8. RENTAL.

The licensee shall, in respect of this license, pay to the Public Works Engineer for the district, or otherwise as the Minister may from time to time require, a rental at the rate of 4s. per annum per kilowatt of maximum output; payment to be made yearly on the 31st day of March of each year, commencing from the date the electrical power is first supplied.

## 18. ASSIGNMENT.

This license and the benefits and obligations thereunder shall not be assigned or delegated by the licensee without the express consent in writing of the Governor-General in Council first had and obtained, upon such terms and conditions as he shall approve; but such consent shall not be withheld if it is proved to the satisfaction of the Minister that the transferee is financially and otherwise able to carry out the obligations specified under the license.

## 19. REVOCATION, ETC.

The powers of revocation or infliction of fines by a license invested in the Governor-General shall not be exercised unless and until the Governor-General has caused to be given to the licensee, or placed upon some principal or conspicuous part of the works, a notice in writing of the intention to exercise the same, and of the specified breach or breaches in respect of which the aforesaid powers are intended to be exercised, and default has been made by the licensee (after the giving or leaving of such notice) in repairing or remedying the breach complained of for the following space of time:—

Nor shall His Majesty or the Governor-General, or the Minister, or any other person be liable to pay to the licensee any compensation for injury done to the works authorized by the license by the construction, management, or working of any such public work as aforesaid, or for the loss occasioned thereby, or for the exercise of any such right or power as aforesaid.

## 22. GOVERNOR-GENERAL'S DECISION FINAL.

The Governor-General shall be the sole judge of the fact whether the requirements of these regulations have been complied with; and he may from time to time cause inquiry to be made into any matter connected therewith or arising hereunder, in such manner as he thinks fit, and his decision shall be final, and the licensee shall comply with such decision: Provided always that this clause shall not affect the right of any person, corporate body, or local authority in cases of damage or injury for which an action by such person, corporate body, or local authority may lie against the licensee.

JELlicoe, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 7th day of August, 1922.

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned, Arthur Stewart Russell, of Invercargill (hereinafter called "the licensee"), has applied to the Governor-General for a license, under the Harbours Act, 1908 (hereinafter called "the said Act"), to occupy a part of the foreshore at Paterson's Inlet, Stewart Island, in order to erect thereon a boat-shed in accordance with plan marked M.D. 5458 (in duplicate), and deposited in the office of the Marine Department at Wellington:

And whereas it has been made to appear to the Governor-General in Council that the proposed work will not be or tend to the injury of navigation, and it is desirable that a license should be granted and issued to the licensee under the said Act for the purpose aforesaid:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore on which the said boat-shed is erected, as shown on the aforesaid plan so deposited as aforesaid, for the purpose of maintaining the said structure thereon; such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

## SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the authority of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore occupied by the said boat-shed, as shown on plan marked M.D. 5458.

3. In consideration of the concessions and privileges granted by this Order in Council the licensee shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £1 in advance, payable on the 1st day of April in each year, the proportionate part of such annual rental in respect of the period from the date hereof until the 31st day of March following to be paid on the licensee being supplied with a copy of this Order in Council.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said boat-shed without payment.

5. The licensee shall maintain the above-mentioned boat-shed in good order and repair.

6. Any person authorized by the Minister may at all reasonable times enter upon the said boat-shed and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the licensee in New Zealand a notice in writing of any defect or want of repair in such boat-shed, requiring him, within a reasonable time, to be therein prescribed, to repair the same, he shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the licensee to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulations of the Minister of Customs, or with any provisions of the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

8. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for fourteen years from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

9. The said rights, powers, and privileges may be at any time resumed by the Governor-General, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

10. The licensee shall be liable for any injury which the said boat-shed may cause any vessel or boat to sustain through any default or neglect on his part.

11. In case the licensee shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said boat-shed for a period of thirty days;
- (3.) Become bankrupt, or be brought into the operation of any law for the time being in force relating to bankruptcy; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in any of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.
