REGULATIONS.

1. THESE regulations shall be deemed to be part of the Customs Regulations gazetted on the 2nd day of July, 1914, which are hereinafter referred to as "the principal regulations."

2. (1.) The forms prescribed in these regulations are those in the Second Schedule hereto.

(2.) The forms prescribed in the principal regulations are hereby amended in the manner indicated in the Third Schedule hereto.

(3.) In cases where the forms prescribed by the principal regulations are amended or revoked by these regulations, the Comptroller may permit the continuance of the use of any of the first-mentioned forms until the 31st day of December, 1923, or until such further time as he may in any special case permit.

3. (1.) Where any goods, in which spirit is a necessary ingredient, which are not specified in the Fourth Schedule to the Customs Amendment Act, 1921, are made in a manufacturing warehouse, and the duty payable thereon is an *ad valorem* duty, the value of such goods shall be determined as nearly as possible at the same value as if they had been imported from the United Kingdom at the time the goods so made are entered for home consumption in New Zealand.

(2.) If such value cannot be satisfactorily determined in the manner aforesaid, it shall be determined at the actual cost of manufacture of the said goods in New Zealand with the addition of 10 per centum thereto.

4. Declarations required or authorized by the Customs Act, 1913, may be made before any licensed Customs agent, excepting in the case of declarations prescribed to be made under Forms 1, 3, 4, 10, 11, 12, and 53 of the Second Schedule to the principal regulations.

5. Refunds of duty on materials used in the manufacture in New Zealand of ships, launches, yachts, or boats may be paid under section 28 of the Customs Amendment Act, 1921, in all cases in which the following conditions are complied with, namely—

(a.) Application shall be made in Form 1.

(b.) The applicant for refund shall, at his own expense, obtain and produce such evidence as to the payment of duty on the materials, and the time and place of the manufacture of the ships, launches, yachts, or boats, and such other particulars as the Collector, in any case, may require.

6. The following shall be the classes of goods which shall be deemed for the purposes of the Customs Amendment Act, 1921, to be the produce or manufacture of countries the produce or manufactures of which are entitled to be entered for duty under the British Preferential Tariff :—

(a.) Goods wholly the produce of such countries :

(b.) Goods wholly manufactured within such countries from materials produced in such countries :

(c.) Goods wholly manufactured within such countries in which all manufacturing processes are performed in such countries from unmanufactured raw material not produced in such countries :

(d.) Goods partially produced or partially manufactured in such countries ; provided that the final process or processes of manufacture have been performed in such countries, and also that the expenditure in material produced in such countries and (or) labour performed within such countries (calculated subject to the qualification hereunder) in each and every article is not less than one-fourth of the factory or works cost of such article in its finished state.

7. In the calculation of such proportion of produce or labour of such countries none of the following items shall be included or considered :—

- (a.) Manufacturer's profit, or the profit or remuneration of any trader, agent, broker, or other person dealing in the article in its finished condition ; or
- (b.) Royalties ; or
- (c.) The cost of outside packages or any cost of packing the goods thereinto ; or
- (d.) Any cost of conveying, insuring, or shipping the goods subsequent to their manufacture.

8. Goods which, after shipment from any of such countries, have entered into the commerce of or been subjected to any process of manufacture in any country the produce or manufactures of which are not entitled to be entered for duty under the British Preferential Tariff shall not be deemed to be the produce or manufacture of countries the produce or manufactures of which are entitled to be admitted under the British Preferential Tariff : Provided that goods produced or manufactured in a country the produce or manufactures of which are entitled to be entered for duty under the British Preferential Tariff, which after shipment therefrom have entered into the commerce of the Commonwealth of Australia, shall be entitled to be entered for duty under the British Preferential Tariff if the Collector of Customs at the port of entry is satisfied, by the production of a certificate signed by an officer of Customs in Australia, that the said goods are the produce or manufacture of such first-mentioned country : Provided further that, in any special case, the Collector at the port of entry may dispense with the production of the said certificate and admit any such goods under the British Preferential Tariff if he is fully satisfied, by evidence produced to him, that the said goods have been produced or manufactured in a country the produce or manufactures of which are entitled to be entered for duty under the British Preferential Tariff.

