IN exercise and pursuance of the power and authority conferred by the Government Railways Act, 1908, and of all other powers and authorities in that behalf, I, Joseph Gordon Coates, Minister of Railways, do hereby amend the by-laws made under the said Act on the 29th day of May, 1909, by making the following alterations therein:—

PART I.—GENERAL.

By adding to by-law No. 3, after the words "periodical tickets shall," the words "subject to any arrangement for the time being in operation on the railway regarding the reservation of seats in trains."

By omitting from by-law No. 5 the words "and every passenger or person shall show such ticket when required by any railway official to do so for any purpose."

By adding the following by-law:—

"5A. Every person when travelling on the railway shall either exhibit (whenever required by an officer of the railway to do so) a ticket available for the journey then being made by such person or pay the fare, together with the booking fee (if any), payable for such journey. Any person infringing or not observing this by-law shall be liable to the penalty

prescribed by by-law No. 62, and (in case of failure by such person to quit the train on which he is travelling as aforesaid at the first station at which the train shall be stopped after such person has been requested so to do by any railway officer) may be removed from such train by or under the direction of any railway officer."

By omitting from by-law No. 13 the words "having previously provided himself with a ticket," and substituting the words "being in possession of a ticket available for the journey then being commenced."

By adding the following by-laws:—

"20A. No person shall throw or cause to be thrown at or from any carriage or other vehicle upon the railway, or on to any railway or any part thereof, any glass or stone or any article or material the throwing of which might cause injury to any person, or any filth, dirt, rubbish, or any other matter of a similar nature.

The exhibition of a green flag or the holding up of his hand by day or the exhibition of a green light by night shall be deemed a sufficient notice that the officer requires such driver or rider to stop.

VEHICLES PLYING FOR HIRE AT RAILWAY-STATIONS

By omitting subparagraph (b) of paragraph (6) of by-law No. 43, and substituting the following:—

"(b.) The holder thereof shall not leave his vehicle except as may be reasonably necessary for the purpose of fulfilling an engagement of his vehicle previously accepted by him, nor, having left his vehicle for such purpose, shall he tout for passengers or solicit business while away from his vehicle."

ADMISSION TO RAILWAY-PLATFORMS.

By adding to paragraph (3) of by-law No. 44 the following words: "but the absence of such notice shall not affect the application of this by-law to any particular railway-platform at any particular time, or affect the liability of any person under it, if such railway-platform at such time in fact purports to be closed to persons who, if the said notice were exhibited, would not be entitled to be upon such platform at such time."

Upset price, £315.

Ground rent, £8 13s. per annum.

Four years will be allowed in which to remove the timber.

**Terms of Payment.**—A marked cheque for one-eighth of the purchase-money, together with half-year's ground rent and £1 ls. license fee, plus exchange, must accompany the tender, and the balance be paid in eight quarterly instalments. The first instalment shall be paid three months after date of sale.

In addition, the successful tenderer shall continue to pay such ground rent half-yearly in advance during the currency of the license.

All instalment-payments shall be secured by "on demand" promissory notes made and endorsed to the satisfaction of the Commissioner of State Forests, and interest at current bank rates will be charged on all notes overdue from the date of maturity to the date of payment.

#### CONDITIONS OF SALE.

1. The right to cut and remove the timber will be sold in accordance with the terms of the Forest Act, 1921-22, the regulations in force thereunder, and the following conditions.

2. Intending tenderers are expected to visit the locality and to satisfy themselves in every particular on all matters relative to the sale.

3. The aforementioned qualities, quantities, and kinds as to the said timber shall be taken as sufficiently accurate for the purposes of this sale, and no contract for the purchase shall be voidable, nor shall the successful purchaser be entitled to any abatement in price, by reason of the said timber being of less quantity, quality, or kind as stated herein or in any advertisement having reference to the said timber.

4. The promissory notes will be presented at intervals as indicated in the terms of payment, but they may be presented for payment at earlier dates if it is found that more than a due proportion of timber has been cut, or should any breach of the conditions occur, or if in the opinion of the Conservator the interests of the Crown are being jeopardized.

5. Each tenderer must state the total price that he is prepared to pay for each species. The highest or any tender will not necessarily be accepted, and the timber described is submitted for sale subject to the final acceptance of the tender by the Commissioner of State Forests.

6. A return, verified by affidavit, giving the number of logs cut of each species and their contents, must be made quarterly by the licensee each quarter ending on the last day of March, June, September, and December respectively in each year. A return, similarly verified, must be made on the same dates showing the output of sawn timber of each species.

7. The licensee shall not put, throw, or place, or allow to be put, thrown, or placed, into any river, stream, or watercourse, or into any place where it may be washed into any river, stream, or watercourse, any sawdust or other sawmill refuse.

8. The licensee shall take all reasonable precautions by way of providing such safeguards as may be required by the

Conservator for the prevention of damage to the adjacent bush by fires, whether caused by sparks from locomotives, log-haulers, or otherwise, and shall be liable for any damage thereto in consequence of any negligence or disregard of these conditions on the part of the licensee or his workmen, such damage to be assessed by the Conservator of Forests.

9. All timber must be cut to the best advantage, and milling must be carried on regularly and generally in a manner approved by the Conservator. The Crown reserves the right to withdraw from the license such areas as from time to time are cleared of merchantable timber, and as areas are withdrawn ground rent will be reduced *pro rata*.

10. No compensation will be given, nor shall any be claimed, for any error, discrepancy, or misdescription whatever in respect of any lot or in these conditions.

11. The settlement of any disputes shall be effected by the Conservator of Forests, and there will be a right of appeal to the Commissioner of State Forests, whose decision in all cases shall be final. Should the licensee fail to fulfil any and every obligation incumbent upon him the license will be subject to cancellation.

12. The Commissioner of State Forests may authorize the laying-down and working of tram-lines through the land by other persons than the licensees.

13. The successful tenderer will be granted a license to cut the timber for a period of four years, and such license will not be extended. The license will not be transferable, except with the consent of the Commissioner of State Forests. Cutting operations must commence within twelve months of the date of the license.

14. The right is reserved to the Commissioner of State Forests to withdraw from sale any or all of the said timber either before or after the closing-date for receipt of tenders.

15. If no tenders are accepted for the timber herein mentioned, it will remain open for application until further notice.

16. The successful tenderer shall be permitted to cut timber on private lands and Warden's licenses simultaneously with the lot mentioned herein by obtaining permission from the Commissioner of State Forests.

17. The successful tenderer shall have the right to cut, use, sell, or otherwise dispose of any of the species of timber not included in the Schedule herein on terms and conditions to be agreed upon, and provided the written consent of the Conservator be first had and obtained.

Tenders should be addressed "Acting Officer in Charge, State Forest Service, Nelson," and envelopes endorsed "Tender for Timber."

Further particulars may be obtained on application to the State Forest Service, Nelson, or to the Head Office, Wellington.
