No member shall be a member of any other exchange in the town or suburbs of Gisborne engaged in the same business.

**OBJECTS.**

3. The objects and purposes of the Exchange are to provide, regulate, and maintain a suitable building, room, or rooms in Gisborne for the promotion and facilitation of dealing in stocks and shares; to establish just and equitable principles in the transaction of business; to adjust controversies between the members; and to maintain uniformity in its rules and usages. Its funds are to be applied only for the purposes and objects herein set forth.

**MEMBERS.**

4. The number of members shall be limited to twelve, exclusive of country members.

**COUNTRY MEMBERS.**

5. Any licensed broker carrying on business at a distance of not less than twenty miles from the rooms or buildings where this Exchange is for the time being transacting its business may be elected a country member by this Exchange; provided that this Exchange is the nearest metropolitan exchange to his place of business. A country member shall be elected annually, and shall pay a fee of £5 5s. per annum, or such other sum as may be fixed from time to time by the Stock Exchange Association of New Zealand, such subscription to be payable in advance. The privileges of country members shall expire on the 30th day of June of each year. Country members shall have the privilege of doing business with any member of any affiliated exchange, but shall not be entitled or eligible to attend any “calls” or meetings of the Exchange except as a guest, and shall not be entitled to vote or hold office or have any voice in the control, management, or affairs of the Exchange. A country member shall sign and be subject to the rules of the Exchange, and he shall be deemed to be on the roll of the Exchange. The election of country members shall be carried out in the same manner as prescribed in the case of ordinary members.

**MANAGEMENT.**

6. The management of the Exchange shall be vested in a Committee consisting of the Chairman, Vice-Chairman, and one other member, and such Committee shall have (subject to these rules) the direction and control of the affairs of the Exchange, and they shall forthwith provide a common seal for the Exchange, and they shall have power from time to time to destroy the same and substitute a new seal in lieu thereof, and they may make regulations for the use and safe custody of the common seal; provided always that every instrument to which the seal shall be affixed shall be signed

by at least two members of the Committee and countersigned by the Secretary or some person appointed by the Committee.

7. In the event of any member of the Committee other than and excepting the Chairman and Vice-Chairman being absent from three consecutive meetings of the Committee without leave of the Chairman or, in his absence, the Vice-Chairman, his seat thereon shall be declared vacant. Meetings of the Committee shall be held at such place and at such times, and such notice thereof shall be given, as the Committee for the time being shall from time to time determine. Until the Committee otherwise determines, the Secretary shall give to the members of the Committee notice of each meeting not later than forty-eight hours before the date on which such meeting is to be held.

8. The Chairman, Vice-Chairman, and other members of Committee shall be elected at the annual general meeting by a majority of the members of the Exchange present and voting. Each such election shall be by ballot, and the persons elected shall take office immediately after the close of the annual general meeting at which they are elected. At each annual general meeting the Chairman, Vice-Chairman, and all other members of the Committee shall retire and be deemed to have vacated office, but each of them shall be eligible for re-election to the office which he has vacated. Any member desiring to be or become a candidate for office must be proposed by one member and seconded by another member. So far as concerns the election of the Committee, each member voting must vote for the full number required, and any voting-paper recording a vote for less names than the required number shall be deemed to be informal, and shall not be taken into account.

9. A member of the Committee shall not at any meeting take any part in any proceedings relating to any complaint concerning such member, or otherwise having reference to the conduct of such member, or relating to any other matter in which such member has a special interest, and such member shall not be entitled to vote at any subsequent meeting of members dealing with any such subject or matter.

10. A member of the Committee shall not take part in any of its meetings pending the investigation of a charge affecting himself.

11. The surviving or continuing members of the Committee, notwithstanding any vacancy in their number, may act until the vacancy be filled up.

12. At meetings of the Committee all questions shall be decided by a majority of the members present.

13. The quorum for meetings of the Committee shall be two.

**SECRETARY.**

14. The Committee may from time to time appoint a Secretary, who shall hold office during their pleasure and at such remuneration as they may from time to time fix.

15. In the absence of the Secretary from any meeting, or in the case of his suspension, the Chairman shall carry out his duties or may appoint another member to do so.

