And whereas it is desirable to grant the license applied for:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensees as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensees to use and occupy that part of the land below low-water mark, which is particularly shown and delineated within red lines on the plan so deposited as aforesaid, but excluding therefrom the area shown within a black line on the said plan, for the purpose of dredging and taking away the shingle and sand deposited thereon, such license to be held and enjoyed by the licensees upon and subject to the terms and conditions set forth in the Schedule hereto.
