And whereas it has been made to appear to the Governor-General in Council that the work will not be or tend to the injury of navigation, and the said plan has, prior to the making of this Order in Council, been approved by the Governor-General in Council :

And whereas it is desirable that a license should be granted and issued to the licensee under the said Act for the purpose aforesaid, on the terms and conditions hereinafter expressed :

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority conferred upon him by the said Act, and of all other powers and authorities enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid ; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore on which the said boat-shed is to be erected, as shown on plan marked M.D. 5683 deposited as aforesaid, for the purpose of maintaining the said structure thereon, such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

5. The licensee shall maintain the above-mentioned boat-shed in good order and repair, and shall at all times exhibit therefrom, and maintain at his own cost, suitable and necessary lights for the guidance of vessels ; provided that no light shall be exhibited until after it has been approved of by the Minister.

6. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the licensee in New Zealand.

IMPROVEMENTS.

Section 11, Block XVII, is weighted with £825, valuation for improvements consisting of dwelling, cow-shed, and dairy, which must be paid in cash immediately on the fall of the hammer, if the section is purchased by any person other than the present occupier of the dwelling.

DESCRIPTION OF SETTLEMENT.

Wilford Settlement is situated in the Borough of Petone, about one mile from the railway-station, which is reached in about eighteen minutes by train from the City of Wellington. A motor-bus service runs from the Petone Railway-station to the sections under offer. The sections are all in grass, and are generally of a dry nature, somewhat sandy, on gravel formation. The streets along the frontage of the sections are formed and metalled, with concrete kerbing and channelling.

An opportunity is here offered of securing very desirable residential sites close to school and sea-shore.

TERMS OF SALE.

The purchaser may pay for the land in cash or by deferred payments extending over a period of nineteen years. The terms are—

(1.) Cash.—One-fifth of the purchase-money on the fall of the hammer, and the balance, with Crown-grant fee (£1), within thirty days thereafter.

(2.) Deferred Payments.—5 per cent. of the purchase-money and license fee (£1 1s.) on the fall of the hammer, balance by equal annual instalments extending over nineteen years, with interest payable half-yearly at the rate of 5 per cent. per annum on the unpaid purchase-money; but with the right to pay off at any time the whole or any part of the outstanding amount.

In either case if the purchaser fails to make any of the prescribed payments by due date, whether of purchase-money or interest, the amount (if any) already paid shall be forfeited and the contact for the sale of the land be null and void.