**TREASURER.**

16. The Secretary shall keep the accounts and act as Treasurer, and shall have the custody of all books and papers. He shall present at each annual general meeting a statement of the finances of the Exchange to the end of the previous year, duly audited by a member appointed by the members for that purpose.

**CHAIRMAN.**

17. The Chairman, or in his absence the Vice-Chairman, shall preside at all meetings of the Exchange and of the Committee, but in the event of both being absent the members present shall elect a chairman for that occasion.

18. The Chairman at any meeting shall have entire control thereof, and shall regulate the order and manner in which the business shall be conducted. The decision of the Chairman shall be final in all cases submitted to him.

19. In all cases at any meeting when, on a division, the votes are equal, the Chairman shall have a second or casting vote.

20. In the event of any member or members obstructing the business of the meeting or being guilty of any breach of etiquette, of which the Chairman shall be the sole judge the Chairman shall have power to inflict such fine, not exceeding £2, as he may deem advisable.

**OFFICIAL VACANCY.**

21. Any occasional vacancy in the Committee, or in the position of Chairman or Vice-Chairman, shall be filled at a special general meeting of members to be summoned by the Committee for that purpose without unnecessary delay.

**ANNUAL GENERAL MEETINGS AND SPECIAL GENERAL MEETINGS.**

22. The financial year of the Exchange shall close on the 30th day of June. A general meeting of members shall be

held annually in the months of July or August, at which the business shall be to receive from the Treasurer a balance-sheet showing the financial position of the Exchange, to elect a Committee and officers for the ensuing year, and also generally to conduct any business provided for in these rules.

23. At any annual general meeting, after all business herein provided for shall have been disposed of, it shall be competent for any member to bring under the notice of the meeting any business or matter within the object or purposes of the Exchange, and to give notice of any proposition to be considered at a future meeting.

24. A special general meeting may be called by the Committee at any time.

25. A special general meeting shall be called by the Committee upon the receipt of a requisition addressed to the Secretary requesting them to do so, signed by at least three members, and stating the business for which such meeting is required; and if the same shall not be convened within seven days from the time of such requisition being so left, or within one month if the object of such meeting is the alteration, amendment, or repeal of these rules, or any of them, the requisitionists or any three members may themselves convene a meeting by giving the required notice at an official meeting.

26. A special general meeting can only be held after at least twenty-four hours' notice has been given by announcement at an official meeting, specifying the day and hour of the meeting and the general nature of the business to be considered; provided that this rule shall not apply to meetings called for the purposes of altering, amending, or repealing these rules or any of them.

27. No other business shall be transacted at a special general meeting except that stated in the notice convening the meeting, and no resolution shall be passed, or other business transacted, which is not included within the objects and purposes for which the meeting is convened. No amendment shall be allowed upon any resolution contained in the notice convening any meeting not directly pertinent thereto.

28. Any general meeting shall have power, *inter se*, to adjourn from time to time as may be found necessary. Whenever an adjournment to a future day has been decided upon, notice thereof shall be given in such manner as may be determined by the chairman of the meeting.

29. No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting so adjourned.

30. Every member shall have one vote, and all questions shall be decided by a majority of the members present and voting, except in case otherwise provided for in these rules. Voting by proxy shall not be permitted.

31. The quorum for general and special general meetings shall not be less than five. If there is not a quorum present at any meeting, either of the Exchange or the Executive Committee, within fifteen minutes of the time appointed, the same shall lapse. The lapse of a meeting shall in no way prejudice or affect the right to call another meeting for the same purpose.

#### FUNDS.

32. The Committee shall have full control over the funds of the Exchange, and shall pay therefrom all current expenses and outgoings, and any other payments for which they have the authority of the members. All moneys received shall be paid into a bank account, and all accounts, salaries, &c., shall be paid by cheques drawn on such account.

33. The Committee shall invest the funds as they may in their absolute discretion think advisable, and shall have power to sell and vary investments.

34. Cheques drawn on or against any funds of the Exchange shall bear the signature of the Secretary or Acting-Secretary and of one member of the Committee.

