- (2.) Each agent of the Native Trustee shall keep such books and accounts and furnish such returns as the Native Trustee directs.
14. (1.) Moneys payable within the Dominion out of the Native Trustee's Account may be forwarded by the Native Trustee to any of his agents, who shall pay the same in accordance with the Native Trustee's directions.
- (2.) Such moneys may also be forwarded by the Native Trustee for payment by such Postmasters as the Native Trustee requests and the Postmaster-General directs.
15. It shall not be necessary that any claims which, in the opinion of the Native Trustee, are correct and payable out of the Native Trustee's Account shall be audited before they are paid, otherwise than by an officer of the Native Trust Office appointed to examine and approve such accounts.
16. Every claim upon the Native Trustee shall be made in the form required by the Native Trustee.
17. The officer or agent authorized to pay a claim on the Native Trustee must be satisfied before paying it that the applicant for payment is entitled to receive the amount, and that all necessary documents have been produced.

20. (1.) Where any moneys are payable to any person unable to sign his name, then no such payment shall, except with the special direction of the Native Trustee, be made except upon a receipt purporting to bear the mark of the person entitled to receive the money, and attested by some responsible adult person other than the paying officer, and it shall not be necessary for the Native Trustee to inquire whether such person is an adult or not.
- (2.) The attestation shall state that the receipt was read over and explained to the person making his mark.
21. (1.) Subject to the provisions of any statute in that behalf, a claimant may authorize by a special or general order, in such form as is from time to time approved of by the Native Trustee, that any payment may be made to any other person.
- (2.) The special order shall be on or attached to the claim.
- (3.) In the case of a general order it shall be sufficient if it is sent to and received by the Native Trustee.

(4.) The Native Trustee shall not be bound to accept or honour any such special or general order, and payment thereunder may be made at his sole discretion.

(5.) Notwithstanding that any general or special order is revoked by death or otherwise, any payment made pursuant thereto shall be good and valid unless prior to the payment the Native Trustee has received actual notice in writing of such revocation.

(6.) The provisions of clause 20 hereof as to attestation of receipts shall, *mutatis mutandis*, apply to all such orders.

22. (1.) Where a Native gives a special or general order, it shall purport to be attested by a licensed Native interpreter of the First Grade, who shall certify in attesting that he has read over and explained the order to the Native, and that the Native understood it; provided that the Native Trustee may dispense with any such attestation.

(2.) It shall not be necessary for the Native Trustee, unless he thinks proper, to ascertain whether the person so attesting is a licensed Native interpreter or not, and, notwithstanding that it may afterwards be discovered that the person attesting was not a licensed interpreter, the order, and all acts and things done thereunder, shall be valid.

(3.) This clause shall be construed subject to any statutory provision dealing with the matter.

Estimated Areas under Wheat and Oats, Season 1922-23.

Census and Statistics Office,
Wellington, 30th October, 1922.

AS in previous years, cards were sent out by post to grain-growers throughout the Dominion, asking them to state what areas they had sown or proposed to sow in wheat and oats this season.

The subjoined estimates are based on the figures obtained by a tabulation of the cards returned.

WHEAT AND OATS.—FINAL AREAS 1921-22, AND AREAS ESTIMATED AS SOWN OR TO BE SOWN 1922-23.

	Wheat. Acres.	Oats. Acres.

**SCHOOL FOR THE DEAF, NEAR SUMNER,
CHRISTCHURCH.**

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE
EDUCATION DEPARTMENT,
WELLINGTON.