9. In every case where, pursuant to section 16 of the Customs Amendment Act, 1921, the full duty under the General Tariff is payable on any goods owing to the non-production to the Collector of an invoice having printed or written thereon a certificate in the prescribed form, and at the time of entry the importer alleges, and the Collector has reason to believe, that such goods are *bona fide* the produce or manufacture of a country the produce or manufactures of which are entitled to be entered for duty under the British Preferential Tariff, and that such non-production is due to accident, the following provisions shall apply :—

- (a.) Any amount of duty so payable in excess of the duty payable upon the like goods being the produce or manufacture of a country the produce or manufactures of which are entitled to be entered for duty under the British Preferential Tariff may be held by the Collector at the port of entry on deposit pending the production of an invoice having printed or written thereon a certificate in the prescribed form.
- (b.) If the invoice, having written or printed thereon a certificate as aforesaid, is produced to the Collector within six months from the date of payment of the deposit, and the Collector is satisfied that the goods are the produce or manufacture of a country the produce or manufactures of which are entitled to be entered for duty under the British Preferential Tariff, such deposit shall be returned to the importer ; but if such invoice is not so produced, the amount of the deposit shall be paid into the Public Account as duty payable under the said section, unless the Minister shall, in any case at his discretion, direct—
 - (i.) That the amount of the deposit shall be returned to the importer ; or
 - (ii.) That the amount of the deposit shall be returned to the importer on payment of a penalty not exceeding the amount of such deposit.

10. (1.) The certificate referred to in section 16 of the Customs Amendment Act, 1921, shall be in Form 2.

(2.) Notwithstanding anything in this regulation, if the Collector is satisfied that any goods entered for duty under the British Preferential Tariff are *bona fide* the produce or manufacture of a country the produce or manufactures of which are, under the Customs Acts, entitled to be entered for duty under the British Preferential Tariff, he may, in such special cases as he thinks fit accept, with respect to such goods, a certificate in the form prescribed by Minister's Order No. 1001 under the Customs Duties Act, 1908, and gazetted on the 27th day of June, 1912, as modified by Minister's Order No. 1043 gazetted on 3rd July, 1913.

11. All invoices shall, except where not so required by the Collector, be in Form 3, and shall have printed or written thereon a certificate in Form 4.

JELICOE, Governor-General.

ORDER IN COUNCIL.

At the Government House at Wellington, this 4th day of December, 1922.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council dated the sixth day of December, one thousand nine hundred and fifteen, and published in the *New Zealand Gazette* No. 141, of the ninth day of the same month, the Kauri Timber Company (Limited), of Auckland (hereinafter called "the company"), was licensed to use and occupy a part of the foreshore and land below low-water mark at Koutu, in Hokianga Harbour, as shown on plan marked M.D. 2486, and deposited in the office of the Marine Department at Wellington, in order to maintain thereon two timber-booms, as shown on the plan so deposited as aforesaid, for a term of seven years, computed from the twenty-eighth day of November, one thousand nine hundred and fifteen :

And whereas, the said license having expired, the company has made application for a fresh license under the Harbours Act, 1908 (hereinafter called "the said Act"), for a term of five years, computed from the expiry of the term of the above-mentioned license, and it is expedient to grant the same for the term and subject to the conditions hereinafter expressed :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the company as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore and land below low-water mark immediately contiguous thereto, which is particularly shown and delineated on the plan so deposited as aforesaid, for the purpose of using the aforesaid timber-booms in connection therewith, such license to be held and enjoyed by the company upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to that part of the foreshore and land below low-water mark occupied by the said booms, as shown on plan marked M.D. 2486.

3. In consideration of the concessions and privileges granted by this Order in Council the company shall, on being supplied with a copy thereof, pay to the Minister the sum of £2 10s., and thereafter an annual sum of £2 in advance, payable on the 1st day of April in each year, the proportionate part of such annual rental in respect of the period from the date hereof until the 31st day of March following to be paid on the company being supplied with a copy of this Order in Council.

4. His Majesty or the Governor-General, and all officers in the Government service acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the said booms without notice.

5. The company shall maintain the above-mentioned booms in good order and repair, and shall at all times exhibit therefrom, and maintain at its own cost, suitable and necessary lights for the guidance of vessels: provided that no light shall be exhibited until after it has been approved of by the Minister.

6. Any person authorized by the Minister may at all reasonable times enter upon the said booms and view the state of repair thereof; and upon such Minister leaving at or posting to the last known registered office of the company in New Zealand a notice in writing of any defect or want of repair in such booms, requiring it, within a reasonable time to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorize the company to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Minister of Customs, or with any provisions of

the Harbours Act, 1908, or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

8. The rights, powers, and privileges conferred by or under this Order in Council shall continue to be in force for five years from the 28th day of November, 1922, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the written consent of the Minister first obtained.

9. The said rights, powers, and privileges may be at any time resumed by the Governor-General, without payment of any compensation whatever, on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known registered office of the company in New Zealand.

10. The company shall be liable for any injury which the said booms may cause any vessel or boat to sustain through any default or neglect on its part.

11. In case the company shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said booms for a period of thirty days;
- (3.) Be in any manner wound up or dissolved; or
- (4.) Fail to pay the sums specified in clause 3 of these conditions,—

then and in either of the said cases this Order in Council, and every license, right, power, or privilege, may be revoked and determined by the Governor-General in Council without any notice to the company or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.