#### ENTRANCE FEE.

35. No entrance fee shall be payable for the period ending 30th June, 1922, but thereafter twenty-five guineas or such other sum as the Exchange may from time to time determine shall be paid by candidates for membership at the time of application for admission. In the event of a candidate being rejected his entrance fee shall be returned to him; provided that any candidate for admission by virtue of the purchase of a membership shall not be required to pay any entrance fee other than the sum mentioned in rule 50.

#### SUBSCRIPTION.

36. The annual subscription shall be £2 2s. (payable in one sum on the 1st day of July in each year), and the Executive Committee shall have power to make such other calls as may be necessary to meet current expenses, to be payable within fourteen days from the date of such call. It shall be competent for the Committee to suspend any member whose subscription or call shall have remained unpaid for

fourteen days from the date on which such subscription or call is due; and, further, if such subscription or call shall remain unpaid for the space of one month from the date on which it is due, the seat shall be rendered liable to forfeiture at the discretion of the Committee. In the case of a deceased member, notice of the dates when subscriptions or calls fall due shall be sent to the executors by the Secretary of the association, who shall at the same time direct attention to the provisions of this rule.

37. The membership of a resigning member, from the date of resignation until the election of his nominee, shall be subject to the same annual subscription as that of existing members during that period.

38. A membership purchased by the Committee shall not be liable for the annual subscription whilst held by them.

#### ELECTION OF MEMBERS.

39. Every candidate for admission to membership must be proposed by a member and seconded by another member, and his name shall be submitted to the Committee, and announced at an official meeting, and posted in the room of the Exchange, at least seven days before the day of election. The ballot shall be taken at the first call of shares on the day after such seven days have expired. Application for admission to membership, except as otherwise provided, shall be in the following form:—

Gisborne, , 19 .

To the Secretary of the Gisborne Stock Exchange.

SIR,—I am desirous of being admitted a member of the Gisborne Stock Exchange, upon the terms of and under and subject in all respects to its rules and regulations which now are or hereafter may be for the time being in force.

Enclosed I beg to hand you cheque for £ , being the entrance fee required.

I am, &c.,

.....

40. Candidates shall be elected by the members by ballot. One black ball in five shall exclude. Proxies shall not be allowed. No ballot shall be valid unless at least one-half of the total of members of the Exchange entitled to vote do actually vote. No rejected candidate shall be again proposed for election within the space of six months after his rejection.

41. Any member may during his absence from Gisborne, or whilst ill, or on any other emergency, delegate to a nominee all or any of his rights under these rules, provided such nominee is approved by the Committee. Such approval may be withdrawn at any time by the Committee without assigning any reason for such withdrawal. The member so delegating his rights shall be responsible for all acts and defaults of such nominee in the same way as the delegating member would be responsible were such acts or defaults committed by such member.

42. Every member shall sign the rules. A member shall not be entitled to the privileges of membership until he has done so.

#### RIGHTS AND PRIVILEGES OF MEMBERS.

##### *Personal.*

43. The rights and privileges of every member shall be personal to himself, and shall not be transferable by operation of law nor by his own act except as provided in these rules.

##### *Interest in Membership.*

44. Every member shall have an interest in his membership but he shall have no power to and shall not encumber or assign the same by way of mortgage, and the Exchange shall have a preferential lien thereon for any debt or debts owing by the said member to the Exchange or to any member or members thereof.

##### *Transfer of Membership.*

45. Any member may propose a candidate for membership in his stead, provided he, at the time of such proposal, lodge with the Secretary the resignation of his own membership. In the event of such candidate being rejected the member may again propose a candidate, until a candidate proposed by him shall be elected. Pending the election of a candidate proposed by him, the member shall retain his membership and all the privileges thereof; but as soon as a candidate proposed by him shall be elected the resignation of such member shall take effect.

46. Any member may resign his membership, and thereafter nominate a candidate to be proposed for membership in his stead. In the event of such nominee being rejected, the resigning member may again nominate a candidate until a candidate nominated by him be elected.

64. Claims on the estate of a resigning, retiring, or deceased member that do not arise from transactions under these rules shall not be recognized by the Committee until all claims that have arisen from transactions under the rules shall have been satisfied.

