1923.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Article 297 of the Treaty of Peace with Germany, which was signed at Versailles on the twenty-eighth day of June, one thousand nine hundred and nineteen, it is provided that the Allied and Associated Powers shall be entitled to retain and liquidate all property, rights, and interests belonging to German nationals or companies controlled by them within the colonies, possessions, and protectorates of those Powers (including territories ceded to them by the said Treaty): And whereas by Article 121 of the said Treaty the foregoing provision is made applicable to the Territory of Western Samoa: And whereas by the Samoan Crown Estates Order, 1920, effect has already been given in part to the foregoing provision: And whereas it is expedient to make further provision in that behalf: And whereas it is expedient also to make provision for the liquidation of property in Western Samoa belonging to absentee nationals of Powers which have been in alliance with Germany against His Majesty:

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of that Dominion, and in pursuance of the authority to make regulations for the peace, order, and good government of the Territory of Western Samoa conferred upon him by the Samoa Act, 1921, and further in pursuance of the authority conferred upon him by the Treaties of Peace Act, 1919, and of every other power and authority enabling him in this behalf, doth hereby order as follows:—

1. This Order may be cited as the Ex-enemy Absentee Property (Samoa) Order, 1923, and shall come into operation on the thirty-first day of December, one thousand nine hundred and twenty-three.

2. In this Order—

“Ex-enemy absentee” means any subject of Germany, or of a State which during the late war with Germany has been in alliance with Germany against His Majesty, who shall at the date of the coming into operation of this Order be resident elsewhere than in Western Samoa, and also any company incorporated or having its head office in Germany or in any such State:

“Ex-enemy absentee property” means all property of any kind in Western Samoa belonging to or held on behalf of an ex-enemy absentee or in which an ex-enemy absentee has any interest, and includes property belonging to the undistributed estate of any person deceased if any ex-enemy absentee is in whole or in part entitled thereto, and includes also moneys which are the revenues of ex-enemy absentee property or the proceeds of the sale, realization, or disposition thereof, and moneys which are on any account whatever payable to or for the benefit of any ex-enemy absentee.

3. Within three calendar months after the coming into operation of this Order every person who in Western Samoa holds or has the possession, management, or control of any ex-enemy absentee property shall, by notice in writing, communicate the fact, together with full particulars of such property, to the Samoan Public Trustee.

4. Money owing or payable to any ex-enemy absentee or to any person on behalf of an ex-enemy absentee shall be deemed to be ex-enemy absentee property held by the person by whom such money is payable.

5. Whenever any person is known or suspected to have in his possession or under his control or management any document or paper relating to, or to be capable of supplying any information on the subject of, any ex-enemy absentee property the Samoan Public Trustee may, in writing, call upon such person to produce such document or paper or to supply such information within a period of twenty-eight days, and if such person shall, without reasonable cause, refuse or fail to produce or, as the case may be, to furnish the same within the said period such person shall be liable to a fine not exceeding twenty pounds.

6. No person shall, without the permission of the Samoan Public Trustee, directly or indirectly send or transmit any ex-enemy absentee property out of Western Samoa or deal with any such property in any manner whatever with intent to reduce such property or the proceeds of the sale, realization, or disposition thereof into the possession of the owner thereof, or of any person out of Western Samoa on behalf of such owner, or with intent to make the same available by or for the benefit of any person out of Western Samoa.

7. No person shall, without the permission of the Samoan Public Trustee, be in any way concerned in the transfer of any ex-enemy absentee property from the owner thereof to any other person or in the acquisition by any person of any charge or other interest in or over such property.

9. All persons in Western Samoa owing money to or having in their possession money due or payable to or held in trust for or on account of any ex-enemy absentee shall on demand by the Samoan Public Trustee forthwith or as soon as may be practicable pay such money to the Samoan Public Trustee.

10. The Samoan Public Trustee shall have the following powers in respect of ex-enemy absentee property :—

Now, therefore, His Excellency the Governor-General of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy that part of the foreshore and land below low-water mark which are particularly shown and delineated on the plans marked M.D. 5731 so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf, such license to be held and enjoyed by the licensee upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

ALL the milling-timber on that parcel of land, containing approximately 120 acres, in State Forest No. 42, Block XII, Manganui Survey District, estimated to contain 176,000 superficial feet as follows:—

Rimu, 107,800; mountain totara, 25,500; miro, 23,400; and kahikatea, 19,300.

Upset price for appraised timber, £275.

Ground rent, £6 per annum.

