CHAPTER I

The first part of the history of the United States is the story of the early years of the Republic. It begins with the signing of the Declaration of Independence in 1776, and continues through the years of the Revolutionary War, the struggle for a permanent constitution, and the early years of the new government. The second part of the history is the story of the growth of the United States as a nation. It covers the years from the end of the Revolutionary War to the beginning of the Civil War in 1861. This period is marked by the westward expansion of the United States, the struggle for a permanent constitution, and the growth of the industrial revolution. The third part of the history is the story of the Civil War and Reconstruction. It covers the years from 1861 to 1877, and is marked by the struggle for the preservation of the Union, the struggle for the rights of the freed slaves, and the struggle for a permanent constitution.