#### Partners or Clerks.

65. The Chairman or Vice-Chairman may grant a member permission for a nominee to attend the official meetings for the purpose of making quotations, and the purchase and sale of shares, on behalf of such member, but for no other purpose. Such authorized nominee shall be subject to the rules and usages of the Exchange, but shall not have a vote at any meeting, nor any voice in the management of the Exchange. The Chairman or Vice-Chairman may withdraw the permission at any time.

66. The nominee so admitted to official meetings shall be deemed to be the agent of the employers, and the member on whose application he is admitted shall be responsible for all transactions of the said nominee.

67. A nominee shall not be eligible for admission unless he be at least twenty-one years of age.

68. A nominee shall not buy or sell time-bargains, or deal except in cash transactions, unless he shall have written authority to do so from his employer, such authority to be lodged with the Chairman, and all his dealings shall be on account of his employer.

69. A member may, by a letter addressed to the Secretary, withdraw authority to his nominee to act, but his responsibility shall continue until such withdrawal shall have been notified to the members at an official meeting.

#### COMMISSION.

70. The rates of brokerage shall be those fixed or adopted from time to time by the Stock Exchange Association of New Zealand.

71. No rates other than those mentioned shall be charged. It shall not be allowable under any circumstances whatever to pay agents or other persons not members of an Exchange affiliated to the Stock Exchange Association of New Zealand a remuneration of any kind for introducing business, except in respect of applications for shares in new companies.

72. No member shall do business for or with any broker or other person in New Zealand (other than a member of an Exchange affiliated to the Stock Exchange Association of New Zealand) at net prices or at less than the rates of commission fixed or authorized by the Stock Exchange Association of New Zealand.

#### OFFICIAL MEETINGS.

73. The official meetings of the Exchange shall be the meetings of members, held at such place and times as the members shall appoint, at which the business shall be to make prices, effect sales, and receive and record quotations of sales, also to do any general business in accordance with these rules. The quorum for an official meeting shall be not less than three members of the Exchange for the time being entitled to vote.

74. The official holidays to be observed by all members of the Exchange shall be fixed at the annual general meeting held in July of each year. Special holidays shall not be declared except by the vote of not less than two-thirds of the members present at any official meeting. Notice of intention to take such vote shall be given by the Chairman at a previous meeting. No meeting shall be held on public holidays unless otherwise ordered by the members in the same manner as that provided for special holidays.

75. A member shall not leave an official meeting without the permission of the Chairman, under penalty of a fine to be fixed by the Chairman, which shall be paid within seven days.

76. Telegrams and other written communications may be received by members during business meetings, but no messages shall be sent out during such meetings.

#### QUOTATIONS.

77. At the official meetings the prices made shall be binding on members making them to the extent of the minimum quotation. No sale shall be made while the record of business done is being called over, or during any time of suspense ordered by the Chairman.

78. The highest declared buyer shall have priority over all other members in purchasing the stock in question at the price named. But having made a purchase, he must, to retain his priority, immediately declare himself as still a buyer.

79. The lowest declared seller shall have priority over all other members in supplying the stock in question at the price named. But having made a sale, he must, to retain his priority, immediately declare himself as still a seller.

80. No sales shall be quoted on "change" except those which are made between members of this or any affiliated

Exchange, and a sale may be reported only on the day on which the sale is made.

81. If any quotation of sale be challenged, the Chairman of the day shall immediately accompany a member whose quotation is doubted to his office, and there satisfy himself by examination of the books or papers of such member as to the *bona fides* of the quotation; and shall report the result either to the Committee in the first instance, or direct to the members in official meeting assembled, as to him shall seem fit. Any member refusing to the Chairman an inspection of his books shall be treated by the Committee as guilty of making a false quotation. An offender shall be considered as guilty of conduct unworthy of a member, and be dealt with accordingly.

#### OFFICIAL LIST.

82. The list of quotations of prices and of purchases and sales effected and reported at the meetings of the Exchange shall be the official list of the Exchange.

83. The Committee may, if it so thinks fit, issue a monthly list. No member shall issue a private list or general report.

