room, and there shall be a window-space clear of frames equal in area to at least one-tenth of the area of the floor of such room, of which window-space at least one-half shall be made to open.

11. Every person who shall erect a dwellinghouse must provide each sleeping-room with a boarded floor so that there shall be between the under-side of every joist, plate, stringer, and bearer on which such floor may be laid or supported and the upper surface of the ground a space of 4 in. at the least in each part, and he shall cause the area below such floor to be thoroughly ventilated by some effectual method.

12. In the case of houses already erected the Council may require the owner or occupier of any dwellinghouse which does not comply with Section B, clauses 10 and 11, to make such alterations or additions as may be deemed necessary.

13. The Council may, or shall if the Medical Officer of Health or Director of Maori Hygiene so directs, order the removal or destruction of any building in a dirty and unwholesome state, if in its opinion it is unsuitable for human habitation, or if the owner or occupier thereof fails after due notice to clean, renovate, or himself remove or destroy the same.

14. The Chairman of the Committee, or any person duly authorized by the Committee in that behalf, may by notice in writing direct the owner or occupier of any house or other building in a dirty and unwholesome state to clean or cause the same to be cleaned within a time to be specified in such notice.

16. The Committee may, in its discretion, ease or modify the application of the foregoing clauses 8, 12, 13, and 14 in the case of any old, ill, or feeble person occupying any such buildings as aforesaid, so that such clauses shall not press heavily on such person. 17. The owner or occupier of a dwellinghouse shall be held responsible for preventing more persons sleeping in any room thereof than are allowed by the floor-space laid down in clause 10. Failure to comply with this shall render him liable to a penalty not exceeding 5s. for a first offence and not exceeding 10s. for every subsequent offence.

Movable and Temporary Dwellings.

18. Every person who shall own or occupy temporarily a tent, shed, whare, or similar structure shall be responsible that the same is clean, dry, weatherproof, and ventilated. Each adult and every two children under ten years of age shall be provided with 16 square feet of floor-space.

SUMMARY FOR THE MONTH OF JANUARY, 1922.

Anticyclones dominated from the beginning until the 20th January, and the weather was fair though somewhat changeable, owing to several small disturbances passing south of the Dominion.

After the 20th a cyclone developed northward of New Zealand. It proved a very intense and extensive one, the effects of which practically lasted until the end of the month. Easterly to south-easterly gales were prevalent during this period, and very heavy rains were experienced in the northern and east coast districts of the North Island. Waihi recorded 20.43 in. for the month, of which amount 16.78 in. fell between the 25th and 28th (inclusive), the greatest fall being 6.70 in. on the latter day. At Keretoki Station, Waimatenui, on the 29th, a fall of 0.87 in. took place in twelve minutes.

The total rain for the month was below average in the country surrounding Cook Strait and in the south-west portion of the South Island. All other parts of the Dominion had an excess, the greatest being on the east coast of the North Island, where some stations recorded as much as five times the average.

In addition, the purchaser will require to pay a ground rent of 1s. per acre, payment to be made half-yearly in advance.

All instalment-payments shall be secured by "On demand" promissory notes made and endorsed to the satisfaction of the Conservator of State Forests, and interest at the rate of 5 per cent. per annum will be charged on all notes overdue from the date of maturity to the date of payment.

CONDITIONS OF SALE.

1. The right to cut and remove the timber will be sold in accordance with the terms of the Forests Act, 1921-22, the regulations made thereunder, and the following conditions.

2. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

3. The aforementioned quantities, qualities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind than as stated herein or in any advertisement having reference to the said timber.

4. The promissory notes will be presented at intervals as indicated in the terms of payment, but they may be presented for payment at earlier dates if it is found that more than a due proportion of the timber has been cut, or should any breach of the conditions occur, or if in the opinion of the Conservator the interests of the Crown are being jeopardized.

5. Each tenderer must state the total price that he is prepared to pay for each species. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

6. A return, verified by affidavit, giving the number of logs cut of each species and their contents, must be made quarterly by the licensee each quarter ending on the last day of March, June, September, and December, respectively in each year. A return, similarly verified, must be made on the same dates showing the output of sawn timber of each species.

7. The licensee shall not put, throw, or place, or allow to be put, thrown, or placed, into any river, stream, or watercourse, or into any place where it may be washed into any river, stream, or watercourse, any sawdust or other sawmill refuse.

8. The licensee shall take all reasonable precautions by way of providing such safeguards as may be required by the

Conservator for the prevention of damage to the adjacent bush by fires caused by sparks from locomotives, log-haulers, or otherwise, and shall be liable for any damage thereto in consequence of any negligence or disregard of these conditions on the part of the licensee or his workmen, such damage to be assessed by the Conservator of State Forests, whose decision shall be final.

9. All timber must be cut to the best advantage, and cutting operations must be carried on regularly and generally in a manner approved of by the Conservator of State Forests.

10. No compensation will be given, nor shall any be claimed, for any error, discrepancy, or misdescription whatever in respect of any lot or in these conditions.

11. The settlement of any disputes shall be effected by the Conservator of State Forests, and there will be a right of appeal to the Commissioner of State Forests, whose decision in all cases shall be final. Should the licensee fail to fulfil any and every obligation incumbent upon him the license will be subject to cancellation.

12. The Commissioner of State Forests may authorize the laying-down and working of tram-lines through the land by other persons than the licensee.

13. The successful tenderers will be granted a license to cut the timber, the period for which will be as above stated, and will not be extended. The license will not be transferable, except with the consent of the Commissioner of State Forests. Cutting operations must commence within twelve months of the date of the license.

14. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing-date for receipt of tenders.

15. If no tender is accepted for the timber herein mentioned, it will remain open for application at the upset price until further notice.

16. Tenders should be addressed "Conservator of State Forests, Wellington," and envelopes endorsed "Tender for Timber."
