(1.) The decoration shall consist of a chased oval band of silver, having thereon the words "Colonial Auxiliary Forces," and in the centre the Imperial cypher in silver gilt; the whole surmounted by the Imperial crown in silver gilt.

(2.) The decoration shall be worn after all British war medals, suspended from the left breast by a green riband of 1½ inches in width from a silver brooch.

(3.) The decoration shall be conferred on (a) duly qualified commissioned officers and Chaplains of the New Zealand Territorial Force, (b) honorary Colonels who, before their appointment as such, had performed the requisite qualifying service, and (c) officers who have retired and who, at the time of their retirement, had completed the requisite service.

(4.) The period of service requisite to qualify for the decoration shall be twenty years' commissioned service rendered wholly in the New Zealand Volunteer or Territorial Forces, or partly in the New Zealand Volunteer or Territorial Forces and partly in the Auxiliary Forces (*i.e.*, other than Permanent Forces) of one or more Dominion, Colony, or Protectorate, partly in the Territorial Force of Great Britain, or partly in any Naval or Military Volunteer Force in any part of the Empire (except service since 4th August, 1914, in the Volunteer Force of Great Britain raised under the Volunteer Acts, 1863–1916).

(5.) Half the time served in the ranks of the New Zealand Volunteer or Territorial Forces, in the ranks of the Auxiliary Military Forces of any British Dominion, Colony, or Protectorate, or in the ranks of the Territorial Force of Great Britain or Volunteer Force of Great Britain which existed before 1st April, 1908, shall be reckoned as qualifying service.

CONDITIONS OF SALE.

1. The right to cut and remove the timber will be sold in accordance with the terms of the Forests Act, 1921-22, the regulations made thereunder, and the following conditions.

2. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

3. The aforementioned quantities, qualities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind than as stated herein or in any advertisement having reference to the said timber.

4. The promissory notes will be presented at intervals as indicated in the terms of payment, but they may be presented for payment at an earlier date if it is found that more than a due proportion of the timber has been cut, or should any breach of the conditions occur, or if in the opinion of the Conservator the interests of the Crown are being jeopardized.

6. A return, verified by affidavit, giving the number of logs cut of each species and their contents, must be made quarterly by the licensee each quarter ending on the last day of June, September, December, and March respectively in each year. A return, similarly verified, must be made quarterly on the same dates showing the output of sawn timber of each species.

7. All timber must be cut to the best advantage, and cutting operations must be carried on regularly and generally in a manner approved of by the Conservator.

8. The settlement of any disputes shall be effected by the Conservator, and there will be a right of appeal to the Commissioner of State Forests, whose decision in all cases shall be final. Should the licensee fail to fulfil any and every obligation incumbent upon him the license will be subject to cancellation.

9. The Commissioner of State Forests may authorize the laying-down and working of tram-lines through the land by other persons than the licensees.

10. The successful tenderers will be granted licenses to cut the timber, the periods for which will be as above stated, and will not be extended. The license will not be transferable, except with the consent of the Commissioner of State Forests. Cutting operations must commence within twelve months of the date of the license.

11. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing-date for receipt of tenders.

12. If no tenders are accepted for either of the lots herein mentioned, they will remain open for application at the upset price until further notice.

13. The successful tenderers shall only be permitted to cut timber on private lands and Warden's licenses simultaneously with the lots mentioned herein by obtaining permission from the Conservator.

14. The licensee shall take all reasonable precautions by way of providing such safeguards as may be required by the Conservator for the prevention of damage to the adjacent bush by fires caused by sparks from locomotives, log-haulers, or otherwise, and shall be liable for any damage thereto in consequence of any negligence or disregard of these conditions on the part of the licensee or his workmen, such damage to be assessed by the Conservator of Forests, whose decision shall be final.

15. Tenders should be addressed "Conservator of Forests, Hokitika," and envelopes endorsed "Tender for Timber."

SCHOOL FOR THE DEAF, NEAR SUMNER, CHRISTCHURCH.

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION DEPARTMENT.

Director: Mr. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted to the School for the Deaf (sound intellect being always a necessity):—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from the

SECRETARY TO THE
EDUCATION DEPARTMENT,
WELLINGTON.