84. Admission of companies to quotation on the official list shall be upon such terms and conditions as the members shall from time to time determine. The Exchange shall have power to suspend for any period, or withdraw altogether, the name of any company or association from the official list.

#### REGISTER OF SALES.

85. All sales made at official meetings shall be recorded in a register kept for that purpose, which record shall be called over before the close of such meeting, and members shall be bound thereby. Stamped contract notes for all transactions in mining shares shall be passed between members, and in the event of a dispute, unless the contract note shall have been returned within a reasonable time, it shall be *prima facie* evidence of a sale having been effected, and at the price stated therein.

#### INVIOABILITY OF CONTRACT.

86. In contracts between members for the sale and purchase of shares and stocks they shall be held to be principals to each other unless a written agreement to the contrary be made between buying and selling broker at the time of the contract being made.

#### DELIVERY AND SETTLEMENT.

87. When sales are effected, the selling member must deliver the documents within ten days from 12 o'clock on the day of sale, except in the case of Tasmanian and Australian stocks, when twenty-one days shall be allowed, unless a special time for delivery is stated at the time of sale. If the documents are not delivered in accordance with this rule, the buying member shall (subject to his having given not less than twenty-four hours' notice to the Chairman of the Exchange, dating from noon of the day on which notice is given, of his intention so to do) have the right to purchase or buy the said shares through the Chairman on "change" on the following or any subsequent day within the period of six weeks from date of the original purchase and at the risk of the seller.

88. Purchasers shall not be required to take delivery of and pay for documents until the day following the sale. All documents must be delivered before 11 o'clock on Thursdays and Saturdays and 1 o'clock on other days, otherwise it shall not be incumbent on purchasers to pay for same until the following day.

89. Sellers shall have the right to require the purchase-money to be paid in cash or by marked cheque at the time and place of delivery of documents. In case of failure of payment by the buyer, the vendor may, within one day of default of settlement, or on any future day, either cancel the transaction or sell at the buyer's risk, through the Chairman of the Exchange, the securities involved, and the defaulting member shall forthwith pay to the vendor any difference between the original purchase-money and the net proceeds of the securities resold.

90. If delivery of documents has not been made within the time specified in rule 87, and the buyer has not cancelled the purchase or bought at the risk of the seller as therein provided, and the seller shall tender delivery of documents after the expiration of six weeks from the date of the sale, the buyer shall not be bound or compellable to accepted delivery of such documents unless some special agreement in writing has been entered into between the buyer and the seller in respect of such delivery.

91. When the buyer shall claim delivery of documents after the expiration of six weeks from the date of purchase, and the seller shall not have cancelled the sale or sold at the buyer's risk as provided in rule 89, it shall not be incumbent upon the seller to deliver unless some special agreement in writing has been previously made between the buyer and the seller in respect of such delivery.

92. The refusal of the Board of Directors of any company to register a transfer shall not invalidate a sale.

93. Sellers shall deliver separate transfers and scrip representing a sufficient number of shares sold in each sale if required to do so. Buyers requiring scrip must have transfers delivered with scrip attached, or a memorandum equivalent to such scrip certified to by the company. A selling of shares in London companies having a colonial register shall deliver scrip on the colonial register, unless otherwise arranged at time of sale. The selling broker shall be responsible for a period of seven clear days from date of delivery for the validity of all documents delivered, and for the shares being free from all liability due or payable at the time of sale.

94. Sellers shall have the right to demand from the buyer, prior to delivery, a name for insertion in the transfer of investment shares. Failing the buyer complying with such demand within three clear days from date of sale, the seller may insert the name of the buying broker.

95. A member shall not be bound to accept delivery of a transfer by a transferee and his signature cancelled, or filled in with a transferee's name and the same cancelled.

96. Buyers shall have the option of refusing all transfers or scrip under power of attorney or per procuracy unless the signature thereto be certificated as correct by the Secretary of the company, or the documents be accompanied by a valid power of attorney.