Two and one-half years will be allowed in which to remove the timber, which is situated close to Pokako Railway-station.

Terms of Payment.—A marked cheque for £100, together with £1 ls. license fee and a half year's ground rent, plus exchange, must accompany the tender, and the balance be paid by four equal quarterly instalments, the first of which shall be paid three months after the date of sale.

In addition, the successful tenderer shall continue to pay such ground rent half-yearly in advance during the currency of the license.

All instalment-payments shall be secured by "On demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at current bank rates will be charged on all notes overdue from the date of maturity to the date of payment. The successful tenderer shall be liable to pay any claims or charges which may be made for the maintenance of the tram over which the timber may be transported.

The land also contains a quantity of silver-pine, which will only be disposed of on the special conditions hereinafter mentioned.

CONDITIONS OF SALE.

1. The right to cut and remove the timber will be sold in accordance with the terms of the Forests Act, 1921-22, the regulations in force thereunder, and the following conditions.

2. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

3. The aforementioned quantities, qualities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind than as stated herein or in any advertisement having reference to the said timber.

4. The promissory notes will be presented at intervals as indicated in the terms of payment, but they may be presented for payment at earlier dates if it is found that more than a due proportion of the timber has been cut, or should any breach of the conditions occur, or if in the opinion of the Conservator the interests of the Crown are being jeopardized.

5. Each tenderer must state the total price that he is prepared to pay for each species. The highest or any tender will not necessarily be accepted, and the timber described is

submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

6. A return, verified by affidavit, giving the number of logs out of each species and their contents, must be made quarterly by the licensee each quarter ending on the last day of March, June, September, and December respectively in each year. A return, similarly verified, must be made on the same dates showing the output of sawn timber of each species.

7. The licensee shall not put, throw, or place, or allow to be put, thrown, or placed, into any river, stream, or watercourse, or into any place where it may be washed into any river, stream, or watercourse, any sawdust or other sawmill refuse.

8. The licensee shall take all reasonable precautions by way of providing such safeguards as may be required by the Conservator for the prevention of damage to the adjacent bush by fires, caused by sparks from locomotives, log-haulers, or otherwise, and shall be liable for any damage thereto in consequence of any negligence or disregard of these conditions on the part of the licensee or his workmen, such damage to be assessed by the Conservator of Forests.

9. All timber must be cut to the best advantage, and milling must be carried on regularly and generally in a manner approved of by the Conservator. The Crown reserves the right to withdraw from the license such areas as from time to time are cleared of merchantable timber, and as areas are withdrawn ground rent will be reduced *pro rata*.

10. No compensation will be given, nor shall any be claimed, for any error, discrepancy, or misdescription whatever in respect of any lot or in these conditions.

11. The settlement of any disputes shall be effected by the Conservator of Forests, and there will be a right of appeal to the Commissioner of State Forests, whose decision in all cases shall be final. Should the licensee fail to fulfil any and every obligation incumbent upon him the license will be subject to cancellation.

12. The Commissioner of State Forests may authorize the laying-down and working of tram-lines through the land by other persons than the licensee.

13. The successful tenderer will be granted a license to cut the timber for the period of two years and a half, and such license will not be extended. The license will not be transferable, except with the consent of the Commissioner of State Forests. Cutting operations must commence within fourteen months of the date of the license.

14. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing-date for receipt of tenders.

15. If no tender is accepted for the timber herein mentioned, it will remain open for application until further notice.

16. The successful tenderer shall be permitted to cut timber on private lands and Warden's licenses simultaneously with the lot mentioned herein by obtaining permission from the Commissioner of State Forests.

17. The successful tenderer shall have the right to cut, use, sell, or otherwise dispose of any species of timber not included in the Schedule herein on terms and conditions to be agreed upon, and provided the written consent of the Conservator be first had and obtained.

Special Conditions of Sale relating to Silver-pine on the Area.

Full royalty will be charged on any convertible timber not so utilized.
- (e.) All timber shall be economically and efficiently converted, hewing only shall be done by experienced and competent men, and all operations shall be conducted under the supervision and to the satisfaction of an authorized officer of the State Forest Service.
- (f.) The licensee shall, within fourteen days of the last day of each calendar month, furnish to the District Forest Ranger at Ohakune a declaration of the amount and value of timber cut, and shall within the same period pay to the State Forest Service Account, through the Post Office, the amount of royalty due on such timber.
- (g.) This license is subject to summary cancellation for any breach of the above conditions.