97. No member shall print or affix his name stamp on any transfer or scrip delivered to another broker.

98. In all forward contracts for shares or stocks, except where there is otherwise specifically agreed in writing between the parties at the time of sale, there shall be implied the following conditions: The seller may at any time and from time to time whenever the market price of the shares or stocks is less than the amount for the time being owing under the contract, and the buyer may at any time and from time to time whenever the market price of the shares or stocks exceeds the amount for the time being owing under the contract, by application or notice to the other in writing, require that the contract be kept to the market price by payment to the Secretary of the Exchange of the difference between the contract price and the market price. Notification of such application or notice shall be forthwith lodged with the Secretary. Any written notice may be served on application made by delivering the same to the other party personally, or by leaving the same at his registered address or left as aforesaid. No such application shall be made, or notice served on Wednesdays or Exchange holidays, or after 1 o'clock in the afternoon of any week-day. Whenever any such application shall have been made, or any such notice shall have been duly served as aforesaid, the person to whom such application shall have been made, or upon whom such notice shall have been served, shall, before 2.30 p.m. on the same day, pay the Secretary of the Exchange a sum equal to the difference between the market price of the shares or stock at the time of such application or service and the amount then owing under the contract; such payments to be made in cash or marked cheque if so demanded. The amount so paid shall be held by the Secretary upon and subject to the following trusts and conditions, viz.:-

- (1.) If the amount has been paid by the seller, and before the date fixed for completion of the contract the market price of the shares or stock falls to the contract price, then such amount shall be paid to the seller if demanded.
- (2.) If the amount has been paid by the buyer, and before the date fixed for completion the market price of the shares or stock rises to the contract price, then such amount shall be repaid to the buyer if demanded.
- (3.) The said amount shall in any case be repaid to the party paying the same, at the written request of the other party.
- (4.) The said amount shall be repaid to the party paying the same on the Secretary being satisfied that the contract has been completed.
- (5.) If the party who has paid such amount shall fail to complete the contract, then the said amount shall be applied in the first place in paying to the other party the amount which the defaulting party is liable to pay to him or hereinafter provided, and the balance (if any) shall be applied firstly in paying the brokerage payable to the Chairman as hereinafter mentioned, and secondly towards the payment of any fine or fines inflicted upon the defaulter.

Provided always that the seller may, in lieu of paying to the Secretary of the Exchange the difference between the market price and the amount owing under the contract, deposit the shares or stock in manner hereinafter mentioned. When any shares or stock are deposited under the provisions of this rule such charge or stock shall be deposited with the Secretary of the Stock Exchange, or with such other person or persons as may be mutually agreed upon by the parties

to be held by the Secretary, or other person or persons pending the due completion of the contract. On payment of the amount payable under the contract the shares or stock shall be delivered to the buyer, but if the buyer shall make default in such payment such shares or stock shall be returned to the seller.

In this rule, unless otherwise expressed, the "market price" shall mean the market price of the shares or stock at the time when application is made, or the notice is served as aforesaid, as the case may be. All disputes as to the market price shall be decided by reference to the Chairman of the Exchange, or, in his absence, to any member of the Committee who may be available and mutually agreed upon, whose decision shall be final, conclusive, and binding on all parties.

If default shall be made by the buyer in complying in manner aforesaid with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contract, the seller may in either or any case forthwith, at his option, either cancel the contract or sell out the shares or stock through the Chairman, and the purchaser shall forthwith pay to the seller the difference between the contract price and the net proceeds from the sale. If default shall be made by the seller in complying with any such application or notice as aforesaid, or in completing the purchase at the time fixed by the contractor, the buyer may, in either or any such case, forthwith, at his option, either cancel the contract or buy at the risk of the seller through the Chairman, and the seller shall forthwith pay to the buyer the difference between the contract price and the gross amount paid by the buyer. The Chairman shall charge the usual rates of brokerage on all such sales as aforesaid, the amount in each case to be paid by the defaulting party.

#### DIVIDENDS.

99. Transactions in shares shall be with dividend until the day the dividend is payable. When transfers are delivered subsequent to the declaration of a dividend, but prior to the closing of the books of the company and in sufficient time for the registration of the shares, the seller shall not be responsible for the dividend, and the buyer's claim shall be only upon the registered holders; but when no reasonable time is afforded to the buyer to register the shares in his own name, then the seller shall be responsible for the dividend.

100. Dividends payable between the date of sale and the maturity of time-bargains shall accrue to the buyer, and shall be accounted for at the time of settlement of the bargain.

101. Accrued interest on debentures up to and including the day of sale, in addition to the price, shall belong to the seller.

#### CALLS.

102. All calls made prior to time of sale shall be paid by the seller before delivery. Calls made between the date of sale and maturity of time-bargains shall be paid by the buyer to the seller at the time of settlement of bargain.

#### TIME-BARGAINS.

103. Unless otherwise agreed, neither party to a time-bargain shall be entitled to call upon the other party to complete until the day fixed for completion.

104. Time-bargains, the day for completion of which shall fall on a Sunday or Exchange holiday, shall not be completed until the business day next following.

#### NEW SHARES.

105. In the event of new shares being created and offered to the shareholders in any company during the currency of a time-bargain, or pending delivery of shares in time for the buyer to complete transfer to enable him to secure such new shares himself, the buyer, if desirous of receiving his proportion of such new shares, shall request the seller in writing, accompanied by the necessary funds, to secure them, and the seller, on receipt of such request, shall secure them, but the seller may elect to deliver such documents as will enable the buyer to secure the new shares.

106. When a transaction is in shares on a London register, the responsibility of the seller shall cease if he shall have taken every practicable course to secure the new shares; and, further, the seller shall be relieved of all responsibility if the circumstances place him in no better position than the buyer to secure the new shares, in which case the seller may, on receipt of a written request from the buyer to protect his rights, notify the buyer in writing of such circumstances, and the buyer on receipt of such notification shall protect his own interests.

#### NON-MEMBERS.—FAILURE TO MEET ENGAGEMENTS.

107. Non-members shall pay for all stocks or shares purchased on their account before 2 o'clock on the day following the purchase, unless an agreement be made in writing to the contrary.

108. Should a purchaser, not a member, fail to pay the amount due on his purchase as per rule 107, either the seller or his broker, or the purchaser's broker, shall be at liberty, at any time thereafter, at his or their option, either to sue such purchaser for breach of contract or to resell the securities in any manner and upon such terms and conditions as he or they may think proper, and to sue for the difference, and all loss and expense consequent upon such resale, whether the same shall be made immediately on such failure to pay as aforesaid or at any time thereafter, and all damages which the seller or his broker or the purchaser's broker may sustain thereby, shall be recoverable by him or them from the purchasers as and for liquidated damages, and it shall not be necessary to give notice of any such resale.

109. In the event of any person not a member failing to meet any engagement with a member of the Exchange, the members may apply to the Committee to have such person posted as a defaulter. The Committee shall inquire into the case, and if satisfied that such default has been made shall post the said person and announce to the members that he is in default.

110. A member shall not transact business for a non-member who has been announced to the members as a defaulter, unless such person shall have made an arrangement with his creditors or creditor satisfactory to the Committee.

#### MEMBERS BARRED FROM DEALING WITH OTHER MEMBERS' EMPLOYEES.

111. A member shall not buy or sell for any one employed in another member's office.

#### DISPUTES.

112. In disputes between members, with reference to stock and share transactions, brought under the consideration of the Committee to adjudicate upon any complaint submitted, their decision shall be final and binding, and shall be carried out forthwith by the member or members concerned.

Unless permission of the Committee has first been obtained members shall not appeal to any Court of law or equity in any dispute that may arise between them in transactions under these rules, and if such permission is not granted they shall accept the Committee as the sole and final tribunal and arbiter therein.

113. It shall not be incumbent upon the Committee to entertain any complaint submitted to them by any one not a member of the Exchange against a member of it, unless such member shall have been employed by the complainant in the capacity of broker; and in that or any other case in which a non-member desires the intervention of the Committee, he shall, previously to the case being heard, pay not less than five guineas, or such other sum as the Committee may determine, to the Secretary, and shall undertake in writing to abide by and forthwith to carry out the decision of the Committee in the same manner as if he were a member of the Exchange; the Committee to have the power to repay the whole or part of the five guineas or such other sum to the complainant.

#### POWER OF COMMITTEE TO PROCURE INFORMATION RELATIVE TO MATTERS UNDER INVESTIGATION.

114. Members and their clerks when required so to do by the Committee shall attend any meeting of the Committee, and then and there shall give such information as may be in their possession relative to any matter under investigation.

115. The Committee shall have full and absolute power, in the event of a complaint being made which in their opinion justifies such procedure, to call upon any member to produce for their inspection all books, letters, telegrams, or copies thereof, and other documents in his possession relating thereto, and he shall, without delay, produce them for inspection accordingly.

#### VIOLATION OF RULES AND PENALTIES.

116. The Committee shall take cognizance of all violations of these rules, whether in letter or spirit. Any member found by them to be guilty of such violation, or who may fail to comply with any decision or ruling of the Exchange or of the Committee, or who in the opinion of the Committee is or has been guilty of conduct unworthy of a member, shall be liable to be fined or suspended, or fined and suspended from membership by resolution of the Committee; or should the matter be of such moment as in their opinion to demand expulsion, the Committee shall report accordingly to the members of a special general meeting to confirm the Committee's recommendation and expel the offending member, or deal with him by fine or suspension.

117. The fines mentioned herein shall not, except in cases where another amount is fixed, be less than £5 or more than £25, and in case of a continuance offence shall be not less than £1 or more than £5 for each day during which such offence continues.

#### NOTICES.

118. Except as by these rules otherwise provided, any notice or document to be given or served upon any member shall be deemed to be duly given or served if given by advertisement or by personal service upon the member, or by sending it through the post as a prepaid registered letter addressed to such member at his address as appearing in the register, or to such other address as he shall from time to time notify in writing to the Secretary, or to his last known address.

119. Any member of the Exchange who shall fail to observe or be bound by the terms of any decision or ruling of the Committee or of the Exchange, or the spirit or intention thereof, relative to the conduct by the members of the Exchange of their business as such members, or to their dealings with one another as such members, or relative to other matters arising out of the objects or purposes of the Exchange, shall be deemed guilty of conduct unworthy of a member, and be dealt with in manner provided by rule 116.

120. If a fine imposed on any member at a special general meeting of members be unpaid at the end of one clear week, the member in default shall forfeit his membership, and the Committee shall announce to the members that he has retired from the Exchange, and his name shall be erased from the list of members.

121. A member, or his nominee, shall not vote at any meeting at which a charge affecting such member is under consideration.

122. The Committee for the time being may, in their absolute discretion, and in such manner as they may think fit, notify, or cause to be notified, to the public that any member has been expelled, or has become a defaulter, or has been suspended, or has ceased to be a member.

123. No action or other proceeding shall, under any circumstances, be maintainable by the person referred to in such notification against any member or official publishing or circulating the same, and this rule shall operate as leave and authority to any member or official to publish or circulate such notification, and be pleadable accordingly.

124. A member under suspension shall not attend any meetings of the Exchange unless by leave of the Chairman, and then only for the purpose of speaking on a motion that he be fined or expelled, and having spoken he must withdraw. Such member shall not be entitled to vote.

#### ALTERATION, AMENDMENT, OR REPEAL OF RULES.

125. In all dealings with members of other Exchanges affiliated with the Stock Exchange Association of New Zealand the rules of that association shall apply and prevail over the rules of the Exchange.

126. The Exchange shall have power to alter, amend, or repeal any of these rules.

127. Notice shall be given in writing, addressed to the Secretary, of any proposed amendment, or repeal of, or addition to the rules. A special general meeting shall be called to consider any proposed alteration, amendment, or repeal, and at least seven days' notice of such meeting shall be given to the members by circular sent to the last known business address of each member. The circular shall contain a copy of the proposed alteration, amendment, or repeal, but the accidental omission to give any such notice to any member shall not invalidate any proceedings taken or any resolution passed at such meeting. No amendment which introduces fresh matter shall be entertained at the meeting, and no proposed amendment or repeal of or addition to the rules, if rejected, shall be entertained again for six months.

#### DISSOLUTION.

128. The property of the Exchange in the event of its winding-up shall be determined by a special general meeting of the members of the Exchange.

**SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.**

**UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.**

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE  
EDUCATION DEPARTMENT,  
WELLINGTON.
